Before Starting the CoC Application

You must submit all three of the following parts in order for us to consider your Consolidated Application complete:

1. the CoC Application,
2. the CoC Priority Listing, and
3. all the CoC's project applications that were either approved and ranked, or rejected.

As the Collaborative Applicant, you are responsible for reviewing the following:

1. The FY 2026 CoC Program Competition Notice of Funding Opportunity (NOFO) for specific application and program requirements.
2. The FY 2026 CoC Application Detailed Instructions which provide additional information and guidance for completing the application.
3. All information provided to ensure it is correct and current.
4. Responses provided by project applicants in their Project Applications.
5. The application to ensure all documentation, including attachment are provided.

Your CoC Must Approve the Consolidated Application before You Submit It
- 24 CFR 578.9 requires you to compile and submit the CoC Consolidated Application for the FY 2026 CoC Program Competition on behalf of your CoC.
- 24 CFR 578.9(b) requires you to obtain approval from your CoC before you submit the Consolidated Application into e-snaps.

1B-2.	Open Invitation for New Members.	

Describe your CoC's transparent process (e.g., communicated to the public on the CoC's website) to invite new members to join the CoC at least annually.

(limit 2,500 characters)

In accordance with the CoC Governance Charter, the CoC Board publishes and disseminates an open invitation at least annually for individuals and organizations within the CoC geographic area to join the Collaborative Committee. CoC staff document recruitment efforts, and the Board identifies gaps in representation and conducts targeted outreach to encourage participation from the sectors identified in 24 CFR Part 578.

Participation is open to interested organizations and community members, including homeless and victim service providers, local governments, housing authorities, schools, health care organizations, businesses, advocates, faith-based organizations, organizations serving Veterans and youth, and people with lived experience of homelessness.

The Alliance also encourages participation by people currently or formerly experiencing homelessness and displacement, people with disabilities, and individuals from culturally specific and historically underrepresented communities.

Information about CoC participation, committees, meetings, governance, and opportunities for involvement is publicly available on the Alliance website. This public process provides community members and organizations with an ongoing opportunity to learn about the CoC and become involved in its work."

1B-3.	CoC's Strategy to Solicit and Consider Opinions on Preventing and Ending Homelessness.	

Describe your CoC's transparent process (e.g., communicated to the public on the CoC's website) to solicit and consider opinions regarding the CoC's general performance, strategies, and priority setting process from a broad array of individuals and organizations that have knowledge of homelessness or an interest in preventing or ending homelessness in the CoC's geographic area.

(limit 2,500 characters)

OR 504 hosts several committees such as our collaborative committee, Youth Action Board, Youth and Young Adult subcommittee, and others. These committees are comprised of various stakeholders, members with lived experience, local elected officials, and service providers from our region. Our board meetings follow Oregon public meeting law, and each gives opportunity for public opinion. We also attend meetings of committees held by local police departments with providers and community members regarding the state of homelessness in our regions. The work of OR 504 is largely based on feedback directly from our community and those that serve our community to ensure that we are serving the best interest of Marion and Polk counties.

1B-4.	Public Notification for Proposals from Organizations Not Previously Awarded CoC Program Funding.	

Describe your CoC's transparent process to accept and consider proposals from organizations that have not previously received CoC Program funding including faith-based organizations.

(limit 2,500 characters)

The Mid-Willamette Valley Homeless Alliance (MWVHA) conducted an open and transparent local competition that allowed proposals from organizations that had not previously received CoC Program funding, including faith-based organizations. The funding opportunity, application materials, requirements and deadlines were publicly posted on the Alliance website and the competition was open to all eligible organizations.
To ensure the opportunity reached organizations beyond existing CoC-funded providers, the Alliance distributed the funding announcement through a broad email network of known homeless service, housing and community-based organizations throughout Marion and Polk Counties. The opportunity was also promoted through the Alliance's social media channels and publicly available website. Outreach was not limited based on an organization's prior receipt of CoC funding or religious affiliation, and faith-based organizations were eligible to participate on the same basis as other eligible applicants.
All proposals received through the open competition were considered through the CoC's established local review and ranking process. Applications were evaluated using publicly available local competition requirements and scoring criteria. Organizations that had not previously received CoC Program funding were provided the same opportunity to submit proposals and compete for available funding as existing recipients.
The CoC received several proposals during this competition from organizations that had not previously received CoC Program funding, demonstrating that the public outreach reached organizations beyond existing CoC-funded recipients.

1B-5	Plan for Comprehensive Strategies for Reducing Homelessness.

Describe how your CoC will incorporate comprehensive strategies for reducing homelessness, including interventions in 42 U.S.C. 11386b(d) and other targeted projects for specific subpopulations, by providing a plan to address a gap in the CoC's current homelessness system.

(limit 2,500 characters)

"The CoC's June 2026 Environmental Scan identified gaps in coordination between homeless, housing, and health systems using local quantitative data and extensive stakeholder feedback. The assessment included 130 provider surveys, 114 lived-experience surveys, 24 stakeholder interviews, and six focus groups with 106 participants. Among providers making cross-sector referrals, 43% reported that clients are placed on waitlists without a clear timeline, 38% reported referrals without confirmation or updates, and only 7% reported immediate connection to services. The assessment also identified affordable housing, behavioral health needs, medical respite, rural access, and compounding barriers to service navigation as significant system gaps.
To address these gaps, the CoC will use the Environmental Scan to guide development and prioritization of comprehensive strategies based on community need, implementation readiness, available funding, and partnerships. Recommended strategies include standardized cross-system handoffs, strengthened navigation and coordination, landlord engagement and housing stability activities, medical respite, targeted outreach, and formal incorporation of lived experience into system planning. Together, these strategies are intended to strengthen access and continuity across relevant populations, including people with behavioral health and medical needs, youth, people experiencing unsheltered homelessness, and residents of rural communities.
For example, the recommended Regional Standard Handoff Protocol establishes measurable standards for referral coordination, including confirmation of receipt and client contact within 24–72 hours and seven-day follow-up. Its implementation framework calls for engaging 3–5 diverse health, homeless-service, and urban/rural partners by Month 2 and completing a 90-day evaluation. Performance measures include referral loop-closure rates, individuals lost to follow-up, referral processing time, and duplicative multi-agency intakes.
Funding sources available to support development and implementation include Willamette Health Council funding and existing MWVHA staff capacity, with sustainability and additional funding strategies identified as activities advanced through development and approval. The Health and Safety Committee provides oversight of pilot development and reviews milestones and outcome data to inform modifications, expansions, or continuations of strategies.
"

1B-5a	Confirmation of Plan Coverage.

Select 'Yes' or 'No' in the chart below to indicate whether your narrative in question 1B-5 addresses the following aspects of your plan to address a gap in the CoC's current homelessness system.	
1. Identifies the gap, using data or stakeholder feedback	Yes
2. The strategy to address the needs of all relevant subpopulations	Yes
3. Sets quantifiable performance measures	Yes
4. Identifies timelines for the completion of specific tasks	Yes
5. Identifies specific funding sources for planned activities	Yes

6. An individual or body responsible for overseeing implementation of specific strategies	Yes

1C. Coordination and Engagement

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants; and
- Frequently Asked Questions

1C-1.	**Treatment and Recovery Services—On-site Substance Use Treatment Availability.**	
	You must upload the List of TH/RRH/PSH Projects and Treatment Providers with On-Site Substance Use Treatment attachment to the 4A. Attachments Screen.	
	What percent of your TH/RRH/PSH projects have substance use treatment available on site?	13%

If you are a rural CoC, describe what substance use treatment is available in your CoC and how people you serve access those services.

(limit 2,500 characters)

13% of our TH/RRH/PSH projects are run by Sober living facilities. These host onsite recovery services in an official capacity. Some of these projects also run emergency shelter. Other facilities may offer these services as part of wraparound services, but not in an official capacity as these agencies do.

1C-1a. Treatment and Recovery Services—Outpatient Treatment for Mental Health and Substance Use Disorders.

Describe how your CoC partners with, or has projects that provide, outpatient treatment for mental health and substance use disorders with a range of appropriate levels of care, psychosocial interventions, medication management, suicide prevention, and recovery supports.

(limit 2,500 characters)

"OR-504 partners with a range of community providers to connect people experiencing homelessness with outpatient mental health and substance use disorder treatment, including different levels of care, psychosocial interventions, medication management, suicide prevention and recovery supports. Several projects within the CoC provide or coordinate on-site wraparound behavioral health and substance use services, reducing barriers to care for people experiencing homelessness.
One partner operates Youth and Young Adult transitional housing in addition to medical and behavioral health facilities. Through these resources and partnerships, youth and young adults can access housing alongside medical, mental health and substance use disorder services appropriate to their individual needs.
Another community partner began primarily as a substance use disorder treatment and recovery organization and has expanded its services to include emergency shelter and transitional housing. These projects provide sober living environments with on-site wraparound mental health, addiction and recovery supports. Other CoC housing and homeless service providers coordinate with behavioral health, health care and substance use treatment organizations to connect participants with services that cannot be provided directly within their programs.
OR-504 continues to develop partnerships with organizations providing behavioral health, substance use disorder treatment and recovery services and encourages integration of these services into housing and homelessness programs. The CoC also uses system and program outcomes to identify service gaps and inform future planning. OR-504 recognizes that access to appropriate behavioral health care, medication management, recovery supports and other person-centered services can strengthen housing stability, individual choice and self-efficacy and improve long-term outcomes for people experiencing homelessness."

1C-1b. Treatment and Recovery Services—Peer Support and Recovery Navigation.

Describe how your CoC partners with, or has projects that provide access to, peer recovery specialists or other forms of peer support and recovery navigation.

(limit 2,500 characters)

"OR-504 partners with outreach, behavioral health, recovery and housing providers to ensure people experiencing homelessness have access to peer recovery specialists, mentors and recovery navigation services. These partnerships help connect individuals to peer-based support throughout outreach, Coordinated Entry, housing and recovery.
The CoC partners with outreach programs, including a Law Enforcement Assisted Diversion (LEAD) program that provides street outreach, Coordinated Entry assessments and peer recovery services. Peer specialists support individuals within their own programs and partner with other community agencies to provide mentorship, recovery navigation and connections to health, behavioral health and substance use disorder treatment and recovery resources.
Housing and homeless service providers within OR-504 also maintain partnerships with Marion County and local health and human service organizations that provide peer recovery and substance use disorder services throughout the community. These relationships allow housing providers to connect participants with recovery supports even when those services are not available directly within the housing program.
OR-504 also incorporates recovery resources into its Coordinated Entry system. Coordinated Entry training encourages providers to identify appropriate community resources and make referrals to local peer recovery programs for individuals experiencing active substance use as well as those seeking to begin or maintain recovery. This approach supports participant choice and provides multiple pathways to recovery while helping individuals establish connections to ongoing community-based support."

1C-1c. Treatment and Recovery Services—Connecting Individuals Experiencing Serious Mental Illness with the Services Necessary to Promote Stability.

Describe how your CoC identifies individuals experiencing Serious Mental Illness and connects them with the services necessary to promote stability, such as Assertive Community Treatment teams and other models that combine intensive care coordination and assertive outreach with comprehensive treatment.

(limit 2,500 characters)

"OR-504 identifies individuals who may be experiencing Serious Mental Illness (SMI) at multiple points within the homelessness response system. The CoC's Coordinated Entry (CE) process uses a base assessment and VI-SPDAT, and project-level intake assessments include questions regarding mental health needs, functional limitations and whether those conditions affect a participant's ability to live independently. Case managers and outreach staff use this information and continued engagement to identify individuals who may benefit from behavioral health treatment and more intensive supports.

OR-504 partners with local behavioral health, medical and recovery providers to connect participants to appropriate services. Marion County Health & Human Services operates an Assertive Community Treatment (ACT) program for individuals with serious and persistent mental illness who need intensive community-based support. ACT services include psychiatric medication management, mental health and substance use treatment, nursing, peer support, life-skills assistance and intensive case management. Community providers may refer individuals to the program.

Case conferencing provides another mechanism for coordinating care. Providers use case conferencing to identify service needs, address barriers to housing stability and connect individuals with behavioral health, medical, recovery and other community supports.

Outreach programs, including Law Enforcement Assisted Diversion (LEAD) and specialized local law enforcement teams, also engage individuals with complex behavioral health needs. LEAD Navigators provide community-based engagement and connections to behavioral health and substance use treatment, recovery supports, housing and other services.

Together, CE assessment, outreach, case management, case conferencing and partnerships with specialized behavioral health providers create multiple pathways for identifying individuals experiencing SMI and connecting them to the level of treatment and ongoing support needed to promote health and housing stability."

1C-1d. Treatment and Recovery Services—Coordination with Providers in Connection with Drug or Other Specialty Courts.

Identify at least one partnership the CoC has with a provider or entity providing services in connection with Drug Courts and other specialty courts serving individuals with mental and substance use disorders, Assisted Outpatient Treatment (AOT) programs, and inpatient civil commitment.

(limit 500 characters)

OR-504 partners with organizations involved in Marion County's specialty court and diversion systems. Bridgeway Community Health provides treatment services for Marion County Adult Drug Court, alongside Marion County Mental Health, ODHS and other partners. The CoC also works with Northwest Human Services and Shangri-La to connect individuals with behavioral health, recovery, housing and supportive services.

Describe how your CoC coordinates with the provider or entity identified above to support housing stability and movement towards independence, including by leveraging court orders.

(limit 2,500 characters)

"OR-504 maintains strong coordination with Marion County LEAD and local treatment providers to support participants involved in specialty courts and other justice systems. Marion County LEAD is an active member of the OR-504 Board of Directors, representing lived experience, and participates in multiple CoC committees. This creates an ongoing connection between the CoC, outreach and recovery services, and the local justice system.
LEAD provides outreach and recovery navigation and can refer participants directly to Marion County Drug Court and other appropriate treatment and supportive services. This allows individuals encountered through outreach or the homelessness response system to be connected with court-supported treatment while also addressing housing, behavioral health, substance use and other barriers to stability.
OR-504 also partners with Bridgeway Community Health, which provides treatment services for Marion County Adult Drug Court. Through these overlapping partnerships, participants can be connected to substance use and mental health treatment, recovery supports, housing resources and other services necessary to meet individualized goals and court requirements.
CoC providers support participants through Coordinated Entry, housing navigation, case management and referrals to community resources. When participants have court-ordered treatment or other requirements, providers can coordinate housing and supportive services around those requirements, helping participants maintain engagement with treatment while addressing barriers that could otherwise contribute to homelessness or housing instability.
The involvement of LEAD within CoC governance and committees also allows information about service gaps, participant needs and barriers encountered by people involved in the justice system to inform broader CoC planning. This coordination helps OR-504 support both immediate housing stability and longer-term movement toward recovery, self-sufficiency and independence."

1C-1e. Treatment and Recovery Services—Partnership with Local Crisis System of Care.

Identify at least one partnership the CoC has with the local crisis system of care including 988 and crisis contact centers, mobile crisis and outreach services, and crisis stabilization services.

(limit 500 characters)

OR-504 partners with the Salem Police Department’s specialized homeless services team, which works alongside street outreach and emergency shelter providers to respond to individuals experiencing mental health crises. The team coordinates connections to crisis centers, emergency shelter, medical facilities and other appropriate services based on individual needs, providing a coordinated pathway from crisis response to care.

1C-1f.	Treatment and Recovery Services—Availability of Units for Persons Reporting Chronic Substance Use.	
	You must upload the List of CoC Program Projects and the Number of Units that require Substance Abuse Treatment attachment to the 4A. Attachments Screen.	

Identify the number of CoC Program-funded units that require program participant engagement in substance abuse treatment services as a condition of continued participation in the program in accordance with 24 CFR 578.75.	0

1C-1g.	Treatment and Recovery Services—24/7 Access to Detox, Residential, or Inpatient Treatment.	

Is there 24/7 access to detox, residential, and inpatient behavioral health treatment within the geographic area of your CoC?	Yes

1C-1h. Treatment and Recovery Services—Formal Partnership with Behavioral and Mental Health Facilities.

Identify at least one formal partnership the CoC has with a Certified Community Behavioral Health Clinic (CCBHC), Community Mental Health Center (CMHC), SAMHSA Projects for Assistance in Transition from Homelessness (PATH) provider, Grants for the Benefit of Homeless Individuals (GBHI) provider, or a similar facility if none of the above are located in the geographic area.

(limit 500 characters)

OR-504 partners with MWVCAA/ARCHES, a SAMHSA PATH provider offering outreach and connections to behavioral health, housing and supportive services for people experiencing homelessness. The CoC also partners with Marion County Health & Human Services Behavioral Health, the county's Community Mental Health Program, and Bridgeway Community Health to coordinate behavioral health, substance use treatment, housing and recovery supports.

1C-1i. Treatment and Recovery Services—Sober Housing Availability.

Identify at least one new or existing CoC Program-funded project that operates sober housing in accordance with 24 CFR 578.93(b)(5).

(limit 500 characters)

None are currently CoC funded, however we work closely with them and hope to fund in the future.

1C-1j. Treatment and Recovery Services—Warm Hand-Offs to Stable Housing Providers.

Describe how your CoC coordinates with the programs named in questions 1C-1a through 1C-1i to facilitate warm hand-offs to stable housing providers and prevent entry into homelessness.

(limit 2,500 characters)

"The CoC works with behavioral health, treatment and recovery, health care, corrections, youth, outreach, shelter, and housing partners to help connect people to housing and prevent them from entering homelessness. Coordinated Entry is one of the main ways these connections are made. Partners can connect individuals and families to Coordinated Entry for assessment, housing navigation, prevention resources, and referrals to housing programs.
When someone has more complex needs, providers also work together through case conferencing and direct coordination to identify available housing and services and address barriers that could prevent a successful placement. This includes coordination among homeless service providers, behavioral and physical health partners, outreach teams, shelters, housing providers, and other community partners. The CoC's Built for Zero work also uses case conferencing to coordinate services for Veterans and people experiencing chronic homelessness.
The CoC's Health & Safety Committee provides another connection between the health and homeless response systems. Its work includes improving coordination around discharge planning and transitions from hospitals, behavioral health settings, corrections"

1C-2.	Supportive Services Investment.	

	Number
1. Enter your CoC's FY 2026 Annual Renewal Demand (ARD).	$4,049,404
2. Of projects your CoC proposed to be funded in the FY 2026 CoC Program Competition, enter the total amount of funding for the supportive services budget line items.	$2,726,064
3. Percent of your CoC's FY 2026 ARD (from element 1 above) that is supportive services funding (from element 2 above).	67%
4. Enter the amount of funding, leverage, match, and funding commitment from other formal partnerships in supportive services for the projects included in your CoC's FY 2026 ARD.	$393,586
5. Percent of your CoC's FY 2026 ARD (from element 1 above) that is the supportive services funding in proposed projects (from element 2 above) plus the amount of funding, leverage, match, and funding commitment from other formal partnerships in supportive services (from element 4 above).	77%

1C-3.	Participation Requirements for Supportive Services.
	You must upload the Language from Project Supportive Service Agreements attachment to the 4A. Attachments Screen.

What percent of your housing projects (TH, PH-PSH, PH-RRH, and Joint projects) require program participants to take part in supportive services (e.g. case management, employment training, substance use disorder treatment) in line with 24 CFR 578.75(h)?	

You must provide a response in question 1C-3.

1C-4. Consulting with ESG Recipients.

Describe how your CoC has and will continue to consult with ESG recipients in the planning and allocation of ESG funds.

(limit 2,500 characters)

The CoC consults with ESG recipients throughout ESG planning and funding allocation. ESG recipients present proposed activities to the MWVHA Board for review and approval, including the populations served, services proposed and geographic coverage. For the 2025–2027 ESG period, the CoC reviewed and approved MWVCAA activities for day center services, HMIS/data support and Rapid Rehousing in Marion and Polk Counties. The CoC will continue consulting with ESG recipients on funding priorities, Coordinated Entry, written standards, performance targets and evaluation of ESG-funded activities to ensure ESG investments align with CoC-wide strategies and identified community needs.

1C-4a. Coordination with Emergency Shelter Providers.

