Listening Session

Closing

Welcome

Overview and Purpose

Holding the Vision:  
Informing Long-Term  
Statewide Planning

# Introductions

- OHCS/OEM
- Technical Assistance (TA) Team
- Who do you see here?
  - County, CoC Members, Local Emergency Management, Providers
- Who should be here but isn't?

# Projected Allocations & Metrics

Total Funding: \$130m

Formula updates

Alignment with EO 23-02 goals

Region-specific goals and  
outcomes

# Phase 1&2

## Phase 1: January-February

- Determine additional state funding opportunities for unsheltered homeless services
- Establish and begin managing MAC (multi-agency coordination) teams

## Phase 2: February-March

- Determine regional impact and needs
- Gather community priorities
- Project this year's progress and possibility
- Set goals and milestones
- Confirm draft regional plan

# Phases 3-5

## Phase 3: March-April

- Determine local capacity for approved plan
- Identify outstanding support and resource needs
- Develop local implementation plans

## Phase 4: April-December

- Monitor systems improvement
- Iterate on regional plan and strategies
- Support continuous quality improvement

## Phase 5: August-December

- Document lessons learned
- Determine regional impact for 2023 and 2024 needs
- Celebrate and build on successes for 2024 planning

# ALL IN Template & Planning Materials

## Template

- Guided Questions for Planning
- Impact Analysis
- Community Priorities
- Goal Setting/Strategies
- Milestones

## Planning Workbook

- Community Info
- Regional Partners
- Isolated PIT Data
- Disparities Analysis
- Current Investments and Services
- Funding Request

# Listening Session

What are the most significant challenges facing people experiencing unsheltered homelessness in your region?

What efforts are underway in your region to address these challenges?

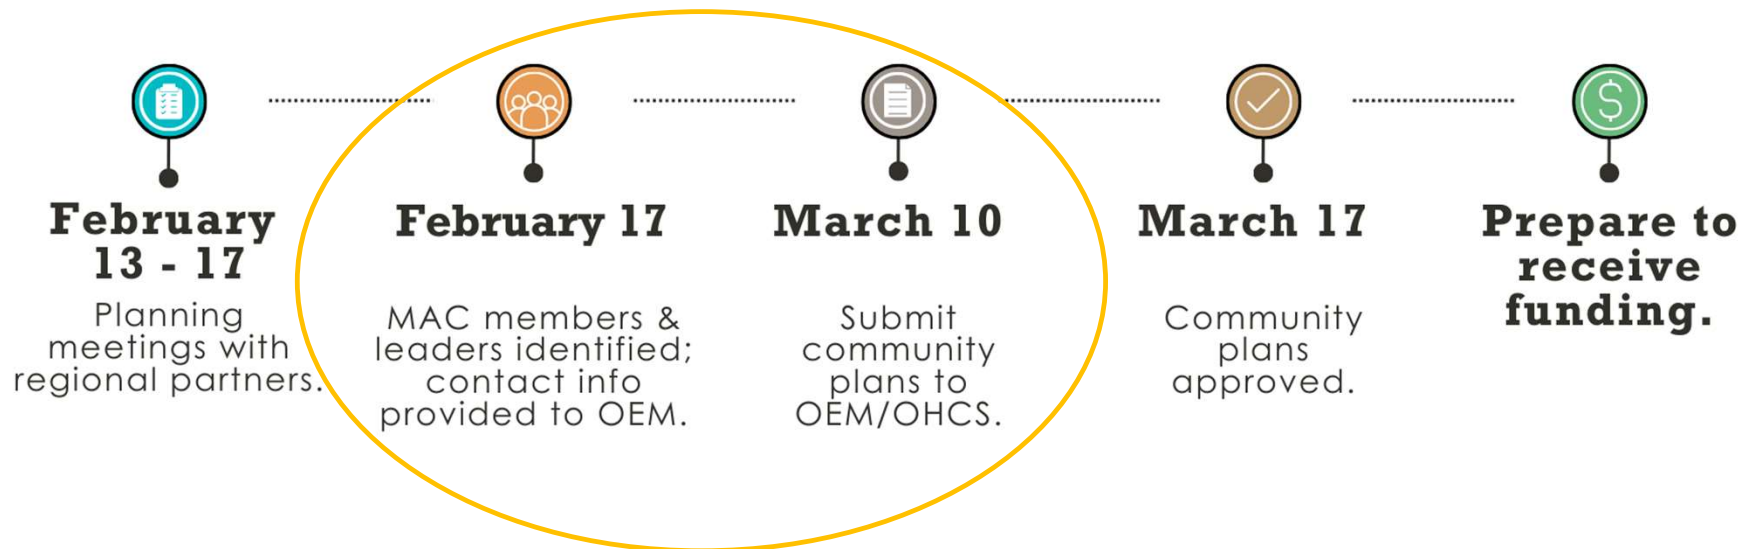

What challenges are not currently being addressed?

How should the state support your local efforts to increase connections to housing for people experiencing unsheltered homelessness?

Do you currently have procurement and contracting flexibilities?

Looking ahead, what must do differently to sustain our progress?

# Next Steps in the Timeline

# Questions or Technical Assistance?

## Email us with questions!

OHCS: [EO2302.questions@HCS.oregon.gov](mailto:EO2302.questions@HCS.oregon.gov)

OEM: [oem.recovery@oem.oregon.gov](mailto:oem.recovery@oem.oregon.gov)

## Reach out to request technical assistance for planning and/or implementation!
