ARTICLE I. CONTINUUM OF CARE NAME AND PURPOSE

A. NAME OF THE CONTINUUM OF CARE (COC)

The name of this organization is the Mid-Willamette Valley Homeless Alliance, which serves as the region's Continuum of Care, herein referred to as "the CoC."

B. CONTINUUM OF CARE (COC) OVERVIEW

1. **GEOGRAPHIC BOUNDARIES.** The CoC represents the geographic region within the boundaries of Marion and Polk counties.
2. **PURPOSE.** The CoC is organized to carry out the purposes of the U.S. Housing and Urban Development (HUD) Continuum of Care program as described in 24 CFR Part 578. The CoC promotes communitywide commitment to the goal of preventing and ending homelessness; provides funding for efforts by nonprofit providers and state, tribal and local governments to quickly rehouse homeless individuals, including unaccompanied youth and families, while minimizing the trauma and dislocation caused to homeless individuals, families, and communities by homelessness; promotes access to and effective utilization of mainstream housing and homeless services programs by homeless individuals, and optimizes self-sufficiency among individuals and families experiencing homelessness. Its work includes gathering and analyzing data to determine local needs of and resources available to people experiencing homelessness, developing and prioritizing a menu of strategic responses, collaboratively implementing a strategic plan, promoting service coordination, educating the public on homeless issues, providing advice and input on homeless services operations, leveraging resources for maximum impact, and measuring and promoting strong program performance. Through collaborative efforts of local and tribal governments, school districts, nonprofit organizations, and other participating stakeholders, the CoC seeks to develop an evidence-based system of services, including stable housing, designed to meet the unique and complex needs of adults, youth, children, and families in Marion and Polk counties who are at risk of or are experiencing homelessness.

In the alternative, board members may

designate a permanent alternate, provided that the alternate meets the requirements in Article II, A, 4 b.

8. **RESIGNATION.** Resignations by Board members shall be submitted in writing to CoC staff, who will forward the resignation notice to board leadership. Resignations will be announced at the next regularly scheduled board meeting. Members attending by telephone conferencing may be counted towards achieving a quorum.
11. **VOTING.** Each Board member will hold one vote on all matters brought before the board. However, in recognition of their significant financial contributions to the effort, Marion County and the City of Salem may select two persons to represent each organization's interests on the CoC Board, or in the alternative may select one representative who shall have two votes on any matter. Board decisions shall be made by a majority of the total votes available to the entire appointed, voting Board membership.

 - c. The Board encourages input to its deliberations and decision-making from a diversity of stakeholders, including consumers and community members from diverse genders, racial and ethnic origins, cultural groups, and geographic areas within the CoC boundaries. In the alternative, the Board may also delegate this responsibility to the Executive Committee.

ARTICLE III. CONFLICT OF INTEREST AND CODE OF CONDUCT

A. CONFLICT OF INTEREST

1. **GENERAL PROVISIONS.** A conflict of interest is a situation in which members or one of their family members have a personal or financial interest that compromises or could compromise the members' independence of judgment in exercising their responsibilities to the CoC. It is the position of this CoC that conflicts of interest shall not compromise the CoC's work and that even the appearance of a conflict shall be avoided in all circumstances.
2. **ADHERENCE TO CONFLICT OF INTEREST POLICY.** CoC Board and Performance and Evaluation Committee members are expected to adhere to the CoC Conflict of Interest Policy, which requires the member to minimize conflicts of interest; disclose ethical, legal, financial, and other conflicts; and remove themselves from decision-making if they would otherwise be called on to act on a conflict involving themselves, their family members or entities with which they or their family members are closely associated. Under the policy, Board and Performance and Evaluation Committee members are required to disclose actual or potential conflicts of interest, as well as certain relationships and transactions. No CoC Board or Performance and Evaluation Committee member may participate in or influence discussions or resulting decisions concerning the award of a grant or other financial benefits to the organization that the member represents, pursuant to 24 CFR part 578.95.
3. **DEFINITIONS.** The CoC will assure that Board and Performance and Evaluation Committee members acknowledge the federal and state definitions of conflict of interest and are in full compliance with state and federal law.
 - a. Conflict of Interest definitions aligning with federal statute are:
 - i. **Conflict of Interest** generally means a situation in which members or their immediate family member have, directly themselves or indirectly through another individual or entity, a personal or financial interest that compromises or could compromise the members' independence of judgment in exercising their responsibilities to the CoC.
 - ii. **Prohibited Conflict of Interest** means a conflict of interest that would prevent a member from serving on the Board or Performance and Evaluation Committee or participating in any of the board or committee activities. A member who has a potential or actual Prohibited Conflict of Interest must resign from the Board or Performance and Evaluation Committee. Prohibited Conflicts of Interest include: CoC compensation and employment; loans; federal employee status; use of CoC equipment, facilities, assets, or staff time for non-CoC purposes; and acceptance of gifts, gratuities, favors, or anything of monetary value.
 - iii. **Issue-Specific Conflict of Interest** means a conflict of interest that would prevent a member from voting on or being present during the discussion of a specific issue, such as votes on contracts and CoC leadership.
 - b. Oregon Revised Statutes Chapter 244 defines actual and potential conflict of interests for members of public bodies. No Board or Performance and Evaluation Committee members shall participate in a decision in which they have a private pecuniary interest. Affected members shall disqualify themselves from participation by written notification to the Board, as required by ORS 244.120.
 - i. **A potential conflict of interest** exists when a member takes an action that reasonably could be expected to have a financial impact on that member, a relative, or a business with which the

