SUBGRANTEE will not deny service to any eligible resident within the Marion-Polk region on the grounds of inability to pay.

4. Background and Definitions
The Parties acknowledge the following background related to this Agreement:

a. On January 10, 2023, Governor Kotek declared a homelessness state of emergency in response to the 80% rise in unsheltered homelessness in emergency areas since 2017. The Governor

directed state agencies to prioritize efforts to reduce homelessness and established a statewide housing production advisory council. Through the passage of House Bill 5019 (2023) by the Oregon Legislative Assembly, resources were delivered to local emergency response regional planning bodies, including Continuums of Care ("CoC") within the areas that were included within the emergency declaration as determined by Agency. CoCs were required to complete and submit for approval of a Community Plan that outlines the specific strategies and commitments to accomplish the goals ("the Plan"). Although CoCs will not be held to the specific goals and milestones within their Plan, it will still be used as a framework. Agency supported such communities in deploying these funds, including but not limited to support pursuant to this Agreement, in a coordinated effort to accomplish the following objectives:

i. Prevent homelessness for 8,750 households statewide;
ii. Increase shelter capacity, quality, and utilization in emergency areas by 600 beds; and
iii. Rehouse at least 1,200 households experiencing unsheltered homelessness in emergency areas.

OHCS deployed, and ORS 190 ENTITY received Grant Funds pursuant to a Homelessness Emergency Response Program designed to accomplish the above objectives (the "Program").

b. Additionally, OHCS has received and deployed to ORS 190 ENTITY funding from Senate Bill (SB) 5511 to continue to build upon the initial investments made from House Bill (HB) 5019 (2023) to ensure that shelters, outreach positions and other Program related functions continue to receive funding are. SB 5511 provides for continuity of operations by funding services related to the following aspects of the Plan:
    i. Operational costs of maintaining shelter beds created utilizing HB 5019 funding;
    ii. The Costs related to maintaining landlord engagement and supports; as well as services related to block leasing arrangements to help maintain unit access for people rehoused through HB 5019; and
    iii. Costs to maintain local service provider staffing related to outreach and navigation to shelter.

c. All references to "days" in this Agreement shall mean calendar days.

5. Culturally Diverse and Appropriate Services

The ORS 190 ENTITY and SUBGRANTEE commit to an intentional, data-driven approach to reduce disparities in housing and social service provisions. SUBGRANTEE will demonstrate, through its actions, an understanding and appreciation for diversity and difference in its clients and consumers. This will be demonstrated through the provision of equal access to services for all individuals. SUBGRANTEE will respect and value gender, language, race, developmental ability, and socioeconomic diversity in its clients, and will respect the client's right to privacy in such areas as religious faith, political beliefs, and sexual orientation. All individuals will be treated with dignity and respect regardless of gender, language, race, developmental ability, religion, political beliefs, sexual orientation, and socioeconomic level. All services provided will be culturally, developmentally, and gender appropriate to the individuals receiving the service and will respect the privacy of the client. The ORS 190 ENTITY reserves the right to review information regarding efforts to deliver services that benefit a diverse population.

6. Client Confidentiality
SUBGRANTEE shall protect and will require and cause its subcontractors and vendors to protect the confidentiality of all information concerning clients and other applicants for and recipients of services funded by this Contract. Neither SUBGRANTEE nor its subcontractors or vendors may release or disclose any such information except as necessary for the administration of the program funded under this Contract, as authorized in writing by the client, applicant, or recipient of such services, or as required by law. SUBGRANTEE, its subcontractors, and its vendors must appropriately secure all records and files to prevent access by unauthorized persons. SUBGRANTEE shall ensure and must require and cause its subcontractors and vendors to ensure that all its officers, employees, and agents are aware of and comply with this confidentiality requirement.

7. Reporting
SUBGRANTEE agrees to prepare and furnish all financial reports and program data reports required by the ORS 190 ENTITY, in a format prescribed by the ORS 190 ENTITY. All required reports must be submitted by email to the Grant Manager or designee by established due dates. If SUBGRANTEE fails to provide reports by established due dates, payment may be withheld.