Describe how your CoC coordinates with shelter providers to connect individuals and families with CoC assistance.

(limit 2,500 characters)

"OR 504 maintains ongoing coordination with ES providers to ensure that individuals and families experiencing homelessness are quickly connected to appropriate CoC assistance and community resources. Emergency shelters serve as key access points to our CE system and work with households to identify immediate needs, complete or update coordinated entry assessments, and facilitate referrals to appropriate housing and supportive services.

Shelter providers coordinate with the CoC and participating agencies through coordinated entry, case conferencing, referrals, and regular communication regarding available resources and household needs. Based on each household's circumstances, eligibility, and available resources, individuals and families may be connected to rapid rehousing, permanent supportive housing, transitional housing, homelessness prevention, mainstream benefits, behavioral health services, employment assistance, and other community-based supports.

The CoC supports timely connections by facilitating connections between shelter staff and housing/service providers, assisting households with applications and required documentation, and coordinating efforts to address barriers to housing. Shelter providers participate in CoC and coordinated entry activities to promote consistent referrals, reduce duplication of services, and support continuity of care.

This coordinated approach allows the CoC to use emergency shelter as an entry point to longer-term housing solutions, with the goal of minimizing the length of time households experience homelessness and helping individuals and families obtain and maintain permanent housing."

1C-5. Data Sharing to Inform the Homelessness Response System.

Describe how your CoC has or will share PIT, HIC, HMIS, and System Performance data with state and local government as permitted by law in order to inform the homelessness response system.

(limit 2,500 characters)

"OR-504 annually publishes aggregate Point-in-Time (PIT), Housing Inventory Count (HIC), System Performance Measures (SPM) and Longitudinal Systems Analysis (LSA) data on the CoC's website, making system-level homelessness information available to state and local governments and the public. The CoC also provides aggregate HMIS and demographic reports to cities, counties and other community partners upon request to support planning, identify service and geographic gaps, assess community needs and inform homelessness response strategies.
OR-504 shares only information permitted by applicable law, HUD requirements and HMIS privacy and security policies. Public and governmental reporting is provided in aggregate or de-identified form and does not disclose personally identifiable information (PII). HMIS participants are informed about how their information may be used, including for service coordination, community planning and improvement, administrative purposes and required federal reporting. Participating HMIS agencies are also required to maintain and post privacy notices and make them available to participants upon request.
The CoC will continue using PIT, HIC, HMIS and system performance data to help state and local government partners understand trends in homelessness, identify unmet needs and disparities, evaluate system performance and guide planning and resource allocation across Marion and Polk Counties."

1C-5a. Using Other Data Sources Alongside HMIS to Improve Care.

Describe how your CoC utilizes other data sources alongside HMIS to improve care (e.g., health care utilization and claims data, electronic health care record data; admission, discharge, and transfer data; and law enforcement and corrections system data).

(limit 2,500 characters)

"The CoC uses multiple community and health data sources alongside HMIS to identify service gaps, understand health and housing needs, and improve coordination of care across Marion and Polk counties. These sources include the Marion-Polk Community Health Assessment (CHA) and Community Health Improvement Plan (CHIP), hospital and health system data, Point-in-Time and Housing Inventory Count data, Coordinated Entry data, community needs assessments, and qualitative information from providers and people with lived experience.

The CoC's Health & Safety Committee brings together representatives from health systems, behavioral and physical health providers, homeless service providers, public safety, and people with lived experience. This cross-sector structure allows HMIS findings to be considered alongside information from health and other community systems when identifying gaps and developing system improvements.

The CoC is also conducting a Health, Housing, and Homeless Services Environmental Scan that brings together existing data from the CHA, CHIP, HMIS/Coordinated Entry, hospital and health system sources, previous gaps analyses, and community and provider input. The purpose of this work is to identify gaps between health, housing, and homeless services and develop strategies to improve coordination, referrals, and transitions between systems.

Together, these data sources provide a more complete picture than HMIS alone. The CoC uses this information to identify unmet needs, inform funding and program development, strengthen coordination between health and homeless service providers, and improve connections to housing and supportive services for people experiencing homelessness.Health systems, and community collaboration) "

1C-6. Employment and Workforce Development Partnership.

Identify at least one partnership the CoC has with employment and workforce development programs and organizations such as the Local Workforce Development Board, State Workforce Agency, American Job Center (also known as One-Stop Career Centers), registered apprenticeship program, community and technical college, union training program, adult education provider, or State Vocational Rehabilitation agency.

(limit 2,500 characters)

OR-504 partners with CoC service providers that connect individuals and families experiencing homelessness to employment, workforce development and training opportunities. Mid-Willamette Valley Community Action Agency (MWVCAA) operates workforce development programming in collaboration with Willamette Workforce Partnership, WorkSource Oregon and Chemeketa Community College. These partnerships provide access to employment navigation, workforce resources, skills training and credentialing opportunities, including paid welding training through Chemeketa Community College and referrals to WorkSource Oregon. Other CoC partners also incorporate employment and workforce development into services for people experiencing homelessness, including Church at the Park's low-barrier employment and workforce development programs and Northwest Human Services HOST's work-experience opportunities for young adults. These partnerships help connect people experiencing homelessness with employment, training and career pathways that support increased income, self-sufficiency and long-term housing stability.

1C-7. Street Outreach–Cooperation with First Responders and Law Enforcement.

Describe in the field below how your CoC's street outreach projects (including co-response) cooperate with first responders and law enforcement to increase positive interactions in order to increase housing and service engagement and promote use of CoC services.

(limit 2,500 characters)

"OR-504 street outreach providers coordinate with law enforcement, first responders and behavioral health partners to increase positive interactions with individuals experiencing unsheltered homelessness and connect them to housing, shelter and supportive services. Outreach teams work closely with programs including Marion County's Law Enforcement Assisted Diversion (LEAD) program and the Salem Police Department's Homeless Services Team. These partnerships create opportunities for outreach and public safety personnel to engage individuals, provide referrals and connect people to emergency shelter, behavioral health and substance use treatment, medical care and other community resources.

The CoC's community response network also includes the Rapid Engagement, Assessment & Community Health (REACH) Team, a partnership between Salem Fire and Marion County Health and Human Services. REACH pairs a paramedic and EMT with a behavioral health professional to respond to behavioral health crises, substance use concerns and other complex needs. The team provides on-scene assessment, stabilization, de-escalation and connections to appropriate community resources, including shelter, behavioral health and substance use services.

These coordinated approaches are especially important when engaging individuals living in encampments or other unsheltered locations. Outreach providers, specialized law enforcement teams and first responders work together to connect individuals with services and alternatives to unsheltered homelessness rather than relying solely on enforcement. This coordination helps build trust, reduce unnecessary emergency-system involvement and create additional opportunities for individuals to engage with Coordinated Entry, shelter, treatment, housing and other CoC services."

1C-8. Family or Support Network Reunification.

Describe how your CoC, or your recipients, assist with family or support-network reunification efforts for individuals experiencing homelessness or living in CoC Program-funded housing (e.g., case management, travel costs, arrangement of assistance in another geographic area).

(limit 2,500 characters)

"Reunification with family and other natural support networks is an important strategy within OR-504 when it is safe, appropriate and desired by the individual or family. CoC recipients incorporate family and support-network connections into case management and work with participants to identify relatives, friends and other natural supports who may provide safe housing, stability or ongoing support. When appropriate, providers assist with coordinating reunification, confirming safe placements and addressing barriers to reconnecting with supportive family or friends.
Providers may also use available flexible or discretionary resources to assist with transportation, including bus tickets, when an individual experiencing homelessness has identified a safe family or support-network placement within or outside the CoC's geographic area. Case managers can help coordinate the transition and connect participants with services and resources in the receiving community when needed.
OR-504 partners also participate in family preservation and reunification initiatives funded through the Oregon Department of Human Services (ODHS). One example is Keeping Families Together, operated in partnership with Mid-Willamette Valley Community Action Agency (MWVCAA). The program provides families involved with or at risk of recurring child welfare involvement with housing assistance and intensive, family-centered case management. Services include housing navigation, connections to community resources, parenting and family supports and assistance addressing barriers that affect long-term family and housing stability.
Through these approaches, the CoC and its partners support both immediate opportunities for safe reunification and longer-term efforts to strengthen family and natural support networks as part of achieving stable housing and self-sufficiency."

1C-9	**Partnering with Public Housing Agencies—Agreement to Enable Transition to HUD Assisted Housing.**		
	Does your CoC have an agreement with at least one public housing agency to enable participants to transition from Transitional Housing, Rapid Re-Housing, and Permanent Supportive Housing to HUD assisted housing?	Yes	

1C-10. Protecting Public Safety—Cooperation with Law Enforcement.

You must upload the Evidence of Coordination and Non-Interference with Local Efforts to Advance Protecting Public Safety attachment to the 4A. Attachments Screen.

Describe how your CoC cooperates and does not interfere with or impede local efforts to advance the objectives below, and assists first responders in providing services to homeless individuals.

(limit 2,500 characters)

"(OR-504) cooperates with local governments, law enforcement, first responders, health systems, behavioral health providers, and homeless service organizations to support lawful public-safety efforts while connecting people experiencing homelessness with shelter, treatment, housing, and supportive services. Public safety and health partners participate in the Alliance's governance and Health and Safety Committee, supporting ongoing coordination and identification of service gaps.
Jurisdictions within OR-504 have adopted regulations governing camping and use of public property, including Salem Revised Code 95.720. The CoC does not interfere with lawful local efforts to address encampments or maintain public spaces. When law enforcement and jurisdictions conduct encampment responses or closures, outreach and service providers accompany or coordinate with law enforcement to engage individuals and connect them to emergency shelter, Coordinated Entry, behavioral health and substance use treatment, healthcare, housing, and other resources.
The CoC also coordinates with efforts to address public illicit drug use. Marion County's Law Enforcement Assisted Diversion (LEAD) program provides a pathway for law enforcement and community partners to connect eligible individuals with Navigators and substance use treatment, behavioral health and recovery services, housing, and employment resources. CoC providers support these connections and continued engagement with services.
The CoC also works with first responders and behavioral health partners when individuals experience behavioral health crises or present a danger to themselves or others. The REACH Team, a partnership between Salem Fire and Marion County Health and Human Services, provides community-based response to behavioral health, substance use, and other complex needs. CoC providers do not impede lawful emergency or behavioral health interventions and assist with connections to crisis services, treatment, shelter, and housing.
For individuals subject to sex offender registration requirements, the CoC and its providers do not interfere with applicable registration and notification requirements and support participants in maintaining compliance while protecting HMIS information consistent with HUD privacy requirements and applicable law."

1C-10a. Protecting Public Safety—Plan to Quickly Clear Tents and Encampments.

Identify local laws, policies, or other practices that help or hinder the CoC's ability to quickly clear tents and encampments on public property and connect individuals who are camping in public with appropriate services and provide a plan explaining how the CoC will leverage beneficial policies while overcoming the harmful effects of restrictive ones. If you cannot provide any mitigating steps, please explain why.

(limit 2,500 characters)

"Local laws and practices within OR-504 both support public-space management and establish requirements for how encampment removals occur. Salem Revised Code 95.720 regulates camping on public property, including restrictions in parks, residential zones, near shelters and other designated areas, while preserving required pedestrian access. These provisions give local government and law enforcement tools to address unsafe or obstructive encampments and maintain public spaces.

Oregon law also requires municipalities and counties to maintain policies for the humane removal of individuals camping on public property. For established campsites, state law generally requires at least 72 hours' notice before removal and requires law enforcement to notify the local agency providing homeless services when notice is posted. The service agency may then arrange for outreach workers to visit the site and assist individuals with shelter and other services. While these notice and property-storage requirements can limit how quickly some encampments can be cleared, they also create an important opportunity for coordinated outreach before removal. State law provides exceptions to the notice requirement in circumstances involving certain illegal activity, hazardous materials, public health emergencies or other immediate dangers to life or safety.

OR-504 will leverage these requirements by strengthening coordination among jurisdictions, law enforcement, first responders, outreach teams and shelter and housing providers. When encampment notices are issued, service providers can accompany or coordinate with law enforcement to engage individuals before and during the response and connect them with emergency shelter, Coordinated Entry, behavioral health and substance use treatment, healthcare, housing and other appropriate resources.

The CoC will work to mitigate the disruptive effects of encampment closures by promoting advance communication with outreach providers, rapid service connections and continuity of case management when individuals relocate. Through this approach, OR-504 can support lawful efforts to maintain public spaces while using encampment responses as opportunities to increase engagement with shelter, treatment, housing and CoC services."

1C-10b. Protecting Public Safety—Current Status of Tents and Encampments.

Describe the current status of tents and encampments in the CoC’s geographic area.

(limit 2,500 characters)

As stated in 1C-10a, Local geography makes identifying and removing these encampments more difficult, however many of our large encampments have been identified and one in particular has been mostly removed. In one park, there were once over 200 unhoused inhabitants. It is believed to be down to less than 30 with ongoing efforts removing more individuals while connecting them with resources. Other Park encampments have been completely removed from Oregon Department of Transportation properties, as well as parks within city limits, these are ongoing efforts that will continue. These efforts are being done in ways that negate the transfer from one site to another by making these service connections whenever possible, rather than just sweeping camps and having them simply move to another location. We are seeing decreases in overnight camping within our cities.

1C-10c. Protecting Public Safety—Plan to Decrease the Public Use of Illicit Drugs.

Identify local laws, policies, or other practices that help or hinder the CoC's ability to decrease the public use of illicit drugs and quickly connect individuals who are using illicit drug in public with appropriate services and/or law enforcement and provide a plan explaining how the CoC will leverage beneficial policies while overcoming the harmful effects of restrictive ones. If you cannot provide any mitigating steps, please explain why.

(limit 2,500 characters)

"Oregon HB 4002 established a drug enforcement misdemeanor for possession of controlled substances while also supporting behavioral health deflection programs that provide opportunities to connect individuals to treatment and recovery services rather than relying solely on criminal justice intervention. Marion County LEAD builds on this approach by allowing public safety officers and community partners to refer eligible individuals to Navigators who connect them with substance use treatment, behavioral health, recovery, housing and employment resources.
The REACH Team, a partnership between Salem Fire and Marion County Health and Human Services, provides another pathway for responding to individuals experiencing substance use, behavioral health and other complex needs. REACH can provide field assessment, stabilization and connections to appropriate treatment and community services. Local street outreach and homeless service providers also work with individuals experiencing homelessness to connect them with behavioral health, substance use treatment, recovery services, shelter, Coordinated Entry and housing resources.
These policies and practices benefit OR-504 by creating alternatives and service pathways when individuals using illicit drugs in public encounter law enforcement or first responders. Barriers remain when individuals are not eligible for a specific deflection program, decline services or when treatment and behavioral health capacity limits immediate placement.
OR-504 will mitigate these barriers by strengthening coordination and referral pathways among law enforcement, first responders, LEAD, REACH, outreach providers, behavioral health and treatment providers and the homelessness response system. The CoC will support warm handoffs to appropriate services when an individual is not eligible for a particular program and will use its Health and Safety Committee and community partnerships to identify service gaps and improve coordination. These strategies allow OR-504 to support local efforts to decrease public illicit drug use while increasing opportunities for individuals to engage in treatment, recovery, shelter and housing services."

1C-10d. Protecting Public Safety—Current Status of Overdoses and Illicit Drug Use in Public Spaces.

Describe the current status of overdoses and illicit drug use in public spaces in the CoC's geographic area.

(limit 2,500 characters)

"Illicit drug use and overdose remain significant concerns within OR-504 and across Oregon, although recent data show improvement in overdose deaths statewide. Preliminary Oregon Health Authority data indicate approximately 1,100 overdose deaths occurred statewide in 2025, compared with 1,544 in 2024 and 1,833 in 2023. Despite this decline, fentanyl, methamphetamine and polysubstance use continue to present significant public health and safety concerns.

Oregon's response has also changed following HB 4002, which established a drug enforcement misdemeanor for unlawful possession of controlled substances beginning September 1, 2024 while creating and supporting behavioral health deflection pathways. Within OR-504, public drug use and related behavioral health crises continue to require coordinated responses from law enforcement, first responders, behavioral health providers and homeless service organizations.

Local efforts include Marion County LEAD, the Salem Police Department's Homeless Services Team and the REACH Team, which provide opportunities to connect individuals encountered in public spaces with substance use treatment, behavioral health and recovery services, shelter, housing and other resources. While overdoses and public illicit drug use continue to occur, OR-504 and its community partners continue working to reduce their impact through coordinated public safety responses, deflection, treatment and recovery connections and increased engagement with housing and supportive services."

1C-10e. Protecting Public Safety—Standards to Address Danger to Self or Others.

Identify local laws, policies, or other practices that help or hinder the CoC's ability to utilize standards that address homeless individuals who are a danger to themselves or others (e.g., involuntary commitment) and provide a plan explaining how the CoC will leverage beneficial policies while overcoming the harmful effects of restrictive ones. If you cannot provide any mitigating steps, please explain why.

(limit 2,500 characters)

"Oregon's established crisis intervention and civil commitment standards provide a framework for responding when an individual experiencing a mental health crisis presents a danger to themselves or others. Under ORS Chapter 426, peace officers and qualified health professionals may initiate emergency intervention when statutory criteria are met, with evaluation and judicial review required as part of the civil commitment process. A person may be civilly committed when a court finds by clear and convincing evidence that, because of a mental disorder, the person is dangerous to themselves or others or unable to provide for basic personal needs.
Regional law enforcement, first responders, outreach providers, behavioral health organizations and Community Mental Health Programs use these systems to connect individuals in crisis with appropriate intervention. Locally, the REACH Team provides an additional community-based response for individuals experiencing behavioral health, substance use and other complex needs and can connect individuals to appropriate crisis and behavioral health services.
A significant barrier is limited behavioral health and crisis-treatment capacity, including availability of facilities and qualified staff able to provide the appropriate level of care. These limitations can delay placement or reduce available options when an individual is experiencing a crisis.
OR-504 will mitigate these barriers by strengthening coordination among first responders, Marion County Health and Human Services, REACH, outreach teams, shelter providers and housing programs so individuals can be connected to the most appropriate available crisis, behavioral health and housing resources. When higher levels of care are unavailable or an individual does not meet the legal standard for involuntary intervention, providers will continue engagement through outreach, voluntary behavioral health and substance use services, shelter, Coordinated Entry and housing services as appropriate. The CoC will also use its Health and Safety Committee to identify behavioral health and crisis-response gaps and coordinate with community partners on strategies to improve access and continuity of care."

1C-10f. Protecting Public Safety—Share Information in Accordance with SORNA.

Identify local laws, policies, or other practices that help or hinder the CoC's ability to comprehensively share information, including location information, in accordance with the Sex Offender Registry and Notification Act (SORNA) and provide a plan explaining how the CoC will leverage beneficial policies while overcoming the harmful effects of restrictive ones. If you cannot provide any mitigating steps, please explain why.

(limit 2,500 characters)

"For individuals legally required to register under applicable sex offender registration laws, federal SORNA requirements and Oregon's sex offender registration system provide established mechanisms for collecting, maintaining and sharing required registration information, including applicable residence and location information. OR-504 supports participant compliance with applicable registration and reporting requirements and does not interfere with lawful registration, notification or information-sharing activities.
At the same time, HUD HMIS privacy and confidentiality requirements appropriately limit the circumstances in which participant-level HMIS information, including location information, may be disclosed. These protections can restrict the CoC's ability to independently share information contained in HMIS for purposes outside those authorized by law and HUD requirements. OR-504 will not use HMIS as a substitute for the sex offender registry or independently disclose protected participant information beyond what is legally authorized or required.
OR-504 will mitigate these limitations by relying on established federal, state and local sex offender registration and law enforcement systems for SORNA-related information sharing while ensuring CoC providers understand their responsibilities when a participant is subject to registration requirements. Providers can assist participants with maintaining required registration and residence or location updates and coordinate with appropriate authorities when legally authorized or required. The Alliance will maintain HMIS privacy protections while responding to lawful requests for information consistent with applicable law and HUD HMIS requirements.
This approach allows OR-504 to support SORNA compliance and lawful public-safety information sharing without creating a parallel registry or compromising the confidentiality protections applicable to individuals receiving homeless services."