member or member's relative is associated. The member may participate in an action after declaring the potential conflict and announcing its nature.

- ii. **An actual conflict of interest** exists when an action is reasonably certain to result in a special benefit or detriment to the member, a relative, or a business with which the member or member's relative is associated. The member will declare the actual conflict and announce its nature. The member must then refrain from taking any official action, except when the member's vote is necessary to achieve a quorum. When a vote is necessary to achieve a quorum, the member may vote, but may not participate in any discussion or debate on the issue out of which the actual conflict arises.

4. **PENALTIES.** Board or Performance and Evaluation Committee members who purposefully conceal conflicts of interest, refuse to recuse themselves from voting, or engage in other conduct that violates the CoC Conflict of Interest policy will be subject to removal from the Board or Performance and Evaluation Committee.
5. **ANNUAL DECLARATION.** Board and Performance and Evaluation Committee members are to annually receive a copy of the CoC Conflict of Interest Policy, sign the CoC's Conflict of Interest form, and submit the form to CoC staff.

B. CODE OF CONDUCT

1. **GENERAL PROVISIONS.** CoC members are expected to observe the highest standards of ethical conduct in the execution of their responsibilities, to conduct themselves with courtesy and respect, and to refrain from harassment, intimidation, discrimination, and physical or verbal abuse.
2. **CONFIDENTIALITY.** CoC members must respect and maintain the confidentiality of sensitive information they may gain from their association with the CoC. This may include personal information about community members experiencing homelessness.
3. **RESPONSIBILITY AND INTEGRITY.** In the performance of their duties, CoC members are expected to carry out CoC duties to the best of their abilities, and to maintain the highest standards of integrity for actions with other CoC members, including CoC Board members, service providers, service recipients, and members of the general public. CoC Board and committee members shall put forth honest effort in the performance of their duties to advance the CoC's mission, exercising sufficient control and supervision over matters for which they are individually responsible, and should not do anything to bring the full CoC or its members into disrepute.
4. **MISUSE OF POSITION.** Misuse of position is prohibited. CoC members must not use their position with the CoC for personal gain or for the benefit of family or friends.
5. **COMMUNICATIONS.** CoC members, including Board and appointed committee members, shall make clear when communicating publicly or with the media, whether they are speaking in their own name, on behalf of their agency or organization, or on behalf of the CoC, if the CoC Board has empowered them to speak on the CoC's behalf.
6. **WASTE, FRAUD, AND ABUSE.** CoC members shall disclose waste, fraud, abuse, and corruption in the operation of the Continuum of Care to appropriate authorities.

7. **EQUAL OPPORTUNITY.** CoC Board and committee members shall adhere to laws and regulations that provide equal opportunity for all people regardless of race, color, religion, gender, identity, national origin, ethnicity, sexual orientation, age, or disability.
8. **PENALTIES.** This Code of Conduct will be distributed annually to CoC members. Members in violation of any portion of this Code of Conduct will be subject to disciplinary action, which could include immediate termination from the CoC Board or CoC committees.
9. **ANNUAL DECLARATION.** Board and appointed committee members are to annually receive a copy of the Code of Conduct, acknowledge receipt by signing a form, and submit a copy of the signed form to CoC staff.

