

## Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Additional training resources can be found on the HUD.gov at [https://www.hud.gov/program\\_offices/comm\\_planning/coc](https://www.hud.gov/program_offices/comm_planning/coc).
- Questions regarding the FY 2022 CoC Program Competition process must be submitted to [CoCNOFO@hud.gov](mailto:CoCNOFO@hud.gov).
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile) must be submitted to [e-snaps@hud.gov](mailto:e-snaps@hud.gov).
- Project applicants are required to have a Unique Entity Identifier (UEI) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2022 Continuum of Care (CoC) Program Competition. For more information see FY 2022 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2022 CoC Program NOFO.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2021 Project Application will be imported into the FY 2022 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2022 CoC Program Competition NOFA.

## Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the “Submit Without Changes” process.

In general, HUD expects a project’s proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

The data from previously submitted new and renewal project applications can be imported into a FY 2022 renewal project application. The “Submit without Changes” process is not applicable for:

- first time renewing project applications
- a project application that did not import last FY 2021 information
- a project that had Issues or Conditions that were addressed in FY 2021 Post-Award and updates need to be reflected in the FY 2022 project application
- a project that had amendments approved in FY 2020 or FY 2021 that need to be reflected in the FY 2022 project application

e-snaps will automatically be set to “Make Changes” and all questions on each screen must be updated.

The e-snaps screens that remain “open” for required annual updates and do not affect applicants’ ability to select “Submit without Changes” are:

- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6D. Sources of Match
- All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in “Read-Only” format and should be reviewed for accuracy; including any updates that were made to the 2021 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select “Submit Without Changes” in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: “Submission Without Changes” Screen, select “Make Changes”, and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click “Save” and those screens will be available for edit. Once a project applicant selects a checkbox and clicks “Save”, the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions found on the left side menu of e-snaps or hud.gov to find more in depth information about applying under the FY 2022 CoC Competition.

  - b. Consolidations will ONLY submit individual renewal project applications, identifying the renewal application that will survive, and the renewal applications that will terminate. Up to 10 grants may be included in a consolidation.
2. HUD HQ will combine the budget data (e.g., units, budgets) for Expansion or Consolidation requests from the individual project applications selected for conditional award and provide a data report with further instructions for the field office and conditional recipient.

## 3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

CHS DV Housing and Services project works to end homelessness for individuals and families fleeing domestic violence, sexual assault, and stalking in Marion and Polk counties. CHS has been providing comprehensive services to survivors since 1973. We provide a 24-hour Bilingual crisis line, safe shelter, case management, support groups, referrals, community education and more. CHS had more than 39,000 contacts to our program last year.

DV is one of the leading causes of homelessness for women and children in the US. In the most recent assessment of those experiencing homelessness in our region, 4,300 individuals were counted, 44% of adults reported a history of domestic violence, and 30% of those were fleeing domestic violence at the time of their assessment. (The Homeless Services Delivery System for the Marion-Polk Region Gaps Analysis, August 2022 by the Mid-Willamette Valley Homeless Alliance.)

A recent review of local HMIS data show that more than 400 individuals currently seeking homelessness services in our region are actively fleeing an abusive situation. In addition, CHS Housing Advocates conducted 141 housing assessments on individuals fleeing domestic violence this last year. (These are unduplicated from the individuals in HMIS.) Ninety of those households were eligible for RRH based on their VI-SPDAT score. In addition to 35 households referred by ARCHES (the Coordinated Entry management entity for the CoC). The total was 125 HH's assessed as fleeing DV and prioritized for RRH placement on the Confidential Interest List during the reporting period.

This PH-RRH project will serve 8 households (24 individuals) using scattered-site housing through Marion and Polk Counties.

Project outcomes will include:

- 90% of survivors will report an increase in their sense of safety
- Maximum average days from project entry to residential move-in will be 60 days or less
- Minimum of 60% successful exits from RRH
- Maximum 5% return to homelessness within 6 months of exit to PH
- Maximum 2% return to homelessness within 12 months of exit to PH
- Minimum 1% of participants with new or increased earned income for stayers and leavers
- Minimum 25% of participants with new or increased non-employment income for stayers and leavers

CHS Housing Advocates use the Housing First approach to quickly move victims from crisis and homelessness into supportive services, housing, and ultimately long-term safety and stability. The project is survivor-focused and driven. Case management is centered on building self-reliance and long-term stability. Survivors select their level of involvement in case management and follow-up services. Each participant has the opportunity to develop an Action Plan based on their safety concerns, needs, and strengths and address any barriers in gaining and maintaining housing. Housing must meet an HSQ inspection, habitability standards, and have reasonable rent/costs in comparison to other housing in the area. Affordable and safe housing increases the survivor's sense of safety, well-being and long-term stability.

CHS collaborates with community partners to identify and support survivors and create a "No Wrong Door" approach to services. CHS developed the DV-

specific Coordinated Entry System protocols currently used for the Marion/Polk region. We are a specialized access point for CE assessments through the CoC and will continue to maintain the DV Shared Confidential Interest List.

**Project #195787 (DV RRH Renewal)**

<u>Position</u>	<u>Rate*</u>	<u>Hours</u>	<u>Total</u>
Housing Advocate (.42 FTE)	33.65	892	30,000
Housing Supervisor (.23 FTE)	40.38	472	<u>19,022</u>
*hourly rate including salary & benefits	Value of Match		<u><u>\$ 49,022</u></u>

*Formerly Mid-Valley Women's Crisis Service*

The Center for Hope & Safety (CHS) will provide the DV Housing & Services Project a total contribution of \$49,022 in matching funds for the January 1, 2024 through December 31, 2024 grant year. CHS will use these matching funds to provide salary and benefits of a dedicated Housing Advocate and Housing Supervisor time noted above.

CHS plans to use Oregon Domestic and Sexual Violence Services (ODSVS) and Survivor Housing Funds to finance the match. Both funding streams come from the State General Fund. CHS has received OSDVS funds for decades, and we know that the Survivor Housing Funds have been renewed, but we do not yet have written contracts from our grant monitors at the Oregon Department of Justice, Crime Victims and Survivors Services Division. If for any reason we do not receive enough funding to cover the match, CHS will use private, undesignated donations to cover the match amount.

The chart above calculates the estimated breakdown of hours and values. This staff member will support this housing project through HUD-approved activities, such as direct client services, program design, processing of housing payments, and reporting.

The Center for Hope & Safety is committed to making the DV Housing & Services Project a success and look forward to working with COC partners, nonprofits, community service and housing providers on a whole new level. We are grateful for the opportunity to apply to renew HUD COC DV Bonus Housing funds. Thank you.

Sincerely,

Jayne Downing, Executive Director