1C-11. Outreach Strategy.

Describe your CoC’s strategy to outreach to all individuals and families experiencing homelessness across your geographic area.

(limit 2,500 characters)

"OR-504's outreach strategy uses coordinated street outreach, community partnerships and multiple access points to identify and engage individuals and families experiencing homelessness throughout Marion and Polk Counties. Mid-Willamette Valley Community Action Agency (MWVCAA) and Church at the Park operate Street Outreach programs within the CoC and have SSO-Street Outreach projects included in OR-504's FY2026 Priority Listing. These programs conduct outreach to people living in encampments, vehicles and other unsheltered locations and connect individuals to shelter, housing and supportive services.
Outreach providers work with and employ people with lived experience of homelessness, helping build trust and engage individuals who may be disconnected from traditional service systems. Teams coordinate with other homeless service providers, law enforcement, first responders and behavioral health partners, including the Salem Police Department's Homeless Services Team and Marion County LEAD. These partnerships create additional opportunities to identify and engage people experiencing homelessness and connect them with emergency shelter, Coordinated Entry, diversion, substance use and behavioral health treatment, healthcare and other appropriate services.
OR-504 also uses Coordinated Entry and its broader network of community providers to create multiple pathways into assistance for individuals and families who may not initially be reached through street outreach. Outreach and service providers coordinate referrals based on household needs and available resources, helping individuals move from initial engagement to shelter, housing and supportive services.
The CoC will continue strengthening coordination among MWVCAA, Church at the Park and other community partners to improve outreach coverage throughout Marion and Polk Counties, identify geographic and population-specific gaps and ensure people experiencing homelessness in both urban and rural communities have pathways to CoC assistance."

1C-12.	Collaboration Related to Children and Youth–Written Agreements with Early Childhood Services Providers.	

Select 'Yes' or 'No' in the chart below to indicate whether your CoC or HUD-funded projects in the CoC have written agreements with the listed providers of educational supports and services for children ages 0-5:

		Written Agreement
1.	Child Care (including Child Care and Development Fund)	No
2.	Early Childhood Providers	Yes
3.	Early Head Start	Yes
4.	Home Visiting Program (including Maternal, Infant and Early Childhood Home and Visiting or MIECHV)	Yes
5.	Head Start	Yes
6.	Healthy Start	No
7.	Public Pre-K	No
8.	Tribal Home Visiting Program	No
	Other (limit 150 characters)	
9.		

1C-12a.	Collaboration Related to Children and Youth–Formal Partnerships with Schools and Youth Education Providers.	

Select 'Yes' or 'No' in the chart below to indicate the youth education providers your CoC has a formal partnership with:

1.	McKinney-Vento Liaison(s) (including State Education Agency (SEA) or Local Education Agency (LEA))	Yes
2.	School District(s)	Yes
3.	General Education Development (GED) Program(s)	Yes
4.	Community College(s)	Yes
5.	Technical College(s)	No
6.	Other Post-Secondary Education Provider(s)	No

1C-12b.Collaboration Related to Children and Youth—Informing Individuals and Families who Become Homeless about Eligibility for Educational Services.

Describe your CoC's written policies and procedures to inform individuals and families who become homeless of their eligibility for educational services.

(limit 2,500 characters)

"OR-504's written policies and procedures are established in the Mid-Willamette Valley Homeless Alliance Governance Charter, which requires CoC-funded projects serving families with children or unaccompanied youth to maintain policies and practices consistent with federal laws governing educational services for children and youth experiencing homelessness.
The Governance Charter requires these projects to inform families with children and unaccompanied youth of their eligibility for educational services, including McKinney-Vento education services and other applicable educational programs. Providers must designate a staff person responsible for ensuring children and youth participating in their programs are enrolled in school and for supporting compliance with these requirements.
Individuals and families are also informed of their educational rights through posters displayed in facilities serving families and youth. These materials include information about the educational rights of children and youth experiencing homelessness and contact information for the local McKinney-Vento liaison. Providers must maintain documentation in participant case files demonstrating that these requirements have been completed and that applicants and participants understand their educational rights.
At the CoC level, the Governance Charter directs OR-504 to collaborate with school districts to identify families and youth experiencing homelessness and inform them of their eligibility for McKinney-Vento educational services. The CoC also provides educational materials to CoC-funded providers and other members, supports training on McKinney-Vento requirements and promotes practices that do not restrict the educational rights of children and youth experiencing homelessness.
These written requirements establish multiple methods for informing families and unaccompanied youth of their educational rights, including direct provider notification, designated staff support, posted educational-rights information and coordination with local school districts and McKinney-Vento liaisons."

1C-12c. Collaboration Related to Children and Youth—Coordination with Foster Care or Child Welfare Services.

Describe how your CoC coordinates with foster care or child welfare services to assist youth transitioning from public systems of care.

(limit 2,500 characters)

"Programs operated by the CoC's local Community Action Agency coordinate with ODHS to serve youth aging out of foster care as well as families currently involved with Child Welfare. CoC-funded and community programs provide housing-focused case management in coordination with the case management and services provided through ODHS. Youth and families may also be connected to Family Unification Program (FUP) and other housing resources when eligible, helping address immediate housing needs while participants work toward longer-term stability and self-sufficiency.
For transition-age youth, the CoC's youth homelessness response includes street outreach, emergency shelter, transitional housing and supportive services. Home Youth Services and other youth-serving programs provide young adults with individualized case management and connections to education, employment, behavioral health care, benefits, life-skills development and permanent housing resources.
CoC youth providers also coordinate referrals and transition planning so youth approaching adulthood can move between youth-serving programs and adult housing resources without unnecessary gaps in housing or services. This network allows ODHS, homeless service providers and community partners to coordinate around each youth's housing and supportive-service needs, with the goal of preventing youth exiting foster care or other public systems from entering homelessness."

1C-12d. Collaboration Related to Children and Youth—Coordination with Runaway and Homeless Youth (RHY)-funded Providers.

Describe how your CoC coordinates with RHY-funded providers including Street Outreach Programs, Basic Center Programs, Transitional Living Programs, and Maternity Group Homes where such providers exist.

(limit 2,500 characters)

Currently, OR-504 has Runaway and Homeless Youth (RHY) programs administered by the local Community Action Agency, Church at the Park and Northwest Human Services. These programs provide a range of youth-specific housing and services, including street outreach, emergency shelter, transitional housing and Transitional Living Programs (TLP).
The CoC does not currently have an HHS RHY-funded Maternity Group Home program. However, maternity housing resources are available within the region through local faith-based organizations. The CoC coordinates with youth-serving organizations and community partners to connect youth and young adults to appropriate housing and supportive services based on their individual circumstances and needs has RHY projects administered by our local Community Action Agency, Church at the Park, and NW Human Services. These include Street outreach, ES, TH, and TLP. There are no RHY funded Maternity homes, however those do exist in our region through local faith-based organizations. "

1C-13. Collaboration Related to Families with Children—TH or RRH Project Dedicated to Serving Families with Children.

Identify at least one Rapid Rehousing (RRH) or Transitional Housing (TH) project in the CoC that primarily or exclusively serves families with children experiencing homelessness in accordance with 24 CFR 578.93(b).

(limit 500 characters)

OR-504 has multiple Rapid Rehousing and Transitional Housing projects serving families with children experiencing homelessness. One example is Mid-Willamette Valley Community Action Agency’s Rapid Rehousing program, a longstanding CoC partner serving Marion and Polk Counties. The program helps families experiencing homelessness obtain and maintain permanent housing through housing assistance and supportive services.

1C-13a. Collaboration Related to Families with Children—Supportive Services to Improve Income to Pay Rent.

Describe how the project(s) identified in 1C-13 provides supportive services focused on improving incomes to pay rent, such as workforce development, job training, or registered apprenticeship programs.

(limit 2,500 characters)

"MWVCAA's Rapid Rehousing project combines time-limited rental assistance with housing-focused case management and supportive services designed to increase household income and prepare participants to independently sustain rent after financial assistance ends.
Each household develops an individualized housing stability and self-sufficiency plan that identifies employment, income and financial goals. Participants receive employment navigation, résumé development, job-search assistance, career exploration, interview preparation, financial literacy and referrals to vocational training and workforce development programs. Case managers also help participants access mainstream benefits and address barriers to employment, including transportation, childcare, behavioral health needs and limited employment history.
MWVCAA partners with WorkSource Oregon, Willamette Workforce Partnership, Chemeketa Community College, local employers, apprenticeship programs and other workforce organizations to connect participants with career coaching, skills training, apprenticeships, industry-recognized credentials and employment opportunities that can increase long-term earning potential.
The project pairs these income-building services with budgeting, tenant-readiness and financial capability supports. The goal is for households to progressively increase earned income and/or mainstream benefits so they can assume responsibility for their housing costs and maintain permanent housing after RRH rental assistance ends."

1C-13b. Collaboration Related to Families with Children—Leveraging Funding from Mainstream Family Service Systems.

Describe how the project(s) identified in 1C-13 leverages funding from mainstream family service systems, such as Temporary Assistance for Needy Families (TANF).

(limit 2,500 characters)

"MWVCAA's Rapid Rehousing project leverages the agency's broader network of federal, state and local family-service resources to supplement CoC-funded housing assistance. As the region's Community Action Agency, MWVCAA administers and coordinates multiple mainstream programs, including Temporary Assistance for Needy Families (TANF) and childcare assistance, and connects eligible households to SNAP, Medicaid and other public benefits. RRH case managers incorporate these resources into individualized housing stability and self-sufficiency plans, helping families access income, childcare, healthcare, transportation and other supports that address barriers to employment and housing stability. MWVCAA also coordinates with Oregon Department of Human Services and other community partners to connect families with additional services for which they are eligible. By leveraging these mainstream family-service systems alongside CoC rental assistance, MWVCAA can address needs that extend beyond housing assistance, increase household resources and reduce reliance on CoC-funded assistance as families move toward long-term housing stability.

1C-13c. Collaboration Related to Families with Children—Combining Housing Assistance with Parental Support.

Describe how the project(s) identified in 1C-13 combines housing assistance with childcare, parenting support, pregnancy-related and child healthcare, and education.

(limit 2,500 characters)

"MWVCAA's Rapid Rehousing project combines rental and housing assistance with individualized case management that connects families to services addressing the needs of both parents and children. Each household develops an individualized housing stability and self-sufficiency plan, allowing case managers to coordinate housing assistance with childcare, healthcare, education and other family supports based on the household's needs. Families are connected to childcare resources that can reduce barriers to employment, education and workforce participation. Case managers also connect participants to healthcare and behavioral health services and assist families in accessing mainstream benefits and community resources. Educational goals are incorporated into individualized service planning, with participants connected to educational institutions, vocational training and workforce development opportunities when appropriate.
As the region's Community Action Agency, MWVCAA is able to connect RRH families with its broader network of family and child services and with external community partners. This coordinated approach allows housing assistance to be paired with supports addressing childcare, parenting and family stability, healthcare needs, including pregnancy-related or child healthcare when needed, and educational advancement. These services help families address barriers that could otherwise jeopardize housing stability while supporting the long-term well-being and self-sufficiency of the entire household."

1C-14. Collaboration with Veteran Serving Organizations—Partnership with the U.S. Department of Veterans Affairs or Veteran Serving Organization.

Identify at least one partnership the CoC has with the Department of Veterans Affairs or other Veteran Serving Organizations.

(limit 500 characters)

Mid-Willamette Valley Homeless Alliance (The Alliance) OR-504 lead agency works directly with the VA to help maintain the Veteran By Name List (VBNL) and participate in case conferencing with the VA and providers receiving VA funding. These include our local Community Action Agency, Westcare Vetcare, and Easter Seals' SSVF projects. We also work with our local Veterans Service Organization (VSO) to assist with connecting Veterans to services.

1C-14a	Collaboration with Veteran Serving Organizations.	
	Select 'Yes' or 'No' in the chart below to indicate whether the partnership(s) identified in 1C-14 does the following:	

1.	Refers veterans identified by the CoC to VA or other Veteran Serving Organizations for assistance?	Yes
2.	Coordinates the provision of emergency shelter, supportive services, and housing for veterans?	Yes
3.	Ensures access to a full spectrum of employment and career pathway opportunities?	Yes
4.	Shares data with the Department of Veterans Affairs as appropriate?	Yes
5.	Identifies service gaps for veterans?	Yes
6.	Fills service gaps for veterans?	Yes

1C-15. Collaboration with Organizations who Address the Needs of Survivors of Domestic Violence, Dating Violence, Sexual Assault, and Stalking.

Identify at least one partnership your CoC has with victim service providers, state domestic violence coalitions, state sexual assault coalitions, anti-trafficking service providers or other organizations who help provide shelter, housing, and services to individuals and families of persons experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, and stalking.

(limit 500 characters)

OR-504 partners with Center for Hope & Safety in Marion County and Sable House in Polk County, both Victim Service Providers serving survivors of domestic violence, sexual assault, stalking and other forms of interpersonal violence. These partners provide confidential advocacy, safety planning, shelter and housing assistance and coordinate with the CoC and community providers to connect survivors with safe housing and supportive services.

1C-16. Collaboration with Justice System Re-entry Partners.

Identify at least one partnership your CoC has to prevent homelessness among people transitioning from prisons, jails, or court-ordered programs.

(limit 500 characters)

OR-504 partners with MWVCAA’s Community Action Re-Entry Services (CARS) to prevent homelessness among people transitioning from the justice system. CARS provides resource navigation, employment and education support, transportation, legal assistance, recovery and behavioral health connections, housing navigation and barrier removal.

1C-17. Collaboration with Partners to Address High Utilizers of Healthcare Systems.

Identify at least one partnership or project your CoC has to provide specialized supportive services for homeless individuals with a high level of medical needs.

(limit 500 characters)

OR-504 partners with MWVCAA's Shelter Care program to serve people experiencing homelessness with significant medical needs, providing shelter and supportive services that promote recovery and connection to ongoing healthcare. Yaquina Hall also provides housing set aside for people experiencing chronic homelessness and individuals with serious and persistent mental illness (SPMI), connecting residents to specialized behavioral health and supportive services.

1C-18. Collaboration with Partners to Address the Needs of Aging and Elderly Individuals Experiencing Homelessness.

Identify at least one partnership or project your CoC has to serve aging and elderly individuals experiencing homelessness, such as with a provider of residential care, assisted living, or medical respite services.

(limit 500 characters)

OR-504 partners with Church at the Park through Coral House Permanent Supportive Housing, which serves older adults with histories of chronic homelessness, disabling conditions and significant medical vulnerabilities. Residents receive permanent housing, intensive health systems navigation, coordinated primary and behavioral healthcare, chronic disease management, peer support and assistance accessing disability and aging-related benefits.

1C-19. Permanent Supportive Housing for Chronically Homeless Individuals and Families—Project that Prioritizes Individuals Experiencing Chronic Homelessness.

Identify at least one Rapid Rehousing (RRH) or Permanent Supportive Housing (PSH) project that prioritizes individuals experiencing chronic homelessness.

(limit 500 characters)

Redwood Crossings, Sequoia Crossings, Coral House and Yaquina Hall are Permanent Supportive Housing projects that prioritize individuals experiencing chronic homelessness. These projects provide permanent housing paired with supportive services for people with disabilities and significant barriers to housing stability, with the goal of supporting long-term housing retention.

1C-19a. Permanent Supportive Housing for Chronically Homeless Individuals and Families—On-site Behavioral Healthcare.

Describe how the project(s) identified in 1C-19 provides on-site behavioral healthcare.

(limit 2,500 characters)

"Redwood Crossings Permanent Supportive Housing provides access to on-site behavioral healthcare through a formal partnership among Salem Housing Authority, Mid-Willamette Valley Community Action Agency/ARCHES and Bridgeway Community Health. Bridgeway is a local behavioral health and substance use disorder treatment provider and provides on-site supportive services to Redwood Crossings residents, including services for walk-ins and self-referrals.
Bridgeway works directly with housing staff to coordinate care for residents with behavioral health and substance use needs. Services available through the partnership include substance use disorder treatment, behavioral health counseling, psychiatric services, medication management, peer recovery support and recovery coaching. Bridgeway also participates in care coordination meetings and on-site community activities that promote recovery and housing stability.
The partnership allows residents experiencing chronic homelessness to access behavioral healthcare where they live, reducing barriers such as transportation, difficulty navigating service systems and disengagement from traditional clinic-based services. Housing staff can make direct referrals to Bridgeway and coordinate with behavioral health providers when residents need additional support.
"

1C-19b. Permanent Supportive Housing for Chronically Homeless Individuals and Families—Assesses Need for Higher Level of Care.

Describe how the project(s) identified in 1C-19 has a policy for assessing program participant need for higher level of care (i.e., assisted living, residential treatment).

(limit 2,500 characters)

"Redwood Crossings Permanent Supportive Housing uses ongoing assessment and care coordination to identify when a participant may require a higher level of care. Upon enrollment, participants receive a comprehensive assessment addressing physical health, behavioral health, substance use, housing barriers and other service needs. Service needs are reassessed at least annually and as participant needs change.
MWVCAA/ARCHES case managers and health navigation staff work with healthcare and behavioral health providers to monitor participant needs and coordinate appropriate services. Through its formal partnership with Bridgeway Community Health, participants can access behavioral health and substance use assessments, treatment and care coordination. The project uses evidence-based assessment tools, including the American Society of Addiction Medicine (ASAM) Criteria or comparable tools, when appropriate to help determine the level of behavioral health or substance use care needed.
When assessments or changes in a participant's condition indicate that services available within PSH are no longer sufficient, staff coordinate with medical, behavioral health, insurance and community partners to identify and connect the participant with a more appropriate level of care. This may include residential treatment, higher-intensity behavioral healthcare, assisted living or other residential or medical settings based on the participant's assessed needs. Whenever possible, staff coordinate services and providers on-site to allow participants to remain successfully housed. If a transition is necessary, case managers assist with referrals, benefits and insurance coordination and connection to the receiving provider to support continuity of care and avoid a return to homelessness."

1C-19c. Permanent Supportive Housing for Chronically Homeless Individuals and Families—Assesses Readiness for Moving On.

Describe how the project(s) identified in 1C-19 has a policy for assessing program participant readiness for moving on to unsubsidized or other permanent housing.

(limit 2,500 characters)

"Redwood Crossings Permanent Supportive Housing primarily serves individuals experiencing chronic homelessness who have disabilities and significant barriers to housing stability. Because many residents require long-term supportive housing, moving to unsubsidized housing is not an expectation or condition of participation.
However, case managers regularly assess each participant's housing stability, income, health, functional needs and personal goals to determine whether another permanent housing option may be appropriate. Individualized service planning includes goals related to employment, income, education, health, recovery and community integration.
For residents who have the ability and desire to become more independent, staff assist with increasing earned and non-earned income through employment services and access to SSI, SSDI and other mainstream benefits. Participants may also receive financial literacy, budgeting, life-skills development and connections to workforce and community resources that increase their ability to maintain housing independently.
When a participant demonstrates sustained housing stability and has sufficient income and supports to maintain another permanent housing option, case managers work with the participant to explore appropriate move-on opportunities, including other subsidized permanent housing or unsubsidized housing when financially feasible. Readiness is determined individually and is based on the participant's needs, preferences, financial resources and ability to maintain housing rather than a predetermined length of stay.
This approach allows PSH resources to remain available to residents who continue to need intensive support while creating opportunities for participants who are ready and choose to transition to greater independence."

1D. Project Capacity, Review, and Ranking–Local Competition

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- Frequently Asked Questions

1D-1.	Project Review and Ranking Process Your CoC Used in Its Local Competition. We use the response to this question along with the required attachment as a factor when determining your CoC's eligibility for bonus funds and for other NOFO criteria below.	