This requirement, along with requirements established by HUD by notice, is pursuant to 24 CFR part 578.7(a)(8).

2. **RESPONSES TO IMPROVE PROGRAM PERFORMANCE.**
 - a. Should the Board determine that a program is not meeting established performance measures, staff will notify the program or project in writing. The organization overseeing the program or project will have the opportunity to provide additional performance information within 30 days of receipt of the CoC notification.
 - b. If the program or project's performance is related to certain items as determined by the CoC Board, such as, late Annual Performance Report submissions, unused funding, low utilization, low exits to permanent housing, low scores on income measures, or alignment of program participation with wait list protocols, the CoC Board may place a program on probation to improve its performance.
 - c. During the probationary period, the CoC will enter into a Performance Improvement Agreement with the program or project needing improvement, listing specific expectations and timeline.
 - d. CoC staff will facilitate technical assistance, as needed and available, as part of the Performance Improvement Agreement. The organization overseeing the program or project is responsible for requesting specific assistance in low-scoring performance areas and requesting clarifications from the CoC about performance measures and expectations.
 - e. The length of the probationary period will be proposed by the Performance and Evaluation Committee, negotiated by CoC staff, and approved by the CoC Board. Extensions may be requested for extenuating circumstances and are subject to Board approval. If the program or project does not fulfill the agreed-upon expectations included in the Performance Improvement Agreement, the Board may reduce funding or ranking, may reject future applications from that program or project for HUD CoC Program funds, or other remedies approved by HUD.

D. DESIGNATING AND OPERATING A HOMELESS MANAGEMENT INFORMATION SYSTEM

1. **HMIS PURPOSE.** The primary purpose of the CoC's Homeless Management Information System (HMIS) is to aggregate data on homelessness across Marion and Polk counties to accurately describe the region's scope and evaluate the effectiveness of efforts to reduce and end homelessness. The CoC uses HMIS to:
 - a. Understand the characteristics and service needs of homeless people;
 - b. Analyze how homeless people use services;
 - c. Evaluate program effectiveness and outcomes;
 - d. Improve access to and delivery of services for people experiencing homelessness; and
 - e. Strengthen community planning and resource allocation.
2. **DESIGNATED HMIS ROLES.** Oregon Housing & Community Services (OHCS) is designated as the HMIS Lead Agency/Administrator. Portland Housing Bureau is the vendor that provides the licensed software for the HMIS system. Mid-Willamette Community Action Agency is designated as the CoC region's HMIS Coordination Entity, designated by the HMIS Lead to coordinate data collection and data analysis for the region. The CoC Board oversees the work of the HMIS partners.

3. **HMIS DECISIONMAKING AUTHORITY.** HMIS decisions which affect local CoC operations are made by the HMIS Administrator, in consultation with the HMIS Users Workgroup and HMIS Coordination Entity. HMIS decisions which affect CoCs participating in statewide HMIS implementation will be made by the Northwest Social Services Connections Committee, with representation from each CoC in Oregon. The HMIS Lead will keep CoC staff informed of issues and decisions and will provide a summary of key decisions to the CoC Board at least annually.

4. **HMIS LEAD RESPONSIBILITIES.** Oregon Housing & Community Services, as HMIS Lead, works closely with the CoC and is responsible for maintaining the CoC's HMIS system in compliance with HUD standards. OHCS is responsible for coordinating the following activities:
 - a. Providing operation, security, maintenance, system auditing, and technical support of HMIS central hardware, software, and connectivity;
 - b. Executing a written HMIS Participation Agreement with each Contributing HMIS Organization (CHO), which includes the role, obligations, and authority of the HMIS Lead and the organization and requirements to comply with security, privacy, and data quality plans;
 - c. Setting up and managing user accounts, access levels, and passwords;
 - d. Providing technical and user support for HMIS software, including agency account set-up, system monitoring and testing, problem diagnosis and resolution, and routine software and information maintenance;

5. **PROVIDER PARTICIPATION.** Any organization within the CoC geographic region that receives Continuum of Care Program and Emergency Solutions Grant (ESG) funds must participate in HMIS as a Contributing HMIS Organization (CHO). In addition, the CoC encourages all providers of services to homeless individuals and families within the CoC geographic area, regardless of whether they receive CoC or ESG funds, to become a CHO and include their data in HMIS.

