1. *Develop a Coordinated Entry System for youth that blends into the system for adults.*
2. *Expand street-level and other forms of community outreach to better engage youth experiencing or at risk of experiencing homelessness.*
3. *Establish a Host Home program that fits the needs in communities in the Marion-Polk region.*
4. *Improve local youth data, starting with the Point in Time (PIT) Count in January 2020.*
5. *Advocate for the use of and funding for evidence-based practices addressing youth homelessness.*
6. *Amplify and develop voices of youth & young adults with lived experience by creating opportunities to engage and cultivate leadership.*