You must upload the Local Competition Scoring Tool attachment to the 4A. Attachments Screen.
Select 'Yes' or 'No' in the chart below to indicate how your CoC reviewed, rated, and ranked project applications during your local competition:

1.	Established total points available for each project application type.	Yes
2.	At least 50 percent of the total available points were based on objective criteria to review, rate, and rank project applications.	Yes
3.	At least 25 percent of the total available points were based on system performance measures to review, select and rate project applications.	Yes
4.	Considered returns to homelessness in reviewing, rating, and ranking housing projects (TH, PH-PSH, PH-RRH).	Yes
5.	Considered employment income in reviewing, rating, and ranking housing projects (TH, PH-PSH, PH-RRH).	Yes
6.	Considered supportive service participation requirements in reviewing, rating, and ranking housing projects (TH, PH-PSH, PH-RRH).	Yes

1D-2.	New Proposals.	
	Does your CoC invite new proposals from entities that have not previously received funding, if such eligible entities exist?	Yes

1D-2a.	Web Posting of CoC-Approved Consolidated Application Before the CoC Program Competition Application Submission Deadline.	

	Enter the date your CoC posted all parts of the CoC-approved Consolidated Application on the CoC's website or partner's website–which included: 1. the CoC Application, and 2. Project Priority Listings.	09/30/2026

1D-2b.	Notification to Community Members and Key Stakeholders by Email that the CoC-Approved Consolidated Application is Posted on the Website.	

	Enter the date your CoC notified community members and key stakeholders that the CoC-approved Consolidated Application was posted on your CoC's website or partner's website.	07/29/2026

1D-2c.	Local Competition Selection Results for All Projects.	
	You must upload the Local Competition Selection Results attachment to the 4A. Attachments Screen.	

	Does your attachment include: 1. Project Names, 2. Project Scores, 3. Project Rank, 4. Project Status–Accepted, Rejected, Reduced Reallocated, Fully Reallocated, 5. Amount Requested from HUD, and 6. Reallocated Funds +/-.	Yes

1D-2d.	Projects Rejected/Reduced–Notification Outside of e-snaps.	

1.	Did your CoC reject or reduce any project application(s) submitted for funding during its local competition?	Yes
2.	If you selected 'Yes' for element 1 of this question, enter the date your CoC notified applicants that their project applications were being rejected or reduced, in writing, outside of e-snaps.	09/23/2026
3.	Did your CoC inform applicants why your CoC rejected or reduced their project application(s) submitted for funding during its local competition?	Yes

1D-2e.	Projects Accepted–Notification Outside of e-snaps.	

	Enter the date your CoC notified project applicants that their project applications were accepted and ranked on the New and Renewal Priority Listings in writing, outside of e-snaps.	09/23/2026

1D-3.	Reallocation–Reviewing Performance of Existing Projects.	

	Describe:
1.	your CoC's reallocation process to reallocate from lower performing projects to create new high performing projects, including how your CoC determined which projects are candidates for reallocation because they are low performing or less needed,
2.	whether your CoC identified any low performing or less needed projects through the process described in element 1 of this question during your CoC's local competition this year,
3.	whether your CoC reallocated any low performing or less needed projects during its local competition this year; and
4.	why your CoC did not reallocate low performing or less needed projects during its local competition this year, if applicable.

(limit 2,500 characters)

"The CoC's local competition evaluates renewal projects using objective scoring criteria that include project performance, compliance, system performance outcomes, utilization, financial performance and the continued need for the project within the CoC. Projects demonstrating lower performance or reduced community need may be considered for reallocation. The Review and Ranking Committee uses the results of this process to compare renewal and new projects and determine the most effective use of the CoC's available funding. During the FY2026 competition, the review process did not identify a renewal project as sufficiently low performing or less needed to warrant full reallocation. Renewal projects scored relatively close to one another based on their applications, performance and compliance. Additionally, the new project applications did not score high enough to support replacing an existing renewal project through full reallocation.
The CoC therefore did not fully reallocate a low-performing or less-needed renewal project during the FY2026 competition. Instead, funding reductions were applied based on a percentage of requested funding as necessary to remain within available funding.
The CoC also considered the continued system need for its existing projects. These projects provide essential components of the homelessness response system, including Coordinated Entry and supportive services that connect people experiencing homelessness to housing and services, Transitional Housing and Rapid Rehousing with supportive services and Permanent Supportive Housing for individuals with significant barriers to housing stability. Given project performance, relative scoring and continued community need, the CoC determined that eliminating an existing renewal project through reallocation would not strengthen the overall system."

1D-3a.	Reallocation Between FY 2021 and FY 2026.	

	Did your CoC cumulatively reallocate at least 20 percent of its ARD between FY 2021 and FY 2026?	Yes

2A. Homeless Management Information System (HMIS) and System Performance

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants; and
- Frequently Asked Questions

2A-1.	HMIS Vendor.	
	Not Scored–For Information Only	

	Enter the name of the HMIS Vendor your CoC is currently using.(limit 75 characters)	WellSky

2A-2.	HMIS Implementation Coverage Area.	
	Not Scored–For Information Only	

	Select from dropdown menu your CoC's HMIS coverage area.	Single CoC

2A-3.	PIT Count–Methodology Change.	

	Describe:
1.	any changes your CoC made to your unsheltered PIT count implementation, including methodology or data quality changes between 2025 and 2026, if applicable, and
2.	how the changes affected your CoC's PIT count results.

(limit 2,500 characters)

OR 504 did not complete an unsheltered PIT count for the year 2026. We did do one in 2025 and are currently preparing for the 2027 unsheltered count. Changes in methodology for this upcoming count include differences in breaking up regions in our reporting to better differentiate between City of Salem (state capitol), rural regions, and by counties. This will help in identifying needs and assisting the local governments with better informed planning. Since we did not do an unsheltered count in 2026, we will have to wait until 2027's PIT/HIC to see how well the changes affect our region. We will also note and use any positive changes to guide further growth and any hinderances to inform future changes.

2A-4. Reduce Encampments—Actions to Reduce Encampments.

Describe in the field below the actions your CoC took to reduce the number of encampments or the number of people residing in encampments during your evaluation period.

(limit 2,500 characters)

During the evaluation period, OR-504 CoC partners used a coordinated approach to reduce the number of people residing in encampments and connect individuals to shelter, housing and supportive services. Local street outreach teams, the Salem Police Department Homeless Services Team, Marion County LEAD and other community partners coordinated outreach and service connections at encampments located on Oregon Department of Transportation (ODOT) property, in local parks and in other public spaces. CoC partner agencies worked collaboratively to engage people residing in encampments, identify individual needs, make referrals to available services and address barriers to moving toward shelter and permanent housing. Partners routinely communicated regarding available shelter capacity and coordinated methods for helping individuals access shelter and other community supports. Outreach and partner agencies connected individuals to services such as case management, hygiene resources, behavioral health and substance use services, benefits and other resources based on individual needs.
The CoC also coordinated with local government, law enforcement, outreach providers and community partners when encampments were being addressed to support connections to available resources rather than relying solely on encampment removal activities.
During the evaluation period, coordinated efforts contributed to significant reductions in encampments in several locations, including downtown Salem near the Marion Parkade and the adjacent area along Liberty Road NE, Cascade Gateway Park and the Claggett Creek Natural Area. Ongoing outreach and coordination continue as partners work to reduce unsheltered homelessness and connect people living in encampments with shelter, housing and supportive services.

2A-4a.	Reduce Encampments—Number of Encampments.	

1. Enter the estimated number of encampments in the beginning of your evaluation period.	10
2. Enter the reduction in the number of encampments during your evaluation period.	5

2A-4b.	Reduce Encampments—Number of People in Encampments.	

1. Enter the estimated number of people in encampments in the beginning of your evaluation period.	700
2. Enter the reduction in the number of people in encampments during your evaluation period.	400

2A-4c.	Reduce Encampments—Plans to Reduce Encampments.

If there has been no reduction in encampments or persons in encampments in your CoC, describe the plans your CoC has to participate in efforts to reduce these numbers.

(limit 2,500 characters)

2A-5. Reducing the Number of First Time Homeless–CoC's Plan.

Describe your CoC's plan to decrease the number of individuals and families becoming homeless for the first time.

(limit 2,500 characters)

"OR-504's strategy to decrease first-time homelessness focuses on preventing housing loss before a household enters the homeless response system and providing diversion and stabilization resources when a housing crisis occurs. The CoC works with community providers that administer federal, state and local resources for homelessness prevention, rental assistance, eviction prevention, housing navigation, tenant education and supportive services throughout Marion and Polk Counties.
Providers work with households at risk of homelessness to identify the cause of the housing crisis and connect them with resources that can preserve existing housing or identify safe alternatives. Assistance may include rental and utility assistance, landlord engagement, benefits navigation, employment and income supports, behavioral health services and connections to other mainstream resources. Diversion strategies also help households identify safe alternatives to entering shelter, including family or natural support networks when appropriate.
OR-504 also coordinates with community systems that frequently encounter households before they become homeless, including schools, child welfare, behavioral health and healthcare providers, public agencies and community-based organizations. Coordinated referrals help connect households to available prevention and stabilization resources before their housing crisis results in homelessness.
The CoC will continue strengthening prevention and diversion partnerships, improving connections to mainstream benefits and income supports and using HMIS, Coordinated Entry and system performance data to identify populations and circumstances associated with first-time homelessness. OR-504 will use this information to identify gaps, improve referral pathways and target available prevention resources toward households at greatest risk of losing housing."

2A-6. Reducing Length of Time Homeless–CoC's Plan.

Describe your CoC's plan to reduce the length of time individuals and families remain homeless.

(limit 2,500 characters)

"OR-504 is working to reduce the length of time individuals and families remain homeless by strengthening its Coordinated Entry system, improving housing navigation and using system performance data to identify and address delays between enrollment, referral and permanent housing placement.
A key strategy is reviving regular case conferencing through Coordinated Entry. Case conferencing will bring providers together to review households experiencing homelessness, identify barriers delaying housing placement, coordinate available resources and establish actionable next steps toward permanent housing. OR-504 is also working to improve management of the By-Name List and increase the number of housing providers actively accepting referrals through Coordinated Entry.
The CoC is reviewing provider and system-level performance data to identify programs and practices associated with shorter lengths of time homeless. OR-504 will work with providers to understand successful housing practices and identify where administrative, documentation or service barriers are contributing to longer periods of homelessness. Effective practices can then be shared across the system.
Providers use housing navigators, landlord engagement and landlord relationships to expand access to available units and reduce the time required to locate and secure housing. Barrier-removal resources can also address obstacles such as identification and documentation, application fees, deposits, transportation and other housing-related needs that may delay placement. Tenant education and housing-focused case management further support households in obtaining and maintaining permanent housing.
OR-504 will continue monitoring System Performance Measure and Coordinated Entry data to identify trends in length of time homeless and areas where delays are occurring. Through revived case conferencing, stronger referral pathways, increased provider participation, barrier removal, landlord engagement and housing navigation, OR-504 will work to shorten the time between a household entering homelessness and successfully moving into permanent housing."

2A-7.	**Successful Permanent Housing Placement–Exits to Unsubsidized Housing.**	

Based on HMIS data, what percent of program participants exited from TH/RRH/PSH collectively to unsubsidized housing?	43.35%

Describe how you calculated the data for this response.

(limit 2,500 characters)

"The CoC meets OR-504 calculated this percentage using HMIS data for all active Transitional Housing (TH), Rapid Re-Housing (RRH) and Permanent Supportive Housing (PSH) projects during the October 2025 through September 2026 reporting period. A CoC APR was used to identify leavers and their destinations at project exit.
A total of 272 leavers were reported in APR Question 23c, Exit Destination – All Persons. Nine persons were excluded from the calculation in accordance with the APR specifications, resulting in a denominator of 263 participants.
Of the 263 participants included in the calculation, 114 exited to unsubsidized permanent housing, including:
• 27 staying or living with family, permanent tenure;
• 3 staying or living with friends, permanent tenure;
• 82 renting by the client with no ongoing housing subsidy; and
• 2 owning housing with no ongoing housing subsidy.
The percentage was calculated as 114 ÷ 263 = 43.35%. Therefore, 43.35% of participants exiting TH, RRH and PSH during the reporting period exited to unsubsidized permanent housing.the 20% exits to unsubsidized housing goal. The universe includes all active TH,RH, and PSH projects from October 2025 - September 2026. A CoC APR was utilized to generate the response. A total of 272 Leavers were included in Q23c - Exit Destination All Persons. 9 Persons were excluded from the calcuation due to APR specifications. 94 persons were exited to unsubsidized housing. 114/ 263 = 43.35% • 27 - Staying or living with family, permanent tenure;
• 3- Staying or living with friends, permanent tenure;
• 82- Rental by client, no ongoing housing subsidy; and
• 2 -Owned by client, no ongoing housing subsidy. An APR of ES/SH/TH/and RRH shows 35% exits to positive destinations. This is largely due to those participants landing in the ""other destinations"" category. 111 had no exit interview, 9 deceased, 17 ""Other"" and 32 ""doesn't know, prefers not to answer"". We are working on ensuring exit assessments are in place with all information needed in HMIS and training end users to make sure that exits are done properly and consistently. "

2A-8.	Housing Inventory Count (HIC) and Point-in-Time (PIT) Count Date.	

	Enter the date your CoC conducted its 2026 Housing Inventory Count (HIC) and Point-in-Time (PIT) count.	01/28/2026

2A-8a.	HIC and PIT Count Data–HDX 2.0 Submission Date.	

	Did your CoC submit its 2026 Housing Inventory Count (HIC) and Point-in-Time (PIT) count data in HDX 2.0 by April 30, 2026, 8:00 p.m. EDT?	Yes

2A-8b.	Longitudinal System Analysis (LSA) Data–HDX 2.0 Submission Date.	
	You must upload your CoC's FY 2026 HDX Competition Report to the 4A. Attachments Screen.	

Did your CoC submit at least two usable LSA data files to HUD in HDX 2.0 by January 16, 2026, 11:59 p.m. EST?	Yes

2A-8c.	System Performance Measures (SPM) Data–HDX 2.0 Submission Date.	

	Did your CoC submit its FY 2025 System Performance Measures data in HDX 2.0 by March 4, 2026, 8:00 p.m. EDT?	Yes

2A-9.	HMIS and Comparable Database Participation—Bed Coverage Rate.	

Using the FY 2026 HDX Competition Report we issued your CoC, enter data in the chart below by project type:

Project Type	Adjusted Total Year-Round, Current Non-VSP Beds	Adjusted Total Year-Round, Current VSP Beds	Total Year-Round, Current, HMIS Beds and VSP Beds in an HMIS Comparable Database	HMIS and Comparable Database Coverage Rate
1. Emergency Shelter (ES) beds	827	130	769	80.36%
2. Safe Haven (SH) beds	25	0	25	100.00%
3. Transitional Housing (TH) beds	300	0	163	54.33%
4. Rapid Re-Housing (RRH) beds	205	145	350	100.00%
5. Permanent Supportive Housing (PSH) beds	71	0	71	100.00%
6. Other Permanent Housing (OPH) beds	357	0	246	68.91%

2A-9a.	Partial Credit for Bed Coverage Rates of 84.99 Percent or Lower for Any Project Type in Question 2A-9.	

	For each project type with a bed coverage rate that is 84.99 percent or lower in question 2A-9, describe:
1.	steps your CoC will take over the next 12 months to increase the bed coverage rate to at least 85 percent for that project type, and
2.	how your CoC will implement the steps described to increase bed coverage to at least 85 percent.

(limit 2,500 characters)

OR 504 will work to increase the bed coverage by working to remedy barriers to entry into HMIS. OR-504 will focus on increasing HMIS participation among providers whose beds are currently outside HMIS. Over the next 12 months, the CoC and HMIS Lead will conduct targeted outreach to nonparticipating providers, provide HMIS demonstrations and training on HMIS requirements, benefits and workflows, and provide individualized technical assistance to address barriers to participation. The CoC will specifically work with a large mission currently using Mission Tracker to determine whether the organization can transition to HMIS or whether an appropriate data integration or import solution is feasible. OR-504 will also work with the local Housing Authority and its Community Action Agency partner to determine whether their current project structure and HMIS reporting can be modified so that participating households and associated bed inventory are appropriately represented in HMIS. The CoC will monitor bed coverage throughout the year and prioritize technical assistance to project types remaining below the 85 percent threshold.
"The CoC will begin with direct engagement of providers responsible for the largest gaps in HMIS bed coverage. The large mission currently using Mission Tracker has new leadership, creating an opportunity for the CoC and HMIS Team to reengage the organization. Staff will meet with leadership to understand its current data system and concerns about HMIS participation, provide education and training on HMIS and evaluate options for direct HMIS participation or data integration.
OR-504 will also work directly with the Housing Authority and its Community Action Agency partner. Under the current arrangement, the Housing Authority provides housing units while the Community Action Agency provides case management and supportive services through an SSO project. Because the Housing Authority does not currently report participating households directly in HMIS, its inventory is included in the HIC but the associated bed coverage is not fully represented in HMIS. OR-504 will work with both partners and the HMIS Lead to identify an appropriate reporting structure that improves HMIS bed coverage while accurately reflecting each organization's role.
Progress will be reviewed throughout the year using HIC and HMIS bed coverage data, with additional training and technical assistance provided where coverage remains below 85 percent."

3A. Policy Initiatives

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- Frequently Asked Questions

3A-1.	**Supporting Activities within an Opportunity Zone.**	
	You must upload the HUD-2996 Certification for Opportunity Zone Preference Points attachment to the 4A. Attachments Screen.	

1.	**Will the proposed activities/projects occur within Opportunity Zone Census Tracts?**	Yes
2.	**Do you expect to use at least 50% of the proposed activities/projects in Opportunity Zones Census Tracts?**	Yes

3A-2	**Serving Persons Experiencing Homelessness as Defined by Other Federal Statutes.**

Is your CoC requesting to designate one or more of its SSO, TH, or Joint TH and PH-RRH component projects to serve families with children or youth experiencing homelessness as defined by other Federal statutes? Yes

3A-2a. Cost Effectiveness of Serving Persons Experiencing Homelessness as Defined by Other Federal Statutes.

You must upload the Project List for Other Federal Statutes attachment to the 4A. Attachments Screen.

You must select Save at the bottom of the form before entering a text response for 3A-2a.

If you answered yes to question 3A-2, describe in the field below:
1. how serving this population is of equal or greater priority, which means that it is equally or more cost effective in meeting the overall goals and objectives of the plan submitted under Section 427(b)(1)(B) of the Act, especially with respect to children and unaccompanied youth than serving the homeless as defined in paragraphs (1), (2), and (4) of the definition of homeless in 24 CFR 578.3; and
2. how your CoC will meet requirements described in Section 427(b)(1)(F) of the Act.

(limit 500 characters)

OR-504 prioritizes a coordinated system of housing and supportive services for youth and young adults through four youth projects included on its FY2026 Priority Listing and a youth-specific Coordinated Entry system that identifies, engages and connects youth to appropriate housing and services.
Serving eligible children and unaccompanied youth who meet the definition of homelessness under other federal statutes is an equal priority because early intervention can prevent housing instability from becoming prolonged or repeated homelessness. Youth may have limited income, rental history and natural supports and face barriers involving education, employment and behavioral health.
OR-504's youth system addresses these barriers through outreach, supportive services, transitional housing, rapid rehousing and connections to permanent housing. Serving this population supports CoC goals to reduce youth homelessness, shorten episodes of homelessness and increase long-term housing stability and self-sufficiency.

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants; and
- Frequently Asked Questions

We have provided the following guidance to help you successfully upload attachments and get maximum points:

1.	You must include a Document Description for each attachment you upload; if you do not, the Submission Summary screen will display a red X indicating the submission is incomplete.
2.	You must upload an attachment for each document listed where 'Required?' is 'Yes'.
3.	We prefer that you use PDF files, though other file types are supported–please only use zip files if necessary. Converting electronic files to PDF, rather than printing documents and scanning them, often produces higher quality images. Many systems allow you to create PDF files as a Print option. If you are unfamiliar with this process, you should consult your IT Support or search for information on Google or YouTube.
4.	Attachments must match the questions they are associated with.
5.	Only upload documents responsive to the questions posed–including other material slows down the review process, which ultimately slows down the funding process.
6.	If you cannot read the attachment, it is likely we cannot read it either.
	. We must be able to read the date and time on attachments requiring system-generated dates and times, (e.g., a screenshot displaying the time and date of the public posting using your desktop calendar; screenshot of a webpage that indicates date and time).
	. We must be able to read everything you want us to consider in any attachment.
7.	After you upload each attachment, use the Download feature to access and check the attachment to ensure it matches the required Document Type and to ensure it contains all pages you intend to include.
8.	Only use the 'Other' attachment option to meet an attachment requirement that is not otherwise listed in these detailed instructions.