6. **HMIS MANUAL.** To ensure compliance with HUD requirements, the HMIS Lead, in collaboration with the

HMIS Coordination Entity, HMIS Users Workgroup and other stakeholders, is responsible for developing and annually reviewing and updating the CoC's HMIS Policies & Procedures Manual. The manual provides the framework for the ongoing operations of the HMIS system. It includes the CoC's privacy, data quality, and security plans for the HMIS system. At any time, the HMIS Lead, HMIS Coordination Entity, HMIS Users Workgroup, or CoC Collaborative Committee may identify elements of policies or procedures or other HMIS-related plans that need to be revised. Recommendations for revisions are to be submitted to the HMIS Lead. The HMIS Lead will present the HMIS Policies & Procedures Manual to the CoC Board annually, or more frequently if significant substantive changes are proposed.

E. PREPARING AN APPLICATION FOR FUNDS

1. **PURPOSE.** A major function of the Continuum of Care is to prepare and oversee the applications for CoC funds administered by HUD under the McKinney-Vento Homeless Assistance Act. The CoC Program is designed to assist individuals and families experiencing homelessness and to provide the services needed to help them move into housing, with the goal of long-term stability. The CoC Program funds important housing and services programs, such as permanent housing (including permanent supportive housing and rapid re-housing), transitional housing, and supportive services programs. HUD CoC Program funds are granted annually based on a national competition following the release a Notice of Funding Availability (NOFA). Recipients of Emergency Solutions Grant funds, another homeless assistance grant administered under the McKinney-Vento Act, are required by HUD to coordinate with the CoC. The CoC addresses that requirement through coordinating with the ESG review and ranking process and ESG scoring tool development.
2. **COLLABORATIVE APPLICANT.** The ORS 190 Entity, Mid-Willamette Valley Homeless Alliance, is designated as the CoC Collaborative Applicant and is responsible for leading and supporting all aspects of the annual HUD CoC NOFA application process, including submission of the Consolidated Application.
3. **PROJECT REVIEW PROCESS**
 - a. Immediately after HUD's Continuum of Care Program NOFA is released, the Collaborative Applicant will coordinate and carry out the activities needed to successfully submit a Consolidated Application on behalf of the CoC.
 - b. Tasks required for project review in preparation for NOFA submission include the following:
 - i. Prior to the NOFA release, the Collaborative Applicant will develop a draft timeline for the NOFA process and design scoring tools and any corresponding local application materials to assist in the review and ranking of renewal and new project applicants. Review and ranking materials will take into consideration both local and HUD priorities.
 - ii. Scoring tools and the draft timeline will be reviewed by the Performance and Evaluation Committee and recommended to the CoC Board for approval.
 - iii. Upon publication of the NOFA, the Collaborative Applicant will schedule and publicize a date and time for a Technical Assistance Workshop and finalize the timeline and priorities for the NOFA process.
 - iv. Applicants will participate in the Technical Assistance Workshop. At the workshop, the Collaborative Applicant will present an overview of the NOFA and the process for reviewing and ranking applications. The orientation will describe HUD application requirements, supplemental local application materials, the scoring tool, and applicable deadlines and dates. Applicants will also have an opportunity to ask questions. The CoC's NOFA timeline and application materials will be posted in the CoC webpage.
 - v. Applicants will complete and submit application materials by the established deadline.
 - vi. Late applications will not be accepted.

