Minutes – Rachel motioned, and Doug seconded approval of the 3/14/23 minutes; approved unanimously.

Quad Squad Report – Tim reported on the most recent Quad Squad meeting. The “Quad Squad” is the Multi-CoC Governance Group, consisting of the four CoCs that are grouped in the same HMIS instance. The group is currently reviewing its HMIS Policies and Procedures document created last year to identify additional common policies and procedures that should be included at the Quad Squad level. Each individual CoC must agree for the policy to be adopted. Similarly, each CoC can have additional policies and procedures.