At the discretion of OHCS, other reports may be required when deemed necessary to provide program utilization and performance information. SUBGRANTEE reporting to the ORS 190 ENTITY must occur timely, so that the ORS 190 ENTITY can meet the required deadline for reports to OHCS. Assistance with HMIS data entry and reporting may be found on the OHCS website at: https://www.oregon.gov/ohcs/Pages/best-practices-hmis.aspx and on the ORS 190 ENTITY website at: https://mwvhomelessalliance.org/committees/hmis-users-workgroup/

All activities conducted under this Contract must be Housing Focused. "Housing Focused" activities are defined as activities that seek to lower barriers for people experiencing homelessness or housing instability. Activities conducted under this Contract may not screen participants out solely on the basis of certain behavioral, psychological, physiological, citizenship or immigration status or economic preconditions. Housing Focused services must ensure that the safety and support of both staff and clients are paramount. This is accomplished through a focus on ensuring safety by managing behaviors that pose a risk to health and safety rather than implementing blanket exclusions based on a past diagnosis or current behavioral health symptoms that do not pose a direct risk to community safety. Furthermore, SUBGRANTEE must actively coordinate services and supports for helping people exit homelessness and make efforts to reduce the barriers to re-housing individuals and families in their community.

10. Consideration; Spending Expectations

a. The ORS 190 ENTITY has agreed to make a conditional award of funds to SUBGRANTEE in the not-to-exceed amount **$2,467,580** (the "Grant"). This Grant award provides that up to ten and a half percent (10.526487%) of program expenditures may be used for allowable SUBGRANTEE administrative costs.

SUBGRANTEE's obligation to perform the work as stated in Exhibit A, Scope of Work is conditioned upon the ORS 190 ENTITY receiving corresponding Grant funds available for reimbursement of such appropriate work costs.

e. SUBGRANTEE shall submit a monthly request for reimbursement to the ORS 190 ENTITY on a form approved by the ORS 190 ENTITY. Expenditures and Requests for Funds shall be supported by SUBGRANTEE with properly executed payroll and time records, invoices, contracts, vouchers, orders, canceled checks and/or any other accounting documents pertaining in whole or in part to the Contract in accordance with generally accepted accounting principles and applicable state and federal requirements, including as specified herein. The ORS 190 ENTITY may require such other information or clarification as it deems necessary or appropriate in its sole discretion.

f. SUBGRANTEE may request one advance payment to the ORS 190 ENTITY not to exceed 15% of the Grant award, and a second advance payment of an additional 10% of the Grant award upon demonstrating the initial advance will be fully expended within thirty (30) days. SUBGRANTEE will submit a request for payment advance on a form approved by the ORS 190 ENTITY. SUBGRANTEE will provide the Grant Manager or designee written authorization and detailed documentation of how the advance payment will be expended. SUBGRANTEE shall return to the ORS 190 ENTITY remaining advance funds that have not been spent within ninety (90) days of receipt unless another use of such funds is authorized in writing by the Grant Manager. This remedy is in addition to any other remedies available to the ORS 190 ENTITY under this Contract or otherwise.

g. SUBGRANTEE may request pre-payment to cover the cost invoiced for goods or services received by SUBGRANTEE. SUBGRANTEE will submit a request for pre-payment on a form approved by the ORS 190 ENTITY. SUBGRANTEE will provide the Grant Manager or designee documentation expenses to be covered by the pre-payment. Pre-payment of grant funds are at the ORS 190 ENTITY's sole discretion and will be made only for goods or services already received by SUBGRANTEE and due payment by SUBGRANTEE.

h. Requests for pre-payments and reimbursements, and questions related to fiscal matters and HMIS reporting, shall be directed to the Grant Manager or designee.

11. Nonexclusive Remedies Related to Funding.

a. Redistribution or Retention of Funds
