

Who We Are

VETcare is an affiliate of a National nonprofit organization that, for over 45 years, has provided a wide spectrum of health and human services in residential and outpatient settings to children, adults, and families, many of whom are Veterans. Today, we operate in 17 states and five territories due in part to meaningful collaboration and partnerships with other nonprofits and public agencies.

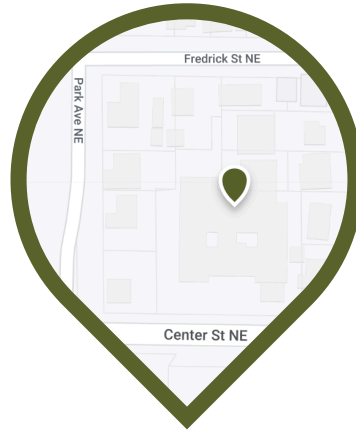

OUR VISION: We devote our best collective and individual efforts toward uplifting the human spirit by consistently improving, expanding, and strengthening the quality, efficacy and cost-effectiveness of everything we do in building for the future.

VALUES:

Excellence | Dedication | Growth | Ethics

Our Transitional Housing Program services are available to assist homeless Veterans with housing and other supportive needs in Marion and Polk County.

- Case Management

A Story of Success

"Facilities like VETcare truly saved my life. They were imperative to my success. It helped me establish a routine and taught me how to be disciplined in all aspects of my life. It put me in a place with like-minded individuals. Everyone has a story. Being around people made it easier for me to work on things I needed to do by having company around whom I could relate and talk to in some way." - Ivan, U.S. Army Veteran and Former VETcare client

Eligibility

- Applicants must be:
 - A Veteran with an honorable discharge who also have an active duty DD-214.
 - Experiencing homelessness or be at risk of losing their housing.
 - Clean and sober at time of enrollment and throughout the duration of the program.
 - Have an income source or should be working towards developing an income source.
 - Free of any of the following convictions:
 - Violent offenses
 - Sexual assault
 - Arson
 - Applicants will receive criminal background checks prior to admission.

Participant Expectations

- While within the program, participants must be able to:
 - Coexist in a cooperative living environment with the ability to respond positively to behavioral redirection.
 - Attend all house meetings, groups, and individual counseling sessions.
 - Adhere to a joint-developed treatment plan to address specific issues or conditions to achieve desired goals and improve overall well-being.
 - Adhere to a joint-developed case management plan, which will include meeting with their case manager and participating in vocational assessments, resume building, job searches, employment, volunteer work opportunities on-site and in the community, and seeking independent housing opportunities.
 - Pay 30% of net monthly income towards program fees and save 20% of income to facilitate their transition to independent living.
 - Only take medication as prescribed with the understanding that misuse may result in discharge from the program.
 - Practice unassisted self-care, including independently waking up, getting into/out of bed, eating, bathing, and using the restroom independently.
 - Participate in follow-up case management services for 180 days after program completion to ensure housing stability.

Our Mission

To empower everyone with whom we come into contact to engage in a process of healing, growth and change benefiting themselves, their families, coworkers and communities.

HOW YOU CAN HELP:

We rely heavily on the generosity of the community and our community partners. Our needs vary from month to month based on residency. If you would like to make a donation or get involved, please get in touch with a staff member at 503-364-1728.