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Additional training resources can be found on the HUD.gov at https://www.hud.gov/program_offices/comm_planning/coc.
- Questions regarding the FY 2026 CoC Program Competition process must be submitted to CoCNOFO@hud.gov.
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile)must be submitted to e-snaps@hud.gov.
- Project applicants are required to have a Unique Entity Identifier (UEI) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2026 Continuum of Care (CoC) Program Competition. For more information see FY 2026 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2026 CoC Program NOFO.
- Detailed instructions can be found on the hud.gov website https://www.hud.gov/program_offices/comm_planning/coc/competition. The Detailed Instructions contain more comprehensive instructions to help navigate e-snaps.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2026 Project Application will be imported into the FY 2026 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- YHDP projects that are eligible for renewal under the CoC program may only use the YHDP Renewal or YHDP Replacement and Reallocation funding opportunities. Please review the NOFO for eligibility standards.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2026 CoC Program Competition NOFO.
- To expedite grant agreement processing, ensure that the UEI does not have an expiration date in the early calendar year (January - May).

1I. CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Statement for Loan Guarantees and Loan Insurance

The undersigned states, to the best of his or her knowledge and belief, that:

If any funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this commitment providing for the United States to insure or guarantee a loan, the undersigned shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions. Submission of this statement is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required statement shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

I hereby certify that all the information stated herein, as well as any information provided in the accompaniment herewith, is true and accurate:	X

Warning: HUD will prosecute false claims and statements. Conviction may result in criminal and/or civil penalties. (18 U.S.C. 1001, 1010, 1012; 31 U.S.C. 3729, 3802)

(SF-424B) ASSURANCES - NON-CONSTRUCTION PROGRAMS

OMB Number: 4040-0007
Expiration Date: 07/31/2028

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1.	Has the legal authority to apply for Federal assistance and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management and completion of the project described in this application.
2.	Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3.	Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
4.	Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
5.	Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
6.	Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C.§§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination
	on the basis of alcohol abuse or alcoholism, (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and, (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
7.	Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
8.	Will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

9.	Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327¬333), regarding labor standards for federally-assisted construction subagreements.

10.	Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is $10,000 or more.

11.	Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93¬205).

12.	Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.

13.	Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).

14.	Will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.

15.	Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 89-544, as amended, 7 U.S.C. §§2131 et seq.) pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by this award of assistance.

16.	Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.

17.	Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

18.	Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.

19.	Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.

Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the “Submit Without Changes” process.

In general, HUD expects a project’s proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

The data from previously submitted new and renewal project applications can be imported into a FY 2026 renewal project application. The “Submit without Changes” process is not applicable for first time renewing project applications or for a project application that did not import FY 2025 information and e-snaps will automatically be set to “Make Changes” and all questions on each screen must be updated.

Renewal projects that select “Yes - Individual Application in a Renewal Grant Consolidation” on the Renewal Grant Consolidation or Renewal Grant Expansion Screen may not use the “Submit Without Changes” process and esnaps will automatically be set to “Make Changes”. In addition, esnaps will automatically be set to “Make Changes” if the project applicant indicates on the Renewal Grant Consolidation or Renewal Grant Expansion Screen, this project application is for a “Yes - Stand-Alone Renewal Application in a New Grant Expansion” project application.

The e-snaps screens that remain “open” for required annual updates and do not affect applicants’ ability to select “Submit without Changes” are:
- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6A. Funding Request
- Screen 6D. Sources of Match
Screen 6E. Summary Budget - All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in “Read-Only” format and should be reviewed for accuracy; including any updates that were made to the 2024 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select “Submit Without Changes” in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: “Submission Without Changes” Screen, select “Make Changes”, and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Once a project applicant selects a checkbox and clicks "Save", the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions and e-snaps navigation guides found on HUD.gov to find more in depth information about applying under the FY 2026 CoC Competition.

Submission Without Changes

1. Are the requested renewal funds reduced from the previous award due to reallocation?	No
2. Do you wish to submit this application without making changes? Please refer to the guidelines below to inform you of the requirements.	Make changes

3. Specify which screens require changes by clicking the checkbox next to the name and then clicking the Save button.

You have selected "Make Changes" to question #2 above. Provide a brief description of the changes that will be made to the project information screens (bullets are appropriate):

Description Narratives, Budget

You have selected "Make Changes." Once this screen is saved, you will be prohibited from "unchecking" any box that has been checked regardless of whether a change to data on the corresponding screen will be made.

Recipient Performance

1. Did you submit your previous year's Annual Performance Report (APR) on time?	Yes
2. Do you have any unresolved HUD Monitoring or OIG Audit finding(s) concerning any previous grant term related to this renewal project request?	No
3. Do you draw funds quarterly for your current renewal project?	Yes
4. Have any funds remained available for recapture by HUD for the most recently expired grant term related to this renewal project request?	No

Renewal Grant Consolidation or Renewal Grant Expansion

The CoC Competition will continue offering opportunities to expand or consolidate CoC projects.

1. Expansions and Consolidations will no longer be required to submit a combined version of the application.
   a. Expansions will be required to ONLY submit a Stand-Alone Renewal and a Stand-Alone New application.
   b. Consolidations will be required to ONLY submit a Survivor grant and a terminating grant. Up to 10 grants may be involved in a consolidation (Survivor + 9 Terminating grants)

2. Since no combined version will be submitted for either the Expansion or Consolidation, the combining of data will occur at Post-Award. HUD HQ will combine all units, beds and budgets prior to the Post-Award process. The field office and applicant will then be required to combine remaining project data at C1.9a (recipient step). HUD HQ will provide a data report with the data all combined. All that will be required for applicants to do is a simple copy and paste.

3. Rural Set Aside projects may only consolidate with other Rural Set Aside projects.

We hope this process will simplify and reduce any confusion when submitting expansions or consolidations. If you have any questions, please contact the AAQ.

1. Is this renewal project application requesting to consolidate or expand? No

If "No" click on "Next" or "Save & Next" below to move to the next screen.

3A. Project Detail

1. Expiring Grant Project Identification Number (PIN): (e.g., the "Federal Award Identifier" indicated on form 1A. Application Type)	OR0293
2. CoC Number and Name:	OR-504 - Salem/Marion, Polk Counties CoC
3. CoC Collaborative Applicant Name:	ORS 190 Entity, Mid-Willamette Valley Homeless Alliance
4. Project Name:	OR-504 HMIS Support FY 26
5. Project Status:	Standard
6. Component Type:	HMIS
7. Was this project previously awarded as a Unsheltered Homelessness Set Aside or a Rural Set Aside?	No
9. Is your organization, or subrecipient, a victim service provider defined in 24 CFR 578.3?	No
10. Is this project applying for Rural costs on screen 6A?	No

3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

As HMIS Lead, ORS 190 plans to utilize these funds to expand services and improve data quality in the OR-504 CoC. To achieve this, ORS 190 plans to incorporate 2.5 FTE who will provide the following:

Staff Development:
Expenses relating to attending training and conferences
NHSDC Travel and Conference for HMIS staff
Wellsky Trainings virtual and/or in person
System Administration
HMIS Licensing, account maintenance and user support
Attend Oregon Multi-continuum (OMC) data governance committee
Involvement in regional multi-CoC collaborative committees
Lead HMIS workgroup to involve collaborative decision making within OR-504
Create and maintain projects in HMIS including bed/unit inventories and Project Descriptor Data Elements (PDDEs) including HUD standards information
Onboarding new agencies into HMIS
Technical assistance and training
Maintain helpdesk support for HMIS end users
Data monitoring and cleanup in cooperation with HMIS agency administrators
End User/ Agency training to include:
New user training
Annual recertification trainings
HMIS data quality guidance
Agency guidance for APR and federal reporting
Data privacy and security
Data Quality and Reporting

Submit federal reporting for OR 504 including LSA, SPM, and PIT/HIC
Lead data cleanup
Update inventories
Provide TA for agencies in these processes
Prepare and submit reports according to HUD guidance
Monitor data quality for CoC
Use error data to guide trainings
Create and document special reports based on agency needs in SAP BO
Extract, Analyze and utilize data to inform strategic planning, gaps analysis, and identify community needs.
Data integrity including merging duplicate client profiles in HMIS

This project will allow ORS 190 to continue the everyday operations as OR-504's HMIS Lead including:
Submitting Federal Reports such as the Longitudinal Systems Analysis (LSA), System Performance Measures (SPM), Point-in-time count(PIT) and Housing Inventory Count (HIC)

Maintain and implement the Data Quality Management Plan (DQMP), which is annually reviewed by the HMIS workgroup. This includes identifying and reducing barriers to improvement, ensuring alignment with current HUD data standards and incorporating updates to Universal Data Elements (UDEs) as needed. These changes are made to assessments and information passed to HMIS end users.
Convening the HMIS users workgroup. This group ensures collaborative efforts CoC-wide in decision making and cooperative plans to improve data in our region

Collaboration with primary System Administrator. Oregon Housing and Community Services (OHCS) holds the contract with our HMIS Vendor (Wellsky). OR-504 is one of 4 CoCs in our Oregon Multi-Continuum (OMC) that work with OHCS regarding technical aspects of day-to-day operations such as software accessibility and performance, set-up and monitoring of system security, and adherence to CoC policies.

4A. HMIS Standards

1.Is the HMIS currently programmed to collect all Universal Data Elements (UDEs) as set forth in the FY 2026 HMIS Data Standard Notice?	Yes
2. Does HMIS produce all HUD-required reports and provide data needed for HUD reporting? (i.e., Annual Performance Report (APR)/CoC reporting, Consolidated Annual Performance and Evaluation Report (CAPER)/ESG reporting, Longitudinal System Analysis (LSA)/Annual Homeless Assessment Report (AHAR), System Performance Measures (SPM), and Data Quality Table, etc.).	Yes
3. Is your HMIS capable of generating all reports required by all Federal partners including HUD, VA, and HHS?	Yes
4. Does HMIS provide the CoC with an unduplicated count of program participants receiving services in the CoC?	Yes

5. Describe your organizations process and stakeholder involvement for updating your HMIS Governance Charters and HMIS Policies and Procedures.

The ORS 190 operates under a Governance Charter that defines the HMIS Lead role and authorizes the HMIS Workgroup. ORS 190 also staffs this Workgroup with our Data Systems Leads. This charter and the HMIS Workgroup charter establish the Workgroup's purpose, membership roles, and responsibilities. These are amended annually or as needed to ensure these are fulfilling the needs of our CoC as well as ensuring compliance with HUD and other funding stakeholders, as well as evolving best practices. Currently, the Workgroup consists of open enrollment, with one voting member per agency, to ensure all stakeholders are heard. The ORS 190 also acts as the collaborative applicant for HUD CoC program, as well as providing financial, legal, and administrative support for the CoC. Inb addition to staffing the HMIS Workgroup, ORS 190 coordinates stakeholder engagement, and supports the development and implementation of governance documents, HMIS policies, and procedures, promoting transparent governance and continuous system improvement.

6. Who is responsible for insuring the HMIS implementation meets all privacy and security standards as required by HUD and other federal partners?

As the HMIS Lead for OR-504, the ORS 190 Entity is responsible for ensuring the HMIS implementation meets all privacy and security standards, as required by HUD and other federal partners and employs an HMIS Data Team who is responsible for adherence to all applicable privacy and security standards. The ORS 190 Entity collaborates with Oregon Housing and Community Services (OHCS),
which serves as the Oregon Multi-Continuum (OMC) System Adminstrator and contract holder with HMIS vendor.

7. Do you update your Privacy Notice annually and provide a copy to all HMIS users? Yes

8. What is the CoC's policy and procedures for managing a breach of Personally Identifiable Information (PII) in HMIS?

Participating Agencies must immediately report any known or suspected breach of HMIS security or client confidentiality to the HMIS Lead.

Identify and report breaches (including unauthorized access, loss or theft of information, or system compromise).

Notify the HMIS Lead within 24 hours of discovery.

Document incidents; the HMIS Lead will notify the CoC Board within five (5) business days and coordinate investigation and remediation with the vendor.

Notify affected clients as required by federal and state laws.

Agencies that fail to report breaches promptly may be subject to corrective action, including suspension of HMIS access or funding impacts as described in Section 10: Monitoring and Compliance.

6A. Funding Request

VAWA Budget

The Violence Against Women Act (VAWA) has clarified the use of CoC Program funds for VAWA eligible cost categories. These VAWA cost categories can be added to a new project application to create a CoC VAWA Budget Line Item (BLI) in e-snaps and eLOCCS. The new BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in e-snaps and eLOCCS. Eligible CoC VAWA costs can be identified in one or both of the following CoC VAWA categories. Examples of eligible costs in these cost categories are identified as follows:

A. VAWA Emergency Transfer Facilitation. Examples of eligible costs include the costs of assessing, coordinating, approving, denying, and implementing a survivor's emergency transfer(s). Additional details of eligible costs include:
- Moving Costs. Assistance with reasonable moving costs to move survivors for an emergency transfer(s).
- Travel Costs. Assistance with reasonable travel costs for survivors and their families to travel for an emergency transfer(s). This may include travel costs to locations outside of your CoC's geography.
- Security Deposits. Grant funds can be used to pay for security deposits of the safe unit the survivor is transferring to via an emergency transfer(s).
- Utilities. Grant funds can be used to pay for costs of establishing utility assistance in the safe unit the survivor is transferring to.
- Housing Fees. Grant funds can be used to pay fees associated with getting survivors into a safe unit via emergency transfer(s), including but not limited to application fees, broker fees, holding fees, trash fees, pet fees where the person believes they need their pet to be safe, etc.
- Case Management. Grant funds can be used to pay staff time necessary to assess, coordinate, and implement emergency transfer(s).
- Housing Navigation. Grant funds can be used to pay staff time necessary to identify safe units and facilitate moves into housing for survivors through emergency transfer(s).
- Technology to make an available unit safe. Grant funds can be used to pay for technology that the individual believes is needed to make the unit safe, including but not limited to doorbell cameras, security systems, phone, and internet service when necessary to support security systems for the unit, etc.

B. VAWA Confidentiality Requirements.Examples of eligible costs for ensuring compliance with VAWA confidentiality requirements include:
- Monitoring and evaluating compliance.
- Developing and implementing strategies for corrective actions and remedies to ensure compliance.
- Program evaluation of confidentiality policies, practices, and procedures.
- Training on compliance with VAWA confidentiality requirements.
- Reporting to CoC Collaborative Applicant, HUD, and other interested parties on compliance with VAWA confidentiality requirements.
- Costs for establishing methodology to protect survivor information.
- Staff time associated with maintaining adherence to VAWA confidentiality requirements.

Enter the combined estimated amount(s) you are requesting for this project's Emergency Transfer Facilitation costs and VAWA Confidentiality Requirements costs for one or both of these eligible CoC VAWA cost categories on the summary budget screen. The CoC VAWA BLI Total amount can be expended for any eligible CoC VAWA cost identified above.

1. Will this project use funds from this grant to provide for emergency transfer facilitation, which includes the costs of assessing, coordinating, approving, denying and implementing a survivor's emergency transfer per Section III.B.4.a.(3) (a) of the NOFO?	No
2. Will this project use funds from this grant to provide for VAWA confidentiality requirements, which includes the costs of ensuring compliance with the VAWA confidentiality requirements per Section III.B.4.a.(3) (b) of the NOFO?	No
3. Will this project use funds from this grant to provide for short-terms emergency lodging, repairs to housing units and staff training per Section III.B.4.b.(3) (a) of the NOFO?	No
4. Renewal Grant Term: This field is pre-populated with a one-year grant term and cannot be edited:	1 Year

5. Select the costs for which funding is requested:

HMIS	X
VAWA	X
Rural	

The VAWA BLI is permanently checked. This allows any project to shift funds up to a 10% shift from another BLI if VAWA emergency transfer costs are needed.

6E. Summary Budget

The following information summarizes the funding request for the total term of the project. Budget amounts from the Leased Units, Rental Assistance, and Match screens have been automatically imported and cannot be edited. However, applicants must confirm and correct, if necessary, the total budget amounts for Leased Structures, Supportive Services, Operating, HMIS, and Admin. Budget amounts must reflect the most accurate project information according to the most recent project grant agreement or project grant agreement amendment, the CoC's final HUD-approved FY 2026 GIW or the project budget as reduced due to CoC reallocation. Please note that, new for FY 2026, there are no detailed budget screens for Leased Structures, Supportive Services, Operating, or HMIS costs. HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. However, any reasonable and eligible costs within each CoC cost category can be expended and will be verified during a HUD monitoring.

Eligible Costs (Light gray fields are available for entry of the previous grant agreement, GIW, approved GIW Change Form, or reduced by reallocation)	Applicant CoC Program Costs Requested (1 Year Term)

The minimum required Total Match amount for the Grant Term is $49,102.

Indirect Cost Information

Indirect Cost Information Form
OMB Number: 2501-0044
Expiration Date: 2/28/2027

Program/Activity Receiving Federal Grant Funding:	CoC Program
Applicant Name:	ORS 190 Entity, Mid-Willamette Valley Homeless Alliance

Indirect Cost Rate Information for the Applicant/Recipient:

Please check the box that applies to the Applicant/Recipient and complete the table only as provided by the instructions accompanying this form.

The Applicant/Recipient will not charge indirect costs using an indirect cost rate.	
The Applicant/Recipient will calculate and charge indirect costs under the award by applying a de minimis rate as provided by 2 CFR 200.414(f), as may be amended from time to time.	X
The Applicant/Recipient will calculate and charge indirect costs under the award using the indirect cost rate(s) in the table below, and each rate in this table is included in an indirect cost rate proposal developed in accordance with the applicable appendix to 2 CFR part 200 and, if required, has been approved by the cognizant agency for indirect costs.	

Mark the one (and only one) checkbox that best reflects how the indirect costs of the Applicant/Recipient will be calculated and charged under the award. Do not include indirect cost rate information for subrecipients.

The table following the third checkbox must be completed only if that checkbox is checked. When listing a rate in the table, enter the percentage amount (for example, “15%”), the type of direct cost base to be used (for example, “MTDC”), and the type of rate (“predetermined,” “final,” “fixed,” or “provisional”).

If using the Simplified Allocation Method for indirect costs, enter the applicable indirect cost rate and type of direct cost base in the first row of the table.

If using the Multiple Allocation Base Method, enter each major function of the organization for which a rate was developed and will be used under the award, the indirect cost rate applicable to that major function, and the type of direct cost base to which the rate will be applied.

If the Applicant/Recipient is a government and more than one agency or department will carry out activities under the award, enter each agency or department that will carry out activities under the award, the indirect cost rate(s) for that agency or department, and the type of direct cost base to which each rate will be applied.

To learn more about the indirect cost requirements, see 2 CFR part 200, subpart E, and the applicable appendix that is listed under 2 CFR 200.414(e).

Applicant and Recipient Assurances and Certifications - form HUD-424B (Title) U.S. Department of Housing and Urban Development OMB Approval No. 2501-0044 (expires 02/28/2027)

As part of your application for HUD funding, you, as the official authorized to sign on behalf of your organization or as an individual must provide the following assurances and certifications. The Responsible Civil Rights Official has specified this form for use for purposes of general compliance with 24 CFR §§ 1.5, 3.115, 8.50, and 146.25, as applicable. The Responsible Civil Rights Official may require specific civil rights assurances to be furnished consistent with those authorities and will specify the form on which such assurances must be made. A failure to furnish or comply with the civil rights assurances contained in this form may result in the procedures to effect compliance at 24 CFR §§ 1.8, 3.115, 8.57, or 146.39. By submitting this form, you are stating that to the best of your knowledge and belief, all assertions are true and correct.

