9/10/21	I was going over the NOFO again and just had a quick question about the amount of funds available. In the meeting yesterday it was put out that there was \$83,000 in DV funds available. Are there any other funds available out of the \$2,656,000,000 from the Youth Homeless Demonstration Program that can be applied for to build or acquire housing for homeless mothers with children?	TA Workshop slides #11 and #42 (identical slides) show the estimates for local funding. \$1,016,054 is available for renewal projects; \$83,292 is available for new projects to address local priorities; and \$162,479 is available for new projects for domestic violence (DV) survivors.							x
		The federal NOFO includes two (2) program areas: one is the Continuum of Care Competition, and the other is the Noncompetitive Award of Youth Homeless Demonstration Program (YHDP) Renewal and Replacement Grants. Since our area does not have a current YHDP grant, we are not eligible for those funds. Nationwide, the amount for both program areas totals approximately \$2,656,000,000.							
9/10/21	As we are finalizing our new project application idea, I have a few questions. Are you available for a 10-15 minute phone call in the coming days?	Staff and members of the Review and Ranking Subcommittee and the board are not allowed to advise any potential applicant. However, you can put your questions in writing (email to calvin.jan@yahoo.com). The question and the answer will be posted on the MWVHA website.			x		x