- vii. As an exception to Article IV.D.3.b.vi., applicants with significant extenuating circumstances may submit a petition to CoC staff for an extension. Extensions require the approval of the CoC Board, or the CoC Executive Committee if delegated the authority for this purpose by the Board. It is anticipated that exceptions will be granted in very rare circumstances, and not applied in situations where advance planning could have resulted in the application being submitted timely.
 - viii. Incomplete applications cannot be supplemented with more information or materials to reach a level of completeness, once submitted to the CoC for review and ranking, but must be completed prior to HUD submission, if selected for funding.
 - ix. A subcommittee of the Performance and Evaluation Committee is appointed by the CoC Board to review and rank project applications, as described in Article II, Section E. Subcommittee members receive and review application and scoring materials prior to the subcommittee meeting, in preparation to score each program's application.
 - x. The subcommittee of the Performance and Evaluation Committee meets to jointly discuss and critique each application and may interview applicants as part of the meeting. If applicant interviews are included in the review process, all applicants must have the opportunity for an interview. After discussion and any applicant interviews, subcommittee members individually score applications based on the scoring tools.
 - xi. A preliminary ranked list is created by the following procedures:
 - (a). A ranked list is prepared based on a composite of raw scores for each application.
 - (b). Applications that do not meet certain threshold requirements, as detailed on the scoring tool, will not be included on the ranked list.
 - (c). If the NOFA makes available bonus funds in a program area, the highest scoring eligible projects will be designated for bonus funding in those relevant program areas.
 - xii. The CoC's goals for priority funding are to promote high-performing projects in alignment with community and federal priorities. Scoring tools will reflect the community's implementation of local and federal priorities, as determined by the CoC Board.
 - xiii. Scores and subcommittee feedback on applications are sent to applicants, along with a reminder of the appeals process and deadline by the established deadline.
4. **REALLOCATION OF FUNDS.** HUD encourages CoCs to reallocate funds from projects with substandard performance to higher priority community needs that also align with HUD priorities and goals. Prior to the release of the NOFA, the Performance and Evaluation Committee facilitates a reallocation discussion, in consultation with the CoC Collaborative Committee and CoC Board. Scenarios for potential reallocation decisions, based on the CoC's gaps analysis and strategic plan, are provided to the Performance and Evaluation Subcommittee to consider during the ranking process. Final reallocation decisions are approved by the CoC Board.
5. **APPEALS.**
- a. **APPEALS COMMITTEE.** As described in Article II, Section E, appeals are considered by the Appeals Committee or Executive Committee, as designated by CoC Board. The Appeals Committee will be established only if an applicant requests an appeal.
 - b. **ELIGIBILITY TO APPEAL.** Eligible applicants have the opportunity to appeal both their scores and preliminary rankings prior to the ranked list being finalized and approved by the CoC Board.
 - i. The following applicants are eligible to appeal:
 - (a). An applicant that receives less funding than applied for;
 - (b). An applicant that is ranked below Tier 1;
 - (c). An applicant that is ranked in the bottom third of Tier 1;

- (d). An applicant that believes its score is not reflective of the application information provided;
or
- (e). An applicant that can describe bias or unfairness in the process that warrants the appeal.
- ii. Applicants that have not met the threshold requirements are not eligible to appeal.

c. APPEALS PROCESS

- i. Appeals must be received in writing with supporting documentation by the established deadline.
- ii. Notices of appeal must be based on the information submitted by the application deadline. No additional or new information will be considered.
- iii. The notice of appeal must include a written statement specifying in detail the grounds and rationale asserted for the appeal.
- iv. Valid appeals will be read, reviewed, and evaluated by the Appeals Committee, that will meet to consider and deliberate appeals, based on the applicant's appeal statement and the application materials that the applicant originally submitted to the CoC.
- v. The Appeals Committee will make modifications to the preliminary list, based on the results of the appeals process. Appeals Committee decisions must be supported by a 2/3 majority vote.
- vi. The appealing agency will receive a written decision of the Appeals Committee within two (2) business days of the Appeals Committee meeting.
- vii. Appeals Committee decisions result in the final prioritized list submitted for approval to the CoC Board.

6. FINAL PRIORITIZED LIST OF APPLICATIONS

- a. A final ranked project list is submitted to the CoC Board for review and approval after appeals have been determined and the Appeals Committee has made any modifications to the preliminary prioritized list. Board members with a conflict of interest must recuse themselves from all related discussions and abstain from voting on the final priority list. As stated in Article II, Section A, and Article III, Board members with conflicts of interest are subject to removal from the Board.
- b. The Collaborative Applicant submits the CoC's approved Consolidated Application to HUD prior to the HUD NOFA deadline.
- c. Conditional award funding is typically based upon the prioritized list of Project Applicants that is submitted; however, actual awards and award amounts are determined by HUD.

ARTICLE V. CHARTER AMENDMENTS

- 1. **PROCESS.** This governance charter may be amended at any CoC Board meeting by a 2/3 majority vote of the appointed, voting Board membership. Copies of proposed amendments will be available for review at least one week prior to the Board meeting at which the proposed amendments are considered. The Board will seek prior review and recommendation by the CoC Collaborative Committee of any amendments to the charter, unless circumstances require an immediate change. In the latter situation, CoC staff will provide an explanation of the circumstances and provide opportunity for comments and input prior to and as part of the Board meeting.
- 2. **FREQUENCY OF REVIEW.** The CoC Collaborative Committee and Board will review this charter annually.