1. Has the legal authority to apply for Federal assistance, has the institutional, managerial and financial capability (including funds to pay the non-Federal share of program costs) to plan, manage and complete the program as described in the application and the governing body has duly authorized the submission of the application, including these assurances and certifications, and authorized me as the official representative of the application to act in connection with the application and to provide any additional information as may be required.

2. Will administer the grant in compliance with Title VI of the Civil Rights Act of 1964 (42 U.S.C 2000(d)) and implementing regulations (24 CFR part 1), which provide that no person in the United States shall, on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any program or activity that receives Federal financial assistance OR if the applicant is a Federally recognized Indian tribe or its tribally designated housing entity, is subject to the Indian Civil Rights Act (25 U.S.C. 1301-1303).

3. Will administer the grant in compliance with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and implementing regulations at 24 CFR part 8, the American Disabilities Act (42 U.S.C. §§ 12101 et.seq.), and implementing regulations at 28 CFR part 35 or 36, as applicable, and the Age Discrimination Act of 1975 (42 U.S.C. 6101-07) as amended, and implementing regulations at 24 CFR part 146 which together provide that no person in the United States shall, on the grounds of disability or age, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance; except if the grant program authorizes or limits participation to designated populations, then the applicant will comply with the nondiscrimination requirements within the designated population.

4. Will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and the implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion sex (including gender identity and sexual orientation), disability, familial status, or national origin and will affirmatively further fair housing; except an applicant which is an Indian tribe or its instrumentality which is excluded by statute from coverage does not make this certification; and further except if the grant program authorizes or limits participation to designated populations, then the applicant will comply with the nondiscrimination requirements within the designated population.

5. Will comply with all applicable Federal nondiscrimination requirements, including those listed at 24 CFR §§ 5.105(a) and 5.106 as applicable.

6. Will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601) and implementing regulations at 49 CFR part 24 and, as applicable, Section 104(d) of the Housing and Community Development Act of 1974 (42 U.S.C. 5304(d)) and implementing regulations at 24 CFR part 42, subpart A.

7. Will comply with the environmental requirements of the National Environmental Policy Act (42 U.S.C. 4321 et.seq.) and related Federal authorities prior to the commitment or expenditure of funds for property.

8. That no Federal appropriated funds have been paid, or will be paid, by or on behalf of the applicant, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, and officer or employee of Congress, or an employee of a Member of Congress, in connection with the awarding of this Federal grant or its extension, renewal, amendment or modification. If funds other than Federal appropriated funds have or will be paid for influencing or attempting to influence the persons listed above, I shall complete and submit Standard Form-LLL, Disclosure Form to Report Lobbying. I certify that I shall require all subawards at all tiers (including sub-grants and contracts) to similarly certify and disclose accordingly. Federally recognized Indian Tribes and tribally designated housing entities (TDHEs) established by Federally-recognized Indian tribes as a result of the exercise of the tribe's sovereign power are excluded from coverage by the Byrd Amendment, but State-recognized Indian tribes and TDHs established under State law are not excluded from the statute's coverage.

Subject: Cash Match Documentation for HMIS Support

To whom it may concern:

The purpose of this letter is to document the 25% cash match that the ORS 190 Entity, Mid-Willamette Valley Homeless Alliance has committed to the FY 2026 HMIS Support grant.

The ORS 190 Entity attests that:

1. $49,101.75 in cash match is available to HMIS Support activities;
2. The cash match is available October 1, 2028;
3. The cash match is being made available specifically to the FY 2026 HMIS Support Grant;
4. The cash match will be available during the duration of said grant term;
5. The cash match will be used for allowable activities under this grant.

Please contact Jeremy Gordon, Board President, if you need additional information at chair@mwvhomelessalliance.org or +1 (612) 865-6823.

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Only Collaborative Applicants may apply for CoC Planning funds using this application, and only one CoC Planning application may be submitted during the FY 2026 CoC Program grant competition.
- Additional training resources can be found on the HUD.gov at https://www.hud.gov/program_offices/comm_planning/coc.
- Questions regarding the FY 2026 CoC Program Competition process must be submitted to CoCNOFO@hud.gov.
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile)must be submitted to e-snaps@hud.gov.
- Project applicants are required to have a Unique Entity Identifier (UEI) number and an active registration in the Central Contractor Registration (CCR)/System for Award management (SAM) in order to apply for funding under the Continuum of Care (CoC) Program Competition. For more information see the FY 2026 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2026 CoC Program Competition NOFO.
- Detailed instructions and e-snaps navigation guides can be found on the hud.gov website https://www.hud.gov/program_offices/comm_planning/coc/competition. The Detailed Instructions contain more comprehensive instructions and so should be used in tandem with the navigational guides.
- Before completing the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- HUD reserves the right to reduce or reject any new or renewal project that fails to adhere to 24 CFR Part 578 and application requirements set forth in the FY 2026 CoC Program NOFO.

CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Statement for Loan Guarantees and Loan Insurance

The undersigned states, to the best of his or her knowledge and belief, that:

If any funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this commitment providing for the United States to insure or guarantee a loan, the undersigned shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions. Submission of this statement is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required statement shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

I hereby certify that all the information stated herein, as well as any information provided in the accompaniment herewith, is true and accurate:	X

Warning: HUD will prosecute false claims and statements. Conviction may result in criminal and/or civil penalties. (18 U.S.C. 1001, 1010, 1012; 31 U.S.C. 3729, 3802)

(SF-424B) ASSURANCES - NON-CONSTRUCTION PROGRAMS

OMB Number: 4040-0007
Expiration Date: 02/28/2022

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1.	Has the legal authority to apply for Federal assistance and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management and completion of the project described in this application.
2.	Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3.	Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
4.	Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
5.	Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
6.	Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C.§§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination
	on the basis of alcohol abuse or alcoholism, (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and, (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
7.	Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
8.	Will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

9.	Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327¬333), regarding labor standards for federally-assisted construction subagreements.

10.	Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is $10,000 or more.

11.	Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93¬205).

12.	Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.

13.	Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).

14.	Will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.

15.	Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 89-544, as amended, 7 U.S.C. §§2131 et seq.) pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by this award of assistance.

16.	Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.

17.	Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

18.	Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.

19.	Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.

The CoC Planning Grant will support the Mid-Willamette Valley Homeless Alliance, the Continuum of Care serving Marion and Polk Counties, in carrying out its responsibilities under 24 CFR 578.7. Planning activities will strengthen CoC governance, coordination, performance oversight, system planning and HUD compliance.

CoC Operations and Coordination: Staff will support full CoC membership meetings, committees, subcommittees and workgroups, including the Collaborative Committee, Youth Action Board, PIT Count Workgroup and Performance and Evaluation Committee. Activities will include meeting facilitation, calendars and workplans, recruitment and retention and meaningful participation of persons with lived experience. Reasonable supports, including stipends, transportation, accessible materials and language access, will reduce barriers to participation.

Performance and Project Oversight: In consultation with recipients and subrecipients, staff will support establishment of performance targets appropriate to population and project type; monitor recipient and subrecipient performance; evaluate project and system outcomes; document findings; and support corrective actions for poor performance. Staff will also support evaluation and reporting of CoC- and ESG-funded project outcomes to HUD, consistent with CoC policies and applicable requirements.

System Planning: Staff will coordinate implementation of the CoC's strategic plan and support required system-planning activities, including the coordinated entry system, written standards for CoC assistance, Point-in-Time and Housing Inventory Counts, annual gaps analysis and consultation with ESG recipients. Staff will coordinate with the HMIS Lead and support CoC responsibilities related to HMIS governance, participation, data quality and use of performance data for system improvement.

CoC Competition: Planning funds will support the annual CoC Program Competition, including local application processes, project review and evaluation, ranking recommendations consistent with CoC-approved policies and preparation and submission of the CoC Consolidated Application.

These activities will strengthen the CoC's capacity to fulfill its responsibilities under 24 CFR 578.7 and coordinate an effective, data-informed homeless response system throughout Marion and Polk Counties.

2. Describe the estimated schedule for the proposed activities, the management plan, and the method for assuring effective and timely completion of all work.

The project will be implemented from October 1, 2027 through September 30, 2028, with Alliance staff providing the capacity necessary to complete CoC planning, coordination, monitoring, evaluation, system planning and HUD application activities.

October–December 2027: Alliance staff will support CoC governance, committees, the Youth Action Board and workgroups; implement strategic priorities; establish and review project performance targets; coordinate with the HMIS Lead; conduct project monitoring and performance review activities; and coordinate planning and preparation for required HUD activities, including the Point-in-Time and Housing Inventory Counts.

January–March 2028: Alliance staff will continue governance and stakeholder coordination; coordinate required Point-in-Time and Housing Inventory Count activities; complete project monitoring and follow-up; review project and system performance; support HMIS data quality and analysis; and identify system needs, gaps and opportunities for improvement.

April–June 2028: Alliance staff will continue project and system performance evaluation; complete follow-up on monitoring findings and corrective actions; conduct gaps and system analysis; coordinate with ESG recipients and mainstream service systems; support implementation of CoC strategic priorities; and prepare for HUD-required planning and application activities.

July–September 2028: Alliance staff will finalize annual performance and system evaluations, document monitoring results, develop recommendations for system improvement and establish priorities and workplans for the next program year. CoC Program Competition activities, including local application processes, project review and evaluation, ranking recommendations and preparation of the CoC Consolidated Application, will be conducted according to HUD's established competition timeline and CoC-approved policies and procedures.

Management and Quality Assurance: Alliance staff will work collaboratively under CoC leadership, with responsibilities assigned according to staff expertise and cross-coverage maintained to ensure continuity. Staff will use annual workplans, project monitoring schedules, committee calendars, defined deliverables and internal deadlines to track progress. The CoC Board and applicable committees will provide oversight and review progress toward established milestones. Staff will maintain documentation of activities, monitoring findings, corrective actions, performance results and required submissions. Regular staff and committee review will identify delays or performance concerns early, allowing corrective action and reassignment of resources when necessary.

This management structure, combined with scheduled milestones, ongoing performance monitoring and CoC oversight, will ensure activities are completed effectively, timely and in accordance with HUD requirements and CoC policies.

3. How will the requested funds improve or maintain the CoC's ability to evaluate the outcome of CoC and ESG projects?

The requested funds will maintain and strengthen the Mid-Willamette Valley Homeless Alliance's capacity to evaluate the outcomes and effectiveness of CoC and ESG projects by providing dedicated staff capacity for consistent performance monitoring, data analysis, project evaluation and follow-up. Alliance staff will use CoC-approved performance standards and evaluation tools to establish and monitor performance targets appropriate to each project type and population served.

Alliance staff will coordinate with the HMIS Lead to review data quality and analyze project- and system-level performance, including housing outcomes and other established performance measures. Staff will conduct annual project monitoring, review performance and outcome data, document findings and coordinate follow-up and corrective actions when projects do not meet established standards. Evaluation results will be shared with the appropriate CoC committees, including the Performance and Evaluation Committee, to support oversight and recommendations for project and system improvement.

Planning funds will also support coordination with ESG recipients to review outcomes, identify performance trends and service gaps and improve alignment between CoC- and ESG-funded activities. Project-level findings will be considered alongside system performance, Point-in-Time and Housing Inventory Count results, gaps analysis and other available data to assess how individual projects contribute to the effectiveness of the broader homeless response system.

By sustaining dedicated staff capacity, standardized evaluation processes, reliable data analysis, regular monitoring and CoC oversight, the requested funds will allow the CoC to consistently assess project outcomes, identify underperformance and service gaps, support corrective action and use evaluation findings to inform planning, funding and system improvement decisions.

Indirect Cost Information

Indirect Cost Information Form
OMB Number: 2501-0044
Expiration Date: 2/28/2027

Program/Activity Receiving Federal Grant Funding:	CoC Program
Applicant Name:	ORS 190 Entity, Mid-Willamette Valley Homeless Alliance

Indirect Cost Rate Information for the Applicant/Recipient:

Please check the box that applies to the Applicant/Recipient and complete the table only as provided by the instructions accompanying this form.

The Applicant/Recipient will not charge indirect costs using an indirect cost rate.	
The Applicant/Recipient will calculate and charge indirect costs under the award by applying a de minimis rate as provided by 2 CFR 200.414(f), as may be amended from time to time.	X
The Applicant/Recipient will calculate and charge indirect costs under the award using the indirect cost rate(s) in the table below, and each rate in this table is included in an indirect cost rate proposal developed in accordance with the applicable appendix to 2 CFR part 200 and, if required, has been approved by the cognizant agency for indirect costs.	

Mark the one (and only one) checkbox that best reflects how the indirect costs of the Applicant/Recipient will be calculated and charged under the award. Do not include indirect cost rate information for subrecipients.

The table following the third checkbox must be completed only if that checkbox is checked. When listing a rate in the table, enter the percentage amount (for example, “15%”), the type of direct cost base to be used (for example, “MTDC”), and the type of rate (“predetermined,” “final,” “fixed,” or “provisional”).

If using the Simplified Allocation Method for indirect costs, enter the applicable indirect cost rate and type of direct cost base in the first row of the table.

If using the Multiple Allocation Base Method, enter each major function of the organization for which a rate was developed and will be used under the award, the indirect cost rate applicable to that major function, and the type of direct cost base to which the rate will be applied.

If the Applicant/Recipient is a government and more than one agency or department will carry out activities under the award, enter each agency or department that will carry out activities under the award, the indirect cost rate(s) for that agency or department, and the type of direct cost base to which each rate will be applied.

To learn more about the indirect cost requirements, see 2 CFR part 200, subpart E, and the applicable appendix that is listed under 2 CFR 200.414(e).

Applicant and Recipient Assurances and Certifications - form HUD-424B (Title) U.S. Department of Housing and Urban Development OMB Approval No. 2501-0017 (expires 01/31/2026)

As part of your application for HUD funding, you, as the official authorized to sign on behalf of your organization or as an individual must provide the following assurances and certifications. The Responsible Civil Rights Official has specified this form for use for purposes of general compliance with 24 CFR §§ 1.5, 3.115, 8.50, and 146.25, as applicable. The Responsible Civil Rights Official may require specific civil rights assurances to be furnished consistent with those authorities and will specify the form on which such assurances must be made. A failure to furnish or comply with the civil rights assurances contained in this form may result in the procedures to effect compliance at 24 CFR §§ 1.8, 3.115, 8.57, or 146.39. By submitting this form, you are stating that to the best of your knowledge and belief, all assertions are true and correct.

1. Has the legal authority to apply for Federal assistance, has the institutional, managerial and financial capability (including funds to pay the non-Federal share of program costs) to plan, manage and complete the program as described in the application and the governing body has duly authorized the submission of the application, including these assurances and certifications, and authorized me as the official representative of the application to act in connection with the application and to provide any additional information as may be required.

2. Will administer the grant in compliance with Title VI of the Civil Rights Act of 1964 (42 U.S.C 2000(d)) and implementing regulations (24 CFR part 1), which provide that no person in the United States shall, on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any program or activity that receives Federal financial assistance OR if the applicant is a Federally recognized Indian tribe or its tribally designated housing entity, is subject to the Indian Civil Rights Act (25 U.S.C. 1301-1303).

3. Will administer the grant in compliance with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and implementing regulations at 24 CFR part 8, the American Disabilities Act (42 U.S.C. §§ 12101 et.seq.), and implementing regulations at 28 CFR part 35 or 36, as applicable, and the Age Discrimination Act of 1975 (42 U.S.C. 6101-07) as amended, and implementing regulations at 24 CFR part 146 which together provide that no person in the United States shall, on the grounds of disability or age, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance; except if the grant program authorizes or limits participation to designated populations, then the applicant will comply with the nondiscrimination requirements within the designated population.

4. Will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and the implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion sex (including gender identity and sexual orientation), disability, familial status, or national origin and will affirmatively further fair housing; except an applicant which is an Indian tribe or its instrumentality which is excluded by statute from coverage does not make this certification; and further except if the grant program authorizes or limits participation to designated populations, then the applicant will comply with the nondiscrimination requirements within the designated population.

5. Will comply with all applicable Federal nondiscrimination requirements, including those listed at 24 CFR §§ 5.105(a) and 5.106 as applicable.

6. Will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601) and implementing regulations at 49 CFR part 24 and, as applicable, Section 104(d) of the Housing and Community Development Act of 1974 (42 U.S.C. 5304(d)) and implementing regulations at 24 CFR part 42, subpart A.

7. Will comply with the environmental requirements of the National Environmental Policy Act (42 U.S.C. 4321 et.seq.) and related Federal authorities prior to the commitment or expenditure of funds for property.

8. That no Federal appropriated funds have been paid, or will be paid, by or on behalf of the applicant, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, and officer or employee of Congress, or an employee of a Member of Congress, in connection with the awarding of this Federal grant or its extension, renewal, amendment or modification. If funds other than Federal appropriated funds have or will be paid for influencing or attempting to influence the persons listed above, I shall complete and submit Standard Form-LLL, Disclosure Form to Report Lobbying. I certify that I shall require all subawards at all tiers (including sub-grants and contracts) to similarly certify and disclose accordingly. Federally recognized Indian Tribes and tribally designated housing entities (TDHEs) established by Federally-recognized Indian tribes as a result of the exercise of the tribe's sovereign power are excluded from coverage by the Byrd Amendment, but State-recognized Indian tribes and TDHs established under State law are not excluded from the statute's coverage.

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Additional training resources can be found on the HUD.gov at https://www.hud.gov/program_offices/comm_planning/coc.
- Questions regarding the FY 2026 CoC Program Competition process must be submitted to CoCNOFO@hud.gov.
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile)must be submitted to e-snaps@hud.gov.
- Project applicants are required to have a Unique Entity Identifier (UEI) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2026 Continuum of Care (CoC) Program Competition. For more information see FY 2026 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2026 CoC Program NOFO.
- Detailed instructions and e-snaps navigation guides can be found on the hud.gov website https://www.hud.gov/program_offices/comm_planning/coc/competition. The Detailed Instructions contain more comprehensive instructions and so should be used in tandem with the navigational guides.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- YHDP projects that are eligible for renewal under the CoC program may only use the YHDP Renewal or YHDP Replacement and Reallocation funding opportunities. Please review the NOFO for eligibility standards
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2026 CoC Program Competition NOFO.
- YHDP projects must state they were awarded under the YHDP program on screen 3A and answer the YHDP specific page that follows.

CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Statement for Loan Guarantees and Loan Insurance

The undersigned states, to the best of his or her knowledge and belief, that:

If any funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this commitment providing for the United States to insure or guarantee a loan, the undersigned shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions. Submission of this statement is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required statement shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

I hereby certify that all the information stated herein, as well as any information provided in the accompaniment herewith, is true and accurate:	X

(SF-424B) ASSURANCES - NON-CONSTRUCTION PROGRAMS

OMB Number: 4040-0007
Expiration Date: 07/31/2028

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1.	Has the legal authority to apply for Federal assistance and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management and completion of the project described in this application.
2.	Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3.	Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
4.	Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
5.	Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
6.	Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C.§§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination
	on the basis of alcohol abuse or alcoholism, (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and, (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
7.	Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
8.	Will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

9.	Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327¬333), regarding labor standards for federally-assisted construction subagreements.

10.	Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is $10,000 or more.

11.	Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93¬205).

12.	Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.

13.	Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).

14.	Will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.

15.	Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 89-544, as amended, 7 U.S.C. §§2131 et seq.) pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by this award of assistance.

16.	Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.

17.	Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

18.	Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.

19.	Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.

2B. Experience of Applicant, Subrecipient(s), and Other Partners

1. Describe your organization's (and subrecipient(s) if applicable) experience in effectively utilizing federal funds and performing the activities proposed in the application.

Our organization currently serves as the Continuum of Care (CoC) and has a strong history of receiving, administering, and effectively utilizing Federal funds. In this role, we are responsible for overseeing CoC-funded programs, ensuring compliance with federal requirements, and supporting subrecipients in meeting programmatic and fiscal expectations.

As the CoC, we routinely monitor subgrantees for compliance, performance, and documentation standards. This includes reviewing expenditures for allowability, ensuring costs are appropriately allocated, and verifying that program activities align with approved goals and outcomes. Through this oversight function, we have a clear understanding of the requirements necessary to meet federal performance benchmarks and to accurately document progress toward stated objectives.

