5. DATA HIGHLIGHT: Annual Gaps Analysis

HUD requires CoCs to conduct an annual needs assessment or gaps analysis to help guide community planning. Lisa Trauernicht will be leading the effort to update the Gaps Analysis over the next couple of months and will describe the process and seek committee feedback. The [2022 Gaps Analysis](#) can be found on the Alliance website.

6. PRESENTATION: The Annual NOFO – More than Money Ian Dixon-McDonald, Committee Co-Chair

Training, policies, priority populations, voices of lived experience, plans to improve system performance – it's all part of the CoC's response to HUD's annual Notice of Funding Opportunity (NOFO). The committee will learn how we scored last year and talk about how we can improve this year.

7. Collaborative Committee Purpose, Focus, and Agenda Plans

More than 40 people completed the surveys on the Collaborative Committee purpose, focus and upcoming agendas. The agenda-planning team will share the results (see pages 4-11), and use breakout groups to dig deeper into specific topics, such as ways to do action planning, sharing of resources, training, and how best to share/learn about committee efforts and other projects.

8. Announcements - Opportunity to share about recent milestones or upcoming events.
