

Before Starting the Project Listings for the CoC Priority Listing

The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the submission deadline stated in the Unsheltered and Rural Homelessness Special NOFO.

The CoC Priority Listing includes:

- Unsheltered Homelessness Set Aside New Project Listing – lists all new project applications applying for funding through the Unsheltered Homelessness Set Aside that were approved and ranked or rejected by the CoC.
- Rural Set Aside Project Listing – lists all new project applications applying for funding through the Rural Set Aside that were approved and ranked or rejected by the CoC.
- UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2022 CoC Program Registration process. Only 1 UFA Costs project application is permitted and must be submitted by the Collaborative Applicant. The UFA project must be ranked amongst projects submitted on the Unsheltered Homelessness Set Aside New Project Listing.
- CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and must be submitted by the Collaborative Applicant. The CoC Planning project must be ranked amongst projects submitted on the Unsheltered Homelessness Set Aside New Project Listing.
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- All projects must be approved and ranked or rejected on the Project Listings. This includes funding for CoC Planning and UFA Costs, which must be ranked amongst projects submitted on the Unsheltered Homelessness Set Aside New Project Listing.
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

WASHINGTON, DC 20510

October 6, 2022

Secretary Marcia L. Fudge
U.S. Department of Housing & Urban Development
451 7th Street SW
Washington, DC 20410

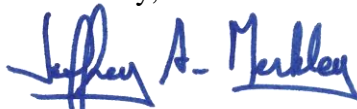

Dear Secretary Fudge:

I am writing to express my strong support for the Mid-Willamette Valley Homeless Alliance's request for funding through the U.S. Housing and Urban Development Continuum of Care Supplemental to Address Unsheltered and Rural Homelessness. The Alliance is requesting \$1,079,545 over three years to establish an on-the-ground outreach and "Care Team," which will provide direct support for an estimated 30 people experiencing chronic homelessness in Marion and Polk counties each year.

Over the past five years, the Alliance and local partners, including Church at the Park, have been working diligently to expand transitional and permanent supportive housing facilities and enhance social support services for unsheltered community members. This funding will provide additional on-the-ground outreach capacity to ensure that some of the most vulnerable and hardest to house community members are able to successfully access housing opportunities, social services, and healthcare resources by making direct connections and referrals to partner organizations. The Alliance and their partners have made great strides in expanding housing facilities and services throughout Marion and Polk counties and this funding will allow to them to continue to build upon their efforts.

I am pleased to support this application and request your full and fair consideration of this funding request. Should you have any questions, please contact Betsy Emery in my Salem, OR office at 503-362-8102.

Sincerely,

Jeffrey A. Merkley
United State Senator