This experience positions our organization to successfully carry out the activities proposed in this application, as we are well-versed in federal grant management, monitoring protocols, and outcome reporting. Our familiarity with both direct grant administration and subrecipient oversight ensures strong fiscal stewardship, accountability, and alignment with federal expectations.

2. Describe your organization's (and subrecipient(s) if applicable) experience in leveraging Federal, State, local and private sector funds.

Our organization has extensive experience leveraging and braiding funding from Federal, State, local, and private sources to maximize impact while maintaining compliance with all applicable requirements. We currently serve as a pass-through entity for Oregon Housing and Community Services (OHCS) state funds, retaining a portion for direct program implementation and administrative costs while distributing funds to subrecipients.

In addition to state funding, we receive ongoing local support through membership dues from cities and counties that participate in the Mid-Willamette Valley Homeless Alliance. These funds are strategically aligned with federal and state resources to support shared regional priorities.

We utilize careful cost allocation methodologies to ensure expenditures are appropriately charged, prevent duplication of funding, and maintain clear fiscal accountability. This approach allows us to effectively braid multiple funding sources, maximize program outcomes, and implement projects in a fiscally responsible and efficient manner.

3. Describe your organization's (and subrecipient(s) if applicable) financial management structure.

Our organization utilizes a strong financial management structure that combines internal oversight with external fiscal expertise. We partner with an external CPA firm to process. invoices, manage accounting functions, and ensure HUD draws are accurately budgeted and expended in compliance with federal requirements.

Budget performance and variances are closely monitored on an ongoing basis and reported to executive leadership. The Executive Director is responsible for reviewing expenditures to ensure costs are allowable, appropriately allocated, and aligned with approved grant budgets, and works closely with the CPA firm to track all costs and oversee program outcomes.

Governance oversight is provided by the Board of Directors, which receives detailed monthly financial reports covering all grants and expenditures. This layered approach ensures strong fiscal controls, transparency, accountability, and responsible stewardship of public funds.

4. Are there any unresolved HUD monitoring or OIG audit findings for any HUD grants (including ESG) under your organization? No

3A. Project Detail

1a. CoC Number and Name:	OR-504 - Salem/Marion, Polk Counties CoC
2. CoC Collaborative Applicant Name:	ORS 190 Entity, Mid-Willamette Valley Homeless Alliance
3. Project Name:	YHDP Replacement Project Application FY2026
4. Project Status:	Standard
5. Component Type:	SSO
5a. Select the type of SSO project:	Coordinated Entry
6. Is your organization or expected subrecipient a victim service provider defined in 24 CFR 578.3?	No
8. Is this application applying as a YHDP Replacement project or a YHDP Reallocation?	YHDP Replacement
8a. Does this project plan to change recipients from the YHDP Renewal(s)?	No

YHDP Replacements and Reallocations are nearly identical EXCEPT for three areas.

1. A YHDP Replacement project CANNOT change recipients from the YHDP Renewal it is replacing. A YHDP Reallocation CAN change recipients from the YHDP Renewal it is reallocating.
2. A YHDP Reallocation CAN apply for Expansion, and a YHDP Replacement CANNOT apply for Expansion.
3. A YHDP Replacement CAN apply for Consolidation, and a YHDP Reallocation CANNOT apply for Consolidation.

YHDP Replacements cannot be part of an expansion or change recipients from the previous renewal.

IMPORTANT: For all expiring projects listed above, be sure to attach a copy of the most recently approved e-snaps project application(s) on Screen 7A (e.g., if the project was funded in the FY 2023 CoC Program Competition, a copy of the FY 2023 CoC Program Competition project application)..

YHDP Replacement Projects cannot exceed the project budget set in the original YHDP Renewal.

8b. Provide a description that addresses the scope of the proposed YHDP Replacement or YHDP Reallocation during the first year of operation and why the YHDP Renewal is being replaced or reallocated.

This will replace the Mid-Willamette Valley Community Action Agency's (MWVCAA) YHDP CE project, as they no longer wish to carry this project. Mid-Willamette Valley Homeless Alliance (MWVHA) currently is the Adult CE lead. We will continue the work done by MWVCAA, and work to expand the YHDP CES to work with McKinney-Vento school liaisons, youth-serving agencies, and YHDP specific staffing and training.

8c. Please describe special activities attached to the original YHDP Renewal project being replaced or reallocated and if you plan to reapply for the same special activities or new special activities.

There are no special activities listed in the renewal for MWVCAA. The last application was 2024 renewal. MWVHA applied in 2025, but this was awarded to MWVCAA, who is subgranting the funding to MWVHA to perform the YHDP CE duties.

8d. How will this project meet the goals set under the Coordinated Community Plan (CCP) developed by the applicant's YHDP community?

MWVHA will continue to work toward the goals set by MWVCAA such as expanding access sites, case conferencing, and training assessors with youth-guided curriculum. We will be re-evaluating prioritization tools, and using Trauma Informed Care curriculum within trainings for all Youth assessors. MWVHA's Youth and Young Adult subcommittee will assist in guiding along with the YAB to ensure all curriculum, prioritization tools, and operations are done in a way to best assist youth in our area.

9. Is this project applying for Rural costs on screen 6A?	No
10. What type of CoC funding is this project applying for in this CoC Program Competition?	YHDP Replacement

3B. Project Description

1. Provide a description of the project. This MUST include the following: Entire scope, who the project will serve, activities offered and staffing.

The Mid-Willamette Valley Homeless Alliance is seeking renewal for our YHDP Coordinated Entry program. This project provides youth-specific Coordinated Entry for at-risk and homeless youth and young adults of all races, ethnicities, gender identities, sexual orientations, those who might be pregnant or parenting, involved in the juvenile justice system, enrolled in foster care, or survivors of abuse, sexual assault, trafficking, or exploitation. Serving the entire Continuum of Care (CoC) region of Marion and Polk Counties, this system facilitates access, assesses individual housing needs and vulnerabilities, prioritizes homeless youth for housing placement, and refer them to permanent, sustainable housing. This system has been tailored from our existing CE system and modified to respect the needs of homeless youth in the region.

Our emotionally intelligent, trauma-informed staff team, comprised of individuals with lived experience, undergoes extensive training in cultural humility, motivational interviewing, and how to navigate people through the CE process. These employees are strategically placed within Marion and Polk County's urban and rural communities to enroll youth in Coordinated Entry. Stationed at both fixed sites that are ADA accessible and can conduct assessments in a mobile fashion, staff meet one-on-one with youth where they are physically and emotionally to assess their vulnerabilities. Our tool for this is the Transition Age Youth – Vulnerability Index– Service Prioritization Decision Assistance Tool (TAY-VI-SPDAT), which aids our CE process in prioritizing youth and young adults for housing placement.

The data gathered from the assessment and TAY-VI-SPDAT is stored in the CoC's Homeless Management Information System (HMIS). As housing opportunities become available, youth are referred to permanent housing based on their prioritization. The Continuum of Care is one of more than 100 Built for Zero communities in the country, a growing movement working to measurably and equitably end homelessness. Our staff will regularly participate in case conferencing and recurring problem-solving meetings to bring key participants together to remove barriers collaboratively and rapidly move youth and young adults into permanent housing.

Understanding that movement into permanent housing is not immediate, our staff work with youth to find suitable alternatives or provide basic needs support until permanent housing can be attained. This includes navigation or transportation to emergency shelters, provision of food, basic needs supplies, hygiene items, clothing, and more. Our staff also stays current on the service delivery of other organizations within the region so they can provide youth with resource options that they can choose to engage with at intervals that best meet their needs.

1a. Specify how this project will incorporate the principles of Positive Youth Development.

MWVHA integrates Positive Youth Development (PYD) principles into our YHDP CE program to create a holistic and empowering environment for at-risk and homeless youth and young adults in Marion and Polk Counties. Our approach emphasizes respect for each individual's unique experiencing, encourages youth engagement, and promotes opportunities for youth to shape their journey toward housing stability.

We recognize that youth experiencing homelessness come from diverse backgrounds and have distinct needs. Our CE program is tailored to serve youth of all races, ethnicities, those who are pregnant or parenting, involved in the juvenile justice system, enrolled in foster care, or survivors of abuse, sexual assault, trafficking, or exploitation. Acknowledging these diverse experiences ensures our services are relevant, equitable, and responsive to youth's unique challenges. Our staff meet young people where they are—both physically and emotionally—and provide compassionate, one-on-one support that values their autonomy and choices.

Our staff, who have lived experience, are trained in motivational interviewing and cultural humility, empowering youth to take an active role in their housing journey. Through this approach, youth gain confidence in decision-making, problem-solving, and self-advocacy, essential skills for long-term stability. We encourage youth to participate in case conferencing and problem-solving meetings, allowing them to express their needs, preferences, and aspirations. This inclusive process fosters a sense of ownership over their housing journey and ensures that their voices are central to decision-making.

MWVCAA's emotionally intelligent, trauma-informed staff approach every interaction with empathy, patience, and understanding. Our team acknowledges past traumas and focuses on building on each youth's strengths rather than just addressing deficits. This strength-based perspective helps youth recognize their resilience, capabilities, and potential, crucial for positive self-identity and long-term success. We also ensure that youth can access safe spaces in fixed-site locations and through mobile assessments to share their stories and build trust with our staff.

A key aspect of PYD is fostering connections to supportive adults, peers, and community resources. Our staff are strategically placed in urban and rural areas to provide consistent support and facilitate connections with other service providers. We actively collaborate with the CoC to ensure youth have access to a network of resources. By staying informed about different service options, our staff helps youth build relationships with organizations that align with their needs and interests, supporting them in achieving their goals beyond housing.

Recognizing that housing stability is achieved over time, our program is designed to be flexible, meeting youth at their stages of readiness and providing support that aligns with their unique journeys. This adaptability allows youth to explore different options and resources at their own pace, ensuring they feel supported without being pressured to conform to a rigid process. Our staff provide ongoing support with transportation, emergency shelter, food, hygiene items, and other basic needs while youth transition to permanent housing, reinforcing our commitment to meeting them where they are.

1b. Specify how this project will incorporate the principles of Trauma Informed Care.

MWVHA integrates trauma-informed care principles into our YHDP CE program to offer compassionate and respectful support to at-risk and homeless youth across Marion and Polk Counties. Recognizing that many have experienced significant trauma, we design our program to promote safety, trust, empowerment, and healing.

We create safe, accessible environments where youth feel secure. Assessments are conducted in ADA-accessible, private, and culturally sensitive spaces or through mobile assessments in familiar locations. This fosters trust and engagement as we prioritize youth's physical and emotional safety.

Clear communication about the Coordinated Entry process and assessments helps establish trust, reducing anxiety and uncertainty. Many of our staff have lived experience with homelessness, allowing them to build rapport and provide peer support, fostering a sense of belonging.

We empower youth to participate in their housing journey, using motivational interviewing to explore strengths and preferences. This gives youth control over their decisions, helping them regain a sense of agency. Our staff is trained in cultural humility, respects each youth's cultural background and identity, and ensures our services are responsive and inclusive.

Our collaborative approach involves youth in decision-making, promoting mutual respect and shared power. Staff receive ongoing training in trauma-informed care, cultural humility, and motivational interviewing, ensuring adequate support. We also maintain strict confidentiality, informed consent, and data privacy policies and use the TAY-VI-SPDAT for respectful, nonjudgemental assessments.

By embedding trauma-informed principles, MWVHA creates an environment that facilitates healing, resilience, and hope for the youth we serve.

8. As an SSO-Coodinated Entry project answer the following questions:

8a. Will the coordinated entry process cover the CoC's entire geographic area? Yes

8b. Will the coordinated entry process be affirmatively marketed and easily accessible by program participants seeking assistance? Yes

8c. Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance.

MWVHA will connect with Schools and youth-serving agencies with fliers. We will also work to post information in business largely serving youth and young adults, and also via social media. We believe this approach allows access to information in the ways that youth are most likely to see them. We will also work with your YAB to gather more information on where to advertise. Finally, we plan to create a resource pocket guide with information for agencies and services throughout our region, including QR codes to websites.

8d. Will the coordinated entry process use a comprehensive, standardized assessment process? Yes

8e. Describe the standardized assessment and referral process that directs individuals and families to appropriate housing and services.

Assessments can be done in-person or by phone, once these are completed, the scores and information will be added to our region's By Name List(BNL), agencies serving youth can request pulls from this list that meet the criteria for their TH/RRH projects. We will also be referring youth to job, education, or resource referrals they need in the interim.

8f. If the coordinated entry process includes differences in access, entry, assessment, or referral for certain subpopulations, are those differences limited only to the following groups: Yes

(1) adults without children;
(2) adults accompanied by children;
(3) unaccompanied youth;
(4) households fleeing domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions (including human trafficking); and
(5) persons at risk of homelessness?

8g. Will this coordinated entry project refer program participants to projects that specifically coordinates and integrates mainstream health, social services, and employment programs for which they may be eligible? Yes

2. Is this a Host Homes Project OR will this project dedicate funding under the Supportive Services budget to host homes? No

3. Does this project plan to use Rental Assistance? No

4. Will your project offer any specialized services for youth living with HIV/AIDS? No

Youth Action Board

1. Is there a project level Youth Action Board (YAB) Yes

1a. If Yes, how many active members are currently involved in the YAB? 7

1b. What is the compensation policy for YAB Members?

Members' personal and basic needs are assessed and met regularly through personalized resource navigation and shared partnerships in the system. Incentives for engagement may include meals/food, gift cards, transportation support, swag, and raffle prizes. Meals will be provided at meetings. Backbone members will be compensated for their time spent attending meetings via monetary stipends, to the extent resources are available

1c. How will the applicant ensure that the YAB will be involved in the implementation and evaluation of this project?

Since MWVHA is the YAB facilitating agency, and the YHDP CE staff of MWVHA will be leading our YAB, we will be in a position for our YAB to provide consistent feedback on the process of implementation and evaluation of our processes. YAB and YYA subcommittees will assist in development of policies and procedures, and evaluation of the project including re-evaluation of scoring tools, and advertising materials.

1d. How will the applicant plan recruitment and sustainability policies for the YAB?

The Alliance Board appoints members to Backbone based on recommendations from Backbone. Backbone shall use a Alliance board-approved application form and review process to screen and recommend prospective applicants. Funding from this grant, as well as our CoC planning grant will provide funding for stipends and other costs to sustain our YAB.

1e. If no, how quickly will the YAB be implemented ?

2. Describe your continuous quality improvement plan and how the YAB is involved?

Through YHDP/YYA-specific gaps analysis, and continuous feedback from our YAB and YYA subcommittees, we will revise at least annually any policies and procedures developed by both MWVCAA and MWVHA to make improvements and changes necessary to adapt to our community's shifting needs.

II.C Other 4

Mid-Willamette Valley Homeless Alliance (MWVHA) requests the YHDP 25% match exemption. The CoC has taken reasonable steps to maximize resources available to youth experiencing homelessness by coordinating YHDP-funded activities with existing community resources and services that are funded and operated outside of YHDP.

Youth and young adults are connected to a broad network of community resources, including Punx With Purpose for outreach, clothing, hygiene supplies and immediate needs; Oregon Department of Human Services for SNAP, TANF, Family Unification Program vouchers, employment and education resources, family services and mediation; Safety Compass for legal and safety services for youth experiencing or at risk of trafficking and exploitation; Polk County Family & Community Outreach for RentWell tenant education, school-based mental health services and substance use and suicide prevention resources; Bridgeway for substance use treatment and behavioral health services; Northwest Human Services HOST Youth Services for transitional housing, medical and behavioral health services; Father Taaffe Homes for maternity housing and supportive services; Carson Commons for transitional housing for youth ages 18–24 transitioning from foster care; and St. Francis Family Housing for transitional housing and supportive services for families.

MWVHA will maximize these resources through Coordinated Entry, youth-specific assessment, referrals and collaborative case conferencing. Youth assessors will be trained to identify eligibility and service needs and connect youth to existing community resources as early as possible. Community partners also participate in coordinated case conferencing, allowing additional service needs and referral opportunities to be identified. Follow-up with providers will support successful connections to appropriate services and interventions.

Although these resources substantially leverage and complement the YHDP project, they cannot be committed as match because they are independently funded and administered by partner organizations, are generally available to broader eligible populations and are not dedicated to or under the control of this YHDP project. MWVHA therefore cannot document these resources as eligible project-specific match commitments. The CoC has instead maximized their benefit to youth by integrating them into its coordinated youth homelessness response and avoiding duplication of services already available through community partners.

5. Innovative Activities IV.B.2.c

a. Is the applicant requesting an Innovative Activity that is not currently allowed under 24 CFR 578 or the above YHDP Special Activities?	No

4A. Supportive Services for Participants

1. Describe how program participants will be assisted to obtain and remain in housing.

Using Coordinated Entry, Current CoC partnerships, and wraparound services, we will connect to housing opportunities within our CoC, education and job opportunities, internships, and referrals to other resources to help build self-efficacy and sustainability. Mental Health and addiction services can be provided by community partners to those that need them. We will continue to work alongside Oregon Dept of Human Services to aid in Family Unification for those youth that living with family would be a viable option.

1a. What prior experience does the applicant have operating transitional housing or other projects that have successfully helped homeless individuals and families exit homelessness within 24 months or has a plan in place to ensure homeless individuals and families will exit homelessness within 24 months?

MWVHA as the CoC lead and funding pass-through has been consistently involved with TH projects. Though we do not operate these projects ourselves, we provide referrals, monitor, and work alongside these providers on a daily basis, including those operated by MWVCAA, and continue to have a healthy working relationship with these agencies.

1b. The applicant has previously operated or currently operates transitional housing or another homelessness project, or has a plan in place to ensure that at least 50 percent of participants exit to a positive destination within 24 months and at least 50 percent of participants exit with employment income as reflected in HMIS or another data system used by the applicant.

Our focus will be to connect with resources for sustainability as outlined in Q1. Case conferencing involving community partners will help to identify any opportunities tailored specifically to youth working toward housing and sustainability goals. MWVHA works alongside agencies such as Punx With Purpose, MWVCAA, Northwest Human Services (NWHS), and other youth providers who are well versed in assisting youth with finding opportunities for employment and education, utilizing Positive Youth Development (PYD) principles emphasizing res

1c. Demonstrate that the project will provide and/or partner with other organizations to provide eligible supportive services that are necessary to assist program participants to obtain and maintain housing (i.e., case management, behavioral healthcare, employment training, etc.)

We will continue to partner with MWVCAA, and other local youth housing providers, employment and education opportunities, including internships. Agencies such as NWHS, which already provides TH, but also medical/mental health services can assist with those needs. Bridgeway Recovery services works to assist those with addiction to drugs and/or alcohol, and Safety Compass works with those who have escaped exploitation. These and other partnerships can help to guide youth toward housing and sustainability readiness. We will also continue to form new partnerships with youth-led agencies and peer support organizations that may not currently be involved to create the most holistic support system possible.

2. How will this project be supplemented with resources from other public or private sources, that may include mainstream health, social, and employment programs such as Medicare, Medicaid, SSI, and SNAP?

As outlined in Q1 and subsequent parts, we will continue to work with ODHS, Oregon Youth Authority (OYA), Oregon Health Authority (OHA) and our health and safety organizations to provide services to provide holistic care to the youth we serve as well as food security. Local agencies specializing in education such as our McKinney-Vento liaisons can assist in connecting with education and job-readiness programs, and ODHS can also help connect with resources for employment and education services tailored to the needs of individual youth. This is where case conferencing will be crucial to make connections. We will work with our local bus system and providers to give access to bus passes as needed.

3. TH Service Requirements

3a. How will this projects assess the service needs of program participants?

We will evaluate by using information from CE assessments, feedback from case managers, as well as the youth themselves. Collaborative case conferencing with TH providers as well as community partners will assist in identifying and connecting youth with necessary resources for Medical and mental health, addiction services, and safety needs. ODHS can connect with food, education, and job assistance, as well as SNAP/TANF benefits, and housing vouchers through Family Unification Program (FUP) especially for those aging out of Foster Care and other services.

3b. Describe how this project will provide individualized services for program participants during their time in Transitional Housing that will result in at least 20 hours per week of engagement in services, activities or employment for all program participants, except for a program participant over age 62 or who is an individual with handicaps as defined in 24 CFR 8.3 or a with a developmental disability as defined under 24 CFR 578.3?

(examples of services or activities include case management, counseling, treatment, volunteering, work therapy, education, job training, community-building activities, etc.) Employment may contribute to the 20 hours per week of engagement. The project description provided here does not constitute a reporting or documentation requirement.

CoC funded TH providers are required to follow the guidelines requiring 20 hrs/wk of service engagement. Those TH projects funded by state or other funding sources may not require these, but all youth will be encouraged to engage in such services. MWVHA does not provide TH and will be providing connections to these projects through the YHDP CE program. We are connected with agencies such as NWHS, which provides medical and mental health services, Bridgeway, which provides addiction recovery services, Safety Compass which provides legal and counseling services for those at risk or escaping exploitation and trafficking, and ODHS along with local schools provide education and job-readiness programs. We will continue forming new relationships with agencies to build the safety nets needed for youth served by our YHDP CE project.

3c. Indicate that the proposed project will create service plans for each program participant that include the services to be provided, when and how often services will be provided, by whom all services will be provided. Select the checkbox that your project will follow these requirements.	X

3d. Indicate that the proposed project will create service plans for each program participant that include program participant goals, strategies for achieving those goals, and target dates for achievement to focus on improved health and wellness, housing stability, and increased employment income leading to financial stability and self-sufficiency. Select the checkbox that your project will follow these requirements.	X

4. Describe how The Supportive Services project is necessary to assist people in exiting homelessness, addressing barriers to stable housing (e.g., substance use disorder, unemployment, childcare, etc.) and increasing self-sufficiency

The supportive services within our community will provide holistic care for the youth going through YHDP CE in building a safety net for the youth as they exit homelessness, building self-efficacy and self-sufficiency while they are in ES/TH/RRH projects to ensure that they are able to exit to housing opportunities being given the tools to become self-sufficient. These include resources from ODHS, NWHS, Bridgeway, Local education entities, and other services as described above.

5. Will the applicant conduct and annual assessment of service needs of the program participants?

Collaborative case conferencing will regularly assess the needs of individuals as they arise, and annual assessments will be conducted for all youth engaged in the YHDP CE project to ensure that MWVHA and partners are providing all necessary interventions to assist in the youth becoming self-sufficient.

6. Describe the strategy for providing supportive services to eligible program participants (including those with history of unsheltered homelessness and those who do not traditionally engage with supportive services).

By using information gathered during the assessment process, and needs identified during case management, needs of youth engaging in YHDP CE and subsequent ES/TH/RRH projects will be consistently monitored and resources will be provided to connect youth with supportive services tailored to their individual needs to ensure that they are given all tools needed to become self sufficient including obtaining and retaining housing opportunities.

7. Demonstrate that the applicant has a history of, or a plan for, partnering with first responders and law enforcement to engage people living in places not meant for human habitation to access emergency shelter, treatment programs, reunification with family, transitional housing or independent living. The applicant must cooperate and not interfere or impede with the enforcement of local laws such as public camping and public drug use laws and assist/be willing to assist first responders in their efforts to engage homeless individuals.

MWVHA partners with Marion County LEAD, Salem PD's Homelessness response team, and other regional law enforcement to identify and assess those currently in places not meant for human habitation and connect them with immediate ES projects. ODHS provides interventions for family unification including family mediation, and unification projects including housing vouchers for families experiencing or at-risk of homelessness. These agencies work together to assist those living in places not meant for habitation in exiting these situations. We are consistently working to support rather than hinder these efforts.

8. Does the applicant have experience providing outreach services, or a plan for providing outreach services, consistent with the activity description at 24 CFR 578.53(e)(13) Yes

9. Describe a plan for or past work at helping people successfully exit from places not meant for human habitation to emergency shelter, treatment programs, transitional housing or permanent housing programs.

MWVHA currently leads the Adult CE, and assists numerous projects as the CoC lead. We work with ES/TH/RRH/PSH/OPH projects within our community as the CoC Lead, and provide case conferencing to connect and provide a pipeline for those exiting homelessness to provide shelter and supportive services to start, moving on to TH or RRH based on client need and project availability, and programs to build self-efficacy and self-sufficiency as outlined above. With input from our YAB and YYA subcommittees, we will continue to tailor these efforts to develop and amend plans to be consistent with the needs of youth.

10. How will the project allow youth the ability to choose the providers and interventions that fit their needs?

YHDP CE will connect youth with resources, they will always have the choice to decline these services without prejudice for future referrals. Input from the youth, and from the service providers they engage with will allow us to identify further needs to assist in connecting them with services, understanding that, especially youth, need to feel empowered to make their own choices. This is known to increase trust and future engagement, as well as empowering them for the future.

11. How will the project respond to the different needs for service type, intensity, and length of supports for youth?

By utilizing annual and regular assessments, feedback from the youth themselves, and case conferencing, we will be able to continually assess needs, barriers, and strengths of the youth we serve on individual basis. This will help to identify needs, service types, and length of supports for each youth. We fully understand that providing these services is in no way a one-size fits all situation and we will continue to work together in a collaborative manner with providers and youth to make sure we are facilitating services to build self-efficacy and self-sufficiency on an individual basis.

12. If applicable, how will this project utilize non-HUD funded supportive services?

As the CoC Lead, we have full access to not only HUD funded services, but also State funded, and privately funded projects within our CoC. We will continue building relationships with new partners providing youth-centered services to engage in planning, services, and job/education services as well as shelter and housing opportunities for the youth we serve.

13. For all supportive services available to program participants, indicate who will provide them and how often they will be provided.

13a. Based on selection made in the chart, how will this help the participant obtain self-sufficiency and exit homlessness?

MWVHA will continue to partner with services providers and hold collaborative case conferencing to create services plans tailored to the needs of individual youth engaging in our systems to obtain the tools they will need to build the framework necessary to become and remain self-sufficient. These include education, job-readiness, tenant education, mental and medical interventions and services, treatment, counseling, family unification, legal, and shelter/housing needs, and resources for food such as SNAP/Emergency food boxes. Housing providers may also provide move-in costs, utility and rental deposits and assistance. These will be in addition to services building self-sufficiency for the long-term.

13b. Please indicate if the applicant has previously operated or currently operates a homelessness project where, or has a plan in place to have, at least 50 percent of participants exit to permanent housing within 24 months and at least 50 percent of participants exit with employment income as reflected in HMIS or another data system used by the applicant, or has a plan in place to ensure this.

As the CoC lead, we do not provide these housing services ourselves, however, we have assisted in developing, funding, and monitoring the success of these services provided by our subrecipients and community partners. We are in a great position to build and maintain a youth-focused infrastructure to assist youth in exiting homelessness and connecting to services built to create self-efficacy and self sufficiency in the individuals served by these programs.

4A. HMIS Standards

1. 1. Is the HMIS currently programmed to collect all Universal Data Elements (UDEs) as set forth in the 2026 HMIS Data Standards?	Yes
2. Does HMIS produce all HUD-required reports and provide data needed for HUD reporting? (i.e., Annual Performance Report (APR)/CoC reporting, Consolidated Annual Performance and Evaluation Report (CAPER)/ESG reporting, Longitudinal System Analysis (LSA)/Annual Homeless Assessment Report (AHAR), System Performance Measures (SPM), and Data Quality Table, etc.).	Yes
3. Is your HMIS capable of generating all reports required by all Federal partners including HUD, VA, and HHS?	Yes
4. Does HMIS provide the CoC with an unduplicated count of program participants receiving services in the CoC?	Yes

5. Describe your organizations process and stakeholder involvement for updating your HMIS Governance Charters and HMIS Policies and Procedures.

MWVHA as the CoC/HMIS Lead conducts meetings of our HMIS users workgroup and works with our System Administrator Oregon Housing and Community Services (OHCS) Our HMIS Data Lead currently serves as the chair of our local Oregon Multi Continuum (OMC) governance committee, as well as serves on the Statewide Data Governance committee. These committees serve to inform, create, and update all HMIS governance, policies, and procedures, and serve to ensure all are created in the best interest of our communities, users, and those we serve.

6. Who is responsible for insuring the HMIS implementation meets all privacy and security standards as required by HUD and other federal partners?

MWVHA and OHCS partner to ensure that all privacy and security standards are up to date with current technology and best practices. These include standards for data security including virtual and analog (paper) files. Policies for data security breaches, and training is provided to each end-user and organization at onboarding, and annually, or as policies change.

7. Do you update your Privacy Notice annually and provide a copy to all HMIS users? Yes

8. What is the CoC's policy and procedures for managing a breach of Personally Identifiable Information (PII) in HMIS?

Participating Agencies must immediately report any known or suspected breach of HMIS security or client confidentiality to the HMIS Lead.
Identify and report breaches (including unauthorized access, loss or theft of information, or system compromise).
Notify the HMIS Lead within 24 hours of discovery.
Document incidents; the HMIS Lead will notify the CoC Board within five (5) business days and coordinate investigation and remediation with the vendor.
Notify affected clients as required by federal and state laws.
Agencies that fail to report breaches promptly may be subject to corrective action, including suspension of HMIS access or funding impacts as described in Section 10: Monitoring and Compliance.

6F. Operating

Instructions:

Enter the quantity and total budget request for each operating cost. The request entered should be equivalent to the cost of one year of the relevant operations activity.

Eligible Costs: The system populates a list of eligible operating costs for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.55.

Quantity AND Detail: This is a required field. A quantity AND description must be entered for each requested cost. Enter the quantity in detail (e.g. .75 FTE hours and benefits for staff, utility types, monthly allowance for supplies) for each operating cost for which funding is being requested. Please note that simply stating “1FTE” is NOT providing “Quantity AND Detail” and restricts understanding of what is being requested. Failure to enter adequate “Quantity AND Detail” may result in conditions being placed on the award and a delay of grant funding.

Annual Assistance Requested: This is a required field. For each grant year, enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to operating the housing or supportive services facility.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated based on the grant term selected on Screen "6A. Funding Request" and will be read only.

Total Request for Grant Term: This field is automatically calculated based on the total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

VAWA Budget

VAWA Budget

The Violence Against Women Act (VAWA) has clarified the use of CoC Program funds for VAWA eligible cost categories. These VAWA cost categories can be added to a new project application to create a CoC VAWA Budget Line Item (BLI) in e-snaps and eLOCCS. The new BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in e-snaps and eLOCCS. Eligible CoC VAWA costs can be identified in one or both of the following CoC VAWA categories. Examples of eligible costs in these cost categories are identified as follows:

A. VAWA Emergency Transfer Facilitation. Examples of eligible costs include the costs of assessing, coordinating, approving, denying, and implementing a survivor's emergency transfer(s). Additional details of eligible costs include:
- Moving Costs. Assistance with reasonable moving costs to move survivors for an emergency transfer(s).
- Travel Costs. Assistance with reasonable travel costs for survivors and their families to travel for an emergency transfer(s). This may include travel costs to locations outside of your CoC's geography.
- Security Deposits. Grant funds can be used to pay for security deposits of the safe unit the survivor is transferring to via an emergency transfer(s).
- Utilities. Grant funds can be used to pay for costs of establishing utility assistance in the safe unit the survivor is transferring to.
- Housing Fees. Grant funds can be used to pay fees associated with getting survivors into a safe unit via emergency transfer(s), including but not limited to application fees, broker fees, holding fees, trash fees, pet fees where the person believes they need their pet to be safe, etc.
- Case Management. Grant funds can be used to pay staff time necessary to assess, coordinate, and implement emergency transfer(s).
- Housing Navigation. Grant funds can be used to pay staff time necessary to identify safe units and facilitate moves into housing for survivors through emergency transfer(s).
- Technology to make an available unit safe. Grant funds can be used to pay for technology that the individual believes is needed to make the unit safe, including but not limited to doorbell cameras, security systems, phone, and internet service when necessary to support security systems for the unit, etc.

B. VAWA Confidentiality Requirements.Examples of eligible costs for ensuring compliance with VAWA confidentiality requirements include:
- Monitoring and evaluating compliance.
- Developing and implementing strategies for corrective actions and remedies to ensure compliance.
- Program evaluation of confidentiality policies, practices, and procedures.
- Training on compliance with VAWA confidentiality requirements.
- Reporting to CoC Collaborative Applicant, HUD, and other interested parties on compliance with VAWA confidentiality requirements.
- Costs for establishing methodology to protect survivor information.
- Staff time associated with maintaining adherence to VAWA confidentiality requirements.

Enter the estimated amount(s) you are requesting for this project's Emergency Transfer Facilitation costs and VAWA Confidentiality Requirements costs for one or both of these eligible CoC VAWA cost categories. The CoC VAWA BLI Total amount can be expended for any eligible CoC VAWA cost identified above.

Summary for Match

Total Value of Cash Commitments:	$0
Total Value of In-Kind Commitments:	$0
Total Value of All Commitments:	$0

1. Will this project generate program income described in 24 CFR 578.97 to use as Match for this project? No

The minimum required Total Match amount for the Grant Term is $69,169.

Though the project does not meet the required 25% match, the project may still be submitted.

If you are applying for the Match Exemption allowed under the FY 2025 COC NOFO section III.B.3.h, please demonstrate how the applicant has taken reasonable steps to maximize resources available for youth experiencing homelessness. Place this explanation on the Special YHDP Activity Screen, question 4, citation III.B.3.h textbox for HUD review.

If you are NOT applying for the match exemption, you MUST meet the required 25% match commitment prior to grant agreement.

6I. Summary Budget

The following information summarizes the funding request for the total term of the project. Budget amounts from the Leased Units, Rental Assistance, and Match screens have been automatically imported and cannot be edited. However, applicants must confirm and correct, if necessary, the total budget amounts for Leased Structures, Supportive Services, Operating, HMIS, and Admin. Budget amounts must reflect the most accurate project information according to the most recent project grant agreement or project grant agreement amendment, the CoC's final HUD-approved FY 2017 GIW or the project budget as reduced due to CoC reallocation. Please note that, new for FY 2017, there are no detailed budget screens for Leased Structures, Supportive Services, Operating, or HMIS costs. HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. However, any reasonable and eligible costs within each CoC cost category can be expended and will be verified during a HUD monitoring.

Indirect Cost Information

Indirect Cost Information Form
OMB Number: 2501-0044
Expiration Date: 2/28/2027

Program/Activity Receiving Federal Grant Funding:	CoC Program
Applicant Name:	ORS 190 Entity, Mid-Willamette Valley Homeless Alliance

Indirect Cost Rate Information for the Applicant/Recipient:

Please check the box that applies to the Applicant/Recipient and complete the table only as provided by the instructions accompanying this form.

The Applicant/Recipient will not charge indirect costs using an indirect cost rate.	
The Applicant/Recipient will calculate and charge indirect costs under the award by applying a de minimis rate as provided by 2 CFR 200.414(f), as may be amended from time to time.	X
The Applicant/Recipient will calculate and charge indirect costs under the award using the indirect cost rate(s) in the table below, and each rate in this table is included in an indirect cost rate proposal developed in accordance with the applicable appendix to 2 CFR part 200 and, if required, has been approved by the cognizant agency for indirect costs.	

Mark the one (and only one) checkbox that best reflects how the indirect costs of the Applicant/Recipient will be calculated and charged under the award. Do not include indirect cost rate information for subrecipients.

The table following the third checkbox must be completed only if that checkbox is checked. When listing a rate in the table, enter the percentage amount (for example, “15%”), the type of direct cost base to be used (for example, “MTDC”), and the type of rate (“predetermined,” “final,” “fixed,” or “provisional”).

If using the Simplified Allocation Method for indirect costs, enter the applicable indirect cost rate and type of direct cost base in the first row of the table.

If using the Multiple Allocation Base Method, enter each major function of the organization for which a rate was developed and will be used under the award, the indirect cost rate applicable to that major function, and the type of direct cost base to which the rate will be applied.

If the Applicant/Recipient is a government and more than one agency or department will carry out activities under the award, enter each agency or department that will carry out activities under the award, the indirect cost rate(s) for that agency or department, and the type of direct cost base to which each rate will be applied.

To learn more about the indirect cost requirements, see 2 CFR part 200, subpart E, and the applicable appendix that is listed under 2 CFR 200.414(e).

Applicant and Recipient Assurances and Certifications - form HUD-424B (Title)
U.S. Department of Housing and Urban Development OMB Approval No. 2501-0044
(expires 02/28/2027)

As part of your application for HUD funding, you, as the official authorized to sign on behalf of your organization or as an individual must provide the following assurances and certifications. The Responsible Civil Rights Official has specified this form for use for purposes of general compliance with 24 CFR §§ 1.5, 3.115, 8.50, and 146.25, as applicable. The Responsible Civil Rights Official may require specific civil rights assurances to be furnished consistent with those authorities and will specify the form on which such assurances must be made. A failure to furnish or comply with the civil rights assurances contained in this form may result in the procedures to effect compliance at 24 CFR §§ 1.8, 3.115, 8.57, or 146.39. By submitting this form, you are stating that to the best of your knowledge and belief, all assertions are true and correct.

1. Has the legal authority to apply for Federal assistance, has the institutional, managerial and financial capability (including funds to pay the non-Federal share of program costs) to plan, manage and complete the program as described in the application and the governing body has duly authorized the submission of the application, including these assurances and certifications, and authorized me as the official representative of the application to act in connection with the application and to provide any additional information as may be required.

2. Will administer the grant in compliance with Title VI of the Civil Rights Act of 1964 (42 U.S.C 2000(d)) and implementing regulations (24 CFR part 1), which provide that no person in the United States shall, on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any program or activity that receives Federal financial assistance OR if the applicant is a Federally recognized Indian tribe or its tribally designated housing entity, is subject to the Indian Civil Rights Act (25 U.S.C. 1301-1303).

3. Will administer the grant in compliance with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and implementing regulations at 24 CFR part 8, the American Disabilities Act (42 U.S.C. §§ 12101 et.seq.), and implementing regulations at 28 CFR part 35 or 36, as applicable, and the Age Discrimination Act of 1975 (42 U.S.C. 6101-07) as amended, and implementing regulations at 24 CFR part 146 which together provide that no person in the United States shall, on the grounds of disability or age, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance; except if the grant program authorizes or limits participation to designated populations, then the applicant will comply with the nondiscrimination requirements within the designated population.

4. Will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and the implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion sex (including gender identity and sexual orientation), disability, familial status, or national origin and will affirmatively further fair housing; except an applicant which is an Indian tribe or its instrumentality which is excluded by statute from coverage does not make this certification; and further except if the grant program authorizes or limits participation to designated populations, then the applicant will comply with the nondiscrimination requirements within the designated population.

5. Will comply with all applicable Federal nondiscrimination requirements, including those listed at 24 CFR §§ 5.105(a) and 5.106 as applicable.

6. Will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601) and implementing regulations at 49 CFR part 24 and, as applicable, Section 104(d) of the Housing and Community Development Act of 1974 (42 U.S.C. 5304(d)) and implementing regulations at 24 CFR part 42, subpart A.

7. Will comply with the environmental requirements of the National Environmental Policy Act (42 U.S.C. 4321 et.seq.) and related Federal authorities prior to the commitment or expenditure of funds for property.

8. That no Federal appropriated funds have been paid, or will be paid, by or on behalf of the applicant, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, and officer or employee of Congress, or an employee of a Member of Congress, in connection with the awarding of this Federal grant or its extension, renewal, amendment or modification. If funds other than Federal appropriated funds have or will be paid for influencing or attempting to influence the persons listed above, I shall complete and submit Standard Form-LLL, Disclosure Form to Report Lobbying. I certify that I shall require all subawards at all tiers (including sub-grants and contracts) to similarly certify and disclose accordingly. Federally recognized Indian Tribes and tribally designated housing entities (TDHEs) established by Federally-recognized Indian tribes as a result of the exercise of the tribe's sovereign power are excluded from coverage by the Byrd Amendment, but State-recognized Indian tribes and TDHs established under State law are not excluded from the statute's coverage.
